Item 1.01 Entry into a Material Definitive Agreement.

On May 3, 2019, Occidental Petroleum Corporation (“Occidental”) and Total S.A. (“Total”) entered into a binding Memorandum of Understanding (the “MOU”), pursuant to which Occidental has agreed to sell to Total all of the assets, liabilities, businesses and operations of Anadarko Petroleum Corporation (“Anadarko”) in Algeria, Ghana, Mozambique and South Africa (collectively, the “Acquired Business”) for \$8.8 billion in cash, on a cash-free, debt-free basis (the “Transaction”).

The Transaction is conditioned on the consummation by Occidental of an acquisition of Anadarko and receipt of required regulatory approvals, as well as other customary closing conditions. Occidental and Total will enter into a definitive purchase agreement with respect to the Transaction promptly following the entrance by Occidental into an agreement to acquire Anadarko.

Either party may terminate the MOU if the Transaction is not consummated by December 1, 2020 or if an order permanently restraining, enjoining or otherwise prohibiting consummation of the Transaction becomes final and non-appealable.

The foregoing summary of the MOU does not purport to be complete and is subject to, and qualified in its entirety by, the terms of the MOU, which will be filed as an exhibit to Occidental’s Quarterly Report on Form 10-Q for the period ending June 30, 2019.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On May 5, 2019, the Board of Directors of Occidental amended and restated Occidental’s By-laws (as so amended and restated, the “Bylaws”) to add a new section 6 of Article VII designating the Court of Chancery of the State of Delaware (or in some cases other state or federal courts in Delaware) as the exclusive forum for certain proceedings relating to Occidental, as set forth in the new section.

The foregoing description is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is attached hereto as Exhibit 3.1 and is incorporated by reference herein.

Item 8.01 Other Events.

On May 5, 2019, Occidental issued a press release (the “Proposal Press Release”) announcing its revised proposal (the “Proposal”) to acquire Anadarko for \$76.00 per Anadarko share, based on Occidental’s closing price on May 3, 2019. Under the terms of the Proposal, Anadarko shareholders would receive \$59.00 in cash and 0.2934 shares of Occidental common stock for each share of Anadarko common stock.

The foregoing description of the Proposal is qualified in its entirety by reference to the Proposal Press Release, a copy of which is attached hereto as Exhibit 99.1 and is incorporated by reference herein.

On May 5, 2019, Occidental issued a press release with respect to the MOU with Total (“Total Press Release”). A copy of the Total Press Release is attached hereto as Exhibit 99.2 and is incorporated by reference herein.

Forward Looking Statements

Any statements in this communication about Occidental’s expectations, beliefs, plans or forecasts, including statements regarding the proposed transaction between Occidental and Anadarko or the proposed transaction between Occidental and Total, benefits and synergies of the proposed transactions and future opportunities for the combined company and products and securities, that are not historical facts are forward-looking statements. These statements are typically identified by words such as “estimate,” “project,” “predict,” “will,” “would,” “should,” “could,” “may,” “might,” “anticipate,” “plan,” “intend,” “believe,” “expect,” “aim,” “goal,” “target,” “objective,” “likely” or similar expressions that convey the prospective nature of events or outcomes. Forward-looking statements involve estimates, expectations, projections, goals, forecasts, assumptions, risks and uncertainties. Actual results may differ from anticipated results, sometimes materially, and reported or expected results should not be considered an indication of future performance. Factors that could cause actual results to differ include, but are not limited to: the ultimate outcome of any possible transaction between Occidental and Anadarko, including the possibility that Anadarko will reject the proposed transaction with Occidental or that the terms of any definitive agreement will be materially different from those described above; uncertainties as to whether Anadarko will cooperate with Occidental regarding the proposed transaction; Occidental’s ability to consummate the proposed transaction with Anadarko or the proposed transactions with Total; the conditions to the completion of the proposed transactions, including the receipt of Anadarko stockholder approval for the proposed transaction between Occidental and Anadarko; that the regulatory approvals required for the proposed transactions may not be obtained on the terms expected or on the anticipated schedule or at all; Occidental’s ability to finance the proposed transaction with Anadarko, including completion of any contemplated equity investment; Occidental’s indebtedness, including the substantial indebtedness Occidental expects to incur in connection with the proposed transaction with Anadarko and the need to generate sufficient cash flows to service and repay such debt; Occidental’s ability to meet expectations regarding the timing, completion and accounting and tax treatments of the transactions contemplated by the binding agreement with Total; Occidental’s ability to meet expectations regarding the timing, completion and accounting and tax treatments of the proposed transaction with Anadarko; the possibility that Occidental may be unable to achieve expected synergies and operating efficiencies within the expected time-frames or at all and to successfully integrate Anadarko’s operations with those of Occidental; that such integration may be more difficult, time-consuming or costly than expected; that operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers or suppliers) may be greater than expected following the proposed transaction or the public announcement of the proposed transaction; the retention of certain key employees of Anadarko may be difficult; that Anadarko and Occidental are subject to intense competition and increased competition is expected in the future; general economic conditions that are less favorable than expected. Additional risks that may affect Occidental’s results of operations and financial position appear in Part I, Item 1A “Risk Factors” of Occidental’s Annual Report on Form 10-K for the year ended December 31, 2018, and in Occidental’s other filings with the U.S. Securities and Exchange Commission (“SEC”).

Because the factors referred to above could cause actual results or outcomes to differ materially from those expressed or implied in any forward-looking statements, you should not place undue reliance on any such forward-looking statements. Further, any forward-looking statement speaks only as of the date of this communication and, unless legally required, Occidental does not undertake any obligation to update any forward-looking statement, as a result of new information, future events or otherwise.

No Offer or Solicitation

This communication does not constitute an offer to sell or the solicitation of an offer to buy any securities or a solicitation of any vote or approval, nor shall there be any sale of securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction. No offer of securities shall be made except by means of a prospectus meeting the requirements of Section 10 of the Securities Act of 1933, as amended.

Additional Information and Where to Find It

This communication relates to a proposal which Occidental has made for an acquisition of Anadarko. In furtherance of this proposal and subject to future developments, Occidental (and, if a negotiated transaction is agreed, Anadarko) may file one or more registration statements, proxy statements, tender offer statements or other documents with the SEC. This communication is not a substitute for any proxy statement, registration statement, tender offer statement, prospectus or other document Occidental and/or Anadarko may file with the SEC in connection with the proposed transactions.

INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE PROXY STATEMENT(S), REGISTRATION STATEMENT(S), TENDER OFFER STATEMENT, PROSPECTUS AND ANY OTHER RELEVANT DOCUMENTS FILED WITH THE SEC CAREFULLY IN THEIR ENTIRETY IF AND WHEN THEY BECOME AVAILABLE BECAUSE THEY WILL CONTAIN IMPORTANT INFORMATION ABOUT OCCIDENTAL, ANADARKO AND THE PROPOSED TRANSACTIONS. Any definitive proxy statement(s) or prospectus(es) (if and when available) will be mailed to stockholders of Occidental and/or Anadarko, as applicable. Investors and security holders will be able to obtain copies of these documents (if and when available) and other documents filed with the SEC by Occidental free of charge through the website maintained by the SEC at www.sec.gov. Copies of the documents filed by Occidental (if and when available) will also be made available free of charge by accessing Occidental's website at www.oxy.com.

Participants

This communication is neither a solicitation of a proxy nor a substitute for any proxy statement or other filings that may be made with the SEC. Nonetheless, Occidental and its directors and executive officers and other members of management and employees may be deemed to be participants in the solicitation of proxies in respect of the proposed transactions. Information about Occidental's executive officers and directors is available in Occidental's Annual Report on Form 10-K for the year ended December 31, 2018, which was filed with the SEC on February 21, 2019, and in its proxy statement for the 2019 Annual Meeting which was filed with the SEC on March 28, 2019. To the extent holdings of Occidental securities have changed since the amounts printed in the proxy statement for the 2019 Annual Meeting, such changes have been or will be reflected on Statements of Change in Ownership on Form 4 filed with the SEC. Additional information regarding the interests of such potential participants will be included in one or more registration statements, proxy statements, tender offer statements or other documents filed with the SEC if and when they become available. These documents (if and when available) may be obtained free of charge from the SEC's website <http://www.sec.gov>.

ARTICLE I

OFFICES

SECTION 1. *Registered Office.* The registered office of the Corporation shall be in the State of Delaware.

SECTION 2. *Other Offices.* The Corporation may also have offices at such other places both within and without the State of Delaware as the Board of Directors may from time to time determine.

ARTICLE II

MEETING OF STOCKHOLDERS

SECTION 1. *Place and Conduct of Meetings.* Meetings of the stockholders for the election of directors or for the transaction of only such other business as may properly be brought before the meeting in accordance with these By-laws shall be held at such time and place, either within or without the State of Delaware, as shall be designated from time to time by the Board of Directors and stated in the notice of the meeting or in a duly executed waiver of notice thereof. The Chairman of such meetings shall have plenary power and authority with respect to all matters relating to the conduct thereof including, without limitation, the authority to limit the amount of time which may be taken by any stockholder or stockholders, the authority to appoint and be advised by a parliamentarian, and the authority to appoint and to instruct a sergeant or sergeants at arms.

SECTION 2. *Annual Meetings.* The Annual Meetings of Stockholders shall be held on such date and at such time as shall be designated from time to time by the Board of Directors and stated in the notice of the meeting, for the purpose of electing directors and for the transaction of only such other business as may properly be brought before the meeting in accordance with these By-laws.

To be properly brought before the Annual Meeting, business must be either (a) specified in the notice of Annual Meeting (or any supplement thereto) given by or at the direction of the Board of Directors, (b) otherwise properly brought before the Annual Meeting by or at the direction of the Board of Directors, or (c) other than the election of directors (which is addressed in *Article III*), otherwise properly brought before the Annual Meeting by a stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this *Section 2* and on the record date

for the determination of stockholders entitled to vote at such Annual Meeting and (ii) who complies with the notice procedures set forth in this *Section 2*.

In addition to any other applicable requirements, for business to be properly brought before an Annual Meeting by a stockholder, the stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation.

To be timely, a stockholder's notice related to business other than the election of directors (which is addressed in *Article III*) must be delivered to or mailed to and received at the principal executive offices of the Corporation, not less than seventy (70) days nor more than ninety (90) days prior to the anniversary date of the immediately preceding Annual Meeting; *provided, however*, that in the event that the Annual Meeting is called for a date that is not within thirty (30) days before or after such anniversary date, notice by the stockholder to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the Annual Meeting was mailed or such public disclosure was made, whichever first occurs. In no event shall the public announcement of an adjournment of an Annual Meeting commence a new time period for the giving of a stockholder's notice as described above.

To be in proper written form, a stockholder's notice to the Secretary shall set forth as to each matter the stockholder proposes to bring before the Annual Meeting (i) a brief description of the business desired to be brought before the Annual Meeting, the reasons for conducting such business at the Annual Meeting and any material interest in such business of the stockholder and the beneficial owner, if any, on whose behalf the proposal is made, (ii) the name and record address of the stockholder proposing such business, (iii) the class, series and number of shares of the Corporation which are beneficially owned by the stockholder, (iv) a description of all arrangements or understandings between the stockholder and any other person or persons (including their names) in connection with such business, (v) whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to distribute proxy materials, and (vi) a representation that the stockholder intends to appear, in person or by another person authorized in accordance with the General Corporation Law of the State of Delaware to act as proxy for the stockholder, at the Annual Meeting to present such business.

Notwithstanding anything in the By-laws to the contrary, no business shall be conducted at the Annual Meeting except in accordance with the procedures set forth in this *Section 2*; *provided, however*, that nothing in this *Section 2* shall be deemed to preclude discussion by any stockholder of any business properly brought before the Annual Meeting.

The Chairman of an Annual Meeting shall, if the facts warrant, determine and declare to the Annual Meeting that business was not properly brought before the Annual Meeting in accordance with the provisions of this *Section 2*, and if he should so determine, he shall so declare to the Annual Meeting and any such business not properly brought before the Annual Meeting shall not be transacted.

Written notice of the Annual Meeting stating the place, date and hour of the Annual Meeting shall be given to each stockholder entitled to vote at such meeting not less than ten (10) nor more than sixty (60) days before the date of the meeting.

SECTION 3. *Special Meetings.* Unless otherwise prescribed by law or by the Certificate of Incorporation, Special Meetings of Stockholders, for any purpose or purposes, may be called by the Board of Directors or the Chairman of the Board. Subject to *subsections (a) - (d)* of this *Article II, Section 3*, a Special Meeting of Stockholders shall be called by the Secretary upon the written request of the record holders of at least 25% of the outstanding common stock of the Corporation (the "Requisite Percent"). Written notice of a Special Meeting stating the place, date and hour of the meeting and the purpose or purposes for which the meeting is called shall be given not less than ten (10) nor more than sixty (60) days before the date of the meeting to each stockholder entitled to vote at such meeting.

(a) In order for a Stockholder Requested Special Meeting (as defined in this By-law) to be called, one or more requests for a Special Meeting must be signed by the Requisite Percent of record holders (or their duly authorized agents) and delivered to the Secretary (each, a "Special Meeting Request," collectively, the "Special Meeting Requests"). The Special Meeting Request(s) shall be sent to the Secretary at the principal executive offices of the Corporation by registered mail, return receipt requested. The Special Meeting Request(s) shall (i) set forth a statement of the specific purpose(s) of the meeting, the matters proposed to be acted on at the meeting and the reasons for conducting such business at the Special Meeting, (ii) bear the date of signature of each such stockholder (or duly authorized agent) signing the Special Meeting Request(s), (iii) set forth (A) the name and address, as they appear in the Corporation's stock ledger, of each stockholder signing such request (or on whose behalf the Special Meeting Request is signed), and (B) the class, if applicable, and number of shares of stock of the Corporation that are owned of record and beneficially by each such stockholder, (iv) set forth any material interest of each stockholder in the business desired to be brought before the Special Meeting, (v) set forth all information relating to each such stockholder that must be disclosed in solicitations of proxies for election of directors in an election contest (even if an election contest is not involved), or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and (vi) contain the information, if applicable, which shall be set forth in a stockholder's notice as required by *Article II, Section 2* of these By-laws. A stockholder may revoke his, her or its request for a Special Meeting at any time by written revocation delivered to the Secretary.

(b) The Secretary shall not be required to call a Special Meeting upon stockholder request (a "Stockholder Requested Special Meeting") if (i) the Special Meeting Request(s) relates to an item of business that is not a proper subject for stockholder action under applicable law, or (ii) the Board of Directors has called or calls for an annual or special meeting of stockholders to be held not later than ninety (90) days after the Secretary's receipt of the Special Meeting Request(s) and the purpose(s) of such meeting include the purpose(s) specified in the Special Meeting Request(s), with such determination being made in good faith by the Board of Directors.

(c) A Stockholder Requested Special Meeting shall be held at such date, time and place within or without the State of Delaware as may be fixed by the Board of Directors; provided, however, that the date of any Stockholder Requested Special Meeting shall be not more than ninety (90) days after the Secretary's receipt of the properly submitted Special Meeting Request(s).

(d) Business transacted at any Stockholder Requested Special Meeting shall be limited to the purpose(s) stated in the Special Meeting Request(s); provided, however, that nothing herein shall prohibit the Board from submitting matters to the stockholders at any Stockholder Requested Special Meeting.

SECTION 4. *Quorum.* Except as otherwise provided by law or by the Certificate of Incorporation, the holders of a majority of the capital stock issued and outstanding and entitled to vote thereat, present in person or represented by proxy, shall constitute a quorum at all meetings of the stockholders for the transaction of business. If, however, such quorum shall not be present or represented at any meeting of the stockholders, the Chairman of such meeting or a majority of the stockholders entitled to vote thereat, present in person or represented by proxy, shall have power to adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present or represented. At such adjourned meeting at which a quorum shall be present or represented, any business may be transacted which might have been transacted at the meeting as originally noticed. If the adjournment is for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each stockholder entitled to vote at the meeting.

SECTION 5. *Voting.* Unless otherwise required by law, the Certificate of Incorporation or these By-laws, any question brought before any meeting of stockholders shall be decided by the affirmative vote of a majority of the shares present in person or by proxy at the meeting and entitled to vote on the subject matter. Unless otherwise provided in the Certificate of Incorporation, each stockholder represented at a meeting of stockholders shall be entitled to cast one vote for each share of the capital stock entitled to vote thereat held by such stockholder. Such votes may be cast in person or by proxy but no proxy shall be voted on or after three years from its date, unless such proxy provides for a longer period. No vote at any meeting of stockholders need be by written ballot unless the Board of Directors, in its discretion, or the officer of the Corporation presiding at the meeting, in his discretion, specifically directs the use of a written ballot.

SECTION 6. *List of Stockholders Entitled to Vote.* The officer of the Corporation who has charge of the stock ledger of the Corporation shall prepare and make, at least ten days before every meeting of stockholders, a complete list of the stockholders entitled to vote at the meeting, arranged in alphabetical order, and showing the address of each stockholder and the number of shares registered in the name of each stockholder. Such list shall be open to the examination of any stockholder, for any purpose germane to the meeting, during ordinary business hours, for a period of at least ten days prior to the meeting, either at a place within the city where the meeting is to be held, which place shall be specified in the notice of the meeting, or, if not so specified, at

the place where the meeting is to be held. The list shall also be produced and kept at the time and place of the meeting during the whole time thereof, and may be inspected by any stockholder of the Corporation who is present.

SECTION 7. *Stock Ledger.* The stock ledger of the Corporation shall be the only evidence as to who are the stockholders entitled to examine the stock ledger, the list required by *Section 6* of this Article II or the books of the Corporation, or to vote in person or by proxy at any meeting of stockholders.

SECTION 8. *Voting Procedures and Inspectors of Election.* The Corporation shall, in advance of any meeting of stockholders, appoint one or more inspectors to act at the meeting and make a written report thereof. The Corporation may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his ability.

The inspectors shall (i) ascertain the number of shares outstanding and the voting power of each, (ii) determine the shares represented at a meeting and the validity of proxies and ballots, (iii) count all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares represented at the meeting, and their count of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of the duties of the inspectors.

The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting.

SECTION 9. *Action by Written Consent.* Any action required or permitted to be taken by the stockholders of the Corporation must be effected at a duly called annual or special meeting of the stockholders or may be effected by a consent or consents in writing by the stockholders as provided by, and subject to the limitations in, the Certificate of Incorporation. In the event of the delivery, in the manner provided in the Certificate of Incorporation and applicable law, to the Corporation of a consent or consents to take corporate action in writing without a meeting and/or any related revocation or revocations, the Corporation may, and, if required by the Certificate of Incorporation, shall, designate an inspector or inspectors to discharge such duties as are contemplated or required by the Certificate of Incorporation.

ARTICLE III

DIRECTORS

SECTION 1. *Number and Election of Directors.* Subject to the rights, if any, of holders of preferred stock issued by the Corporation to elect directors of the Corporation, the Board of Directors shall consist of one or more directors, the number of which shall be fourteen (14) until changed by resolution duly adopted by the Board of Directors from time to time. Except as provided in *Section 3* of this *Article III* and subject to *Section 12* of this *Article III*, directors shall be elected by a majority of the votes cast at Annual Meetings of Stockholders and each director so elected shall hold office until his successor is duly elected and qualified, or until his earlier death, disqualification, resignation or removal; provided, however, that directors shall be elected by a plurality of the votes cast at any meeting of the stockholders for which the number of nominees exceeds the number of directors to be elected. No person shall be eligible for election as a director of the Corporation who shall have reached the age of seventy-five (75) at the date of such election, unless such requirement shall have been unanimously waived by the members of the Corporate Governance, Nominating and Social Responsibility Committee and such Committee's action shall have been ratified and approved by a majority of the disinterested directors on the Board of Directors. Directors need not be stockholders.

SECTION 2. *Nominations of Directors.* Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors, except as may be otherwise provided in the Certificate of Incorporation of the Corporation with respect to the right of holders of preferred stock of the Corporation to nominate and elect a specified number of directors in certain circumstances. Nominations of persons for election to the Board of Directors of the Corporation may be made at any Annual Meeting (a) by or at the direction of the Board of Directors (or any duly authorized committee thereof), (b) by any stockholder of the Corporation (i) who is a stockholder of record on the date of the giving of the notice provided for in this *Section 2* and on the record date for the determination of stockholders entitled to vote at the Annual Meeting and (ii) who complies with the notice procedures set forth in this *Section 2* or (c) pursuant to *Section 15*.

In addition to any other applicable requirements, for a nomination to be properly made by a stockholder pursuant to this *Section 2* or *Section 15*, the stockholder must have given timely notice thereof in proper written form to the Secretary of the Corporation.

To be timely pursuant to this *Section 2*, a stockholder's notice to the Secretary must be delivered to or mailed and received at the principal executive offices of the Corporation between September 1 and November 30 of the year preceding the Annual Meeting. To be in proper written form, a stockholder's notice to the Secretary pursuant to this *Section 2* must set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) principal occupation or employment of the person, (iii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially or of record by the person, and (iv) any other information relating to

the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the Rules and Regulations of the Securities and Exchange Commission under Section 14 of the Exchange Act, and (b) as to the stockholder giving the notice, (i) the name and record address of such stockholder, (ii) the class or series and number of shares of capital stock of the Corporation which are beneficially owned by the stockholder, (iii) a description of all arrangements or understandings between the stockholder or the beneficial owner, if any, on whose behalf the nomination is made and each proposed nominee and any other person or persons (including their names) pursuant to which the nominations are to be made by such stockholder, (iv) whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends to distribute proxy materials, (v) a representation that the stockholder intends to appear, in person or by another person authorized in accordance with the General Corporation Law of the State of Delaware to act as proxy for the stockholder, at the Annual Meeting to nominate the persons named in the stockholder's notice, and (vi) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to the Rules and Regulations of the Securities and Exchange Commission under Section 14 of the Exchange Act. Such notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the procedures set forth in this *Section 2* or *Section 15*. If the Chairman of the Annual Meeting determines that a nomination was not made in accordance with this *Section 2* or *Section 15*, the Chairman shall declare to the meeting that the nomination was defective and the defective nomination shall be disregarded.

SECTION 3. *Vacancies.* Any newly created directorship resulting from an increase in the number of directors or any other vacancy on the Board of Directors may be filled by a majority of the Board of Directors then in office, even if less than a quorum, or by a sole remaining director. Any director elected to fill a newly created directorship resulting from an increase in the number of directors or any other vacancy shall hold office for a term that shall expire at the next Annual Meeting of Stockholders.

SECTION 4. *Duties and Powers.* The business of the Corporation shall be managed by or under the direction of the Board of Directors which may exercise all such powers of the Corporation and do all such lawful acts and things as are not by statute or by the Certificate of Incorporation or by these By-laws directed or required to be exercised or done by the stockholders.

SECTION 5. *Meetings.* The Board of Directors of the Corporation may hold meetings, both regular and special, either within or without the State of Delaware. Regular meetings of the Board of Directors may be held without notice at such time and at such place as may from time to time be determined by the Board of Directors. Special meetings of the Board of Directors may be called by the Chairman of the Board, if there be one, the Chief Executive Officer, the President, or any three directors. Notice thereof stating the place, date and hour of the meeting shall be given to each director either by mail not less than forty-eight hours before the date of the meeting, by telephone,

telegram, email or telecopy on twenty-four hours notice, or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances.

SECTION 6. *Quorum.* Except as may be otherwise specifically provided by law, at all meetings of the Board of Directors or of any committee thereof, a majority of the members of the entire Board of Directors or of the said committee shall constitute a quorum for the transaction of business; and the act of a majority of the directors or members of the committee present at any meeting at which there is a quorum shall be the act of the Board of Directors or of the said committee, as the case may be. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of directors or members of the committee if any action taken is approved by at least a majority of the required quorum for that meeting. If a quorum shall not be present at any meeting of the Board of Directors or of any committee thereof, the directors or members of the committee present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present.

SECTION 7. *Actions of Board.* Any action required or permitted to be taken at any meeting of the Board of Directors or of any committee thereof may be taken without a meeting, if all the members of the Board of Directors or committee, as the case may be, consent thereto in writing, and the writing or writings are filed with the minutes of proceedings of the Board of Directors or committee.

SECTION 8. *Meetings by Means of Conference Telephone.* Members of the Board of Directors of the Corporation, or any committee designated by the Board of Directors, may participate in a meeting of the Board of Directors or such committee by means of a conference telephone or similar communications equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting pursuant to this *Section 8* shall constitute presence in person at such meeting.

SECTION 9. *Committees.* The Board of Directors may designate one or more committees, each committee to consist of one or more of the directors of the Corporation. The Board of Directors may designate one or more directors as alternate members of any committee, who may replace any absent or disqualified member at any meeting of any such committee. In the absence or disqualification of a member of a committee, and in the absence of a designation by the Board of Directors of an alternate member to replace the absent or disqualified member, the member or members thereof present at any meeting and not disqualified from voting, whether or not he or they constitute a quorum, may unanimously appoint another member of the Board of Directors to act at the meeting in the place of any absent or disqualified member. Any committee, to the extent allowed by law and provided in the resolution establishing such committee, shall have and may exercise all the powers and authority of the Board of Directors in the management of the business and affairs of the Corporation. Meetings of any committee may be called by the Chairman of such committee, if there be one, or by any two members thereof other than such Chairman. Notice thereof stating the place, date and hour of the meeting shall be given to each member by mail not less than forty-eight hours before the date of the

meeting; by telephone, telegram or telecopy on twenty-four hours notice; or on such shorter notice as the person or persons calling such meeting may deem necessary or appropriate in the circumstances. Each committee shall keep regular minutes and report to the Board of Directors when required.

SECTION 10. *Compensation.* The directors may be paid their expenses, if any, of attendance at each meeting of the Board of Directors and may be paid a fixed sum for attendance at each meeting of the Board of Directors and/or a stated annual fee as a director. No such payment shall preclude any director from serving the Corporation in any other capacity and receiving compensation therefor. Members of special or standing committees may be allowed like compensation for attending committee meetings.

SECTION 11. *Interested Directors.* No contract or transaction between the Corporation and one or more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers, or have a financial interest, shall be void or voidable solely for this reason, or solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his or their votes are counted for such purpose if (i) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested directors, even though the disinterested directors be less than a quorum; or (ii) the material facts as to his or their relationship or interest and as to the contract or transaction are disclosed or are known to the stockholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the stockholders; or (iii) the contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors, a committee thereof or the stockholders. Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction.

SECTION 12. *Resignation of Directors.* In an uncontested election, any nominee for director who receives a greater number of votes “against” his or her election than votes “for” such election (a “Majority Against Vote”) shall promptly tender his or her resignation following certification of the stockholder vote by the Inspector of Elections. Unless accepted earlier by the Board of Directors, such resignation shall become effective on October 31st of the year of the election.

Notwithstanding the obligation to resign for a Majority Against Vote, any director may resign at any time for any other reason. In such instance, the resignation shall be effective upon giving written notice to the Secretary, unless the notice specifies a later time for such resignation to become effective, and no action shall be required by the Board of Directors for the resignation to become effective. If the resignation of a director is effective at a future time, the Board of Directors may elect a successor prior to such effective time to take office when such resignation becomes effective.

SECTION 13. *Chairman of the Board of Directors.* The Board of Directors shall annually elect one of its Independent Directors (as defined in the Corporation's Corporate Governance Policies adopted from time to time) to be Chairman of the Board of Directors. The Chairman shall preside at all meetings of the stockholders and of the Board of Directors. The Chairman of the Board of Directors shall also perform such other duties and exercise such other powers as from time to time may be assigned to him by these By-laws or by the Board of Directors. During the absence or disability of the Chairman of the Board of Directors for any reason, the Vice Chairman of the Board of Directors shall exercise the powers and discharge the duties of the Chairman. If there is no Vice Chairman, or, if the Vice Chairman is absent or unable to perform such duties, such other Independent Director as the Board of Directors may designate shall exercise the powers and discharge the duties of the Chairman.

SECTION 14. *Vice Chairman of the Board of Directors.* The Board of Directors may annually elect one of its Independent Directors to be Vice Chairman of the Board of Directors. The Vice Chairman of the Board of Directors shall perform the duties specified in *Section 13* above in the absence or disability of the Chairman of the Board of Directors and shall perform such duties and may exercise such powers as from time to time may be assigned to him by the Board of Directors or the Chairman of the Board of Directors.

SECTION 15. *Stockholder Nominations Included in the Corporation's Proxy Materials.*

(a) Subject to the provisions of this *Section 15*, if expressly requested in the relevant Nomination Notice (as defined below), the Corporation shall include in its proxy statement for any Annual Meeting of Stockholders: (i) the name of any person nominated for election (the "Stockholder Nominee"), which shall also be included on the Corporation's form of proxy and ballot, by any Eligible Stockholder (as defined below) or group of up to 20 Eligible Stockholders that, as determined by the Board of Directors or its designee acting in good faith, has (individually and collectively, in the case of a group) satisfied all applicable conditions and complied with all applicable procedures set forth in this *Section 15* (such Eligible Stockholder or group of Eligible Stockholders being a "Nominating Stockholder"); (ii) disclosure about the Stockholder Nominee and the Nominating Stockholder required under the rules of the Securities and Exchange Commission or other applicable law to be included in the proxy statement; (iii) any statement included by the Nominating Stockholder in the Nomination Notice for inclusion in the proxy statement in support of the Stockholder Nominee's election to the Board of Directors (subject, without limitation, to *Section 15(e)(ii)*), if such statement does not exceed 500 words; and (iv) any other information that the Corporation or the Board of Directors determines, in their discretion, to include in the proxy statement relating to the nomination of the Stockholder Nominee, including, without limitation, any statement in opposition to the nomination and any of the information provided pursuant to this *Section 15*.

(b) (i) The Corporation shall not be required to include in the proxy statement for an Annual Meeting of Stockholders more Stockholder Nominees than that number of

directors constituting 20% of the total number of directors of the Corporation on the last day on which a Nomination Notice may be submitted pursuant to this *Section 15* (rounded down to the nearest whole number, but not less than two) (the “Maximum Number”). The Maximum Number for a particular Annual Meeting shall be reduced by: (1) Stockholder Nominees whose nominations are subsequently withdrawn; (2) Stockholder Nominees who the Board of Directors itself decides to nominate for election at such Annual Meeting; (3) the number of incumbent directors or director candidates that in either case will be included in the Corporation’s proxy statement for an Annual Meeting of Stockholders as an unopposed (by the Corporation) nominee pursuant to any agreement, arrangement or other understanding with any stockholder or group of stockholders; and (4) the number of incumbent directors who had been Stockholder Nominees, or nominees of a stockholder pursuant to the advance notice requirements set forth in *Section 2* of this *Article III*, at any of the preceding three Annual Meetings of Stockholders and whose reelection at the upcoming Annual Meeting is being recommended by the Board of Directors. In the event that one or more vacancies for any reason occurs on the Board of Directors after the deadline set forth in *Section 15(d)* but before the date of the Annual Meeting and the Board of Directors resolves to reduce the size of the board in connection therewith, the Maximum Number shall be calculated based on the number of directors in office as so reduced.

(ii) If the number of Stockholder Nominees pursuant to this *Section 15* for any Annual Meeting of Stockholders exceeds the Maximum Number then, promptly upon notice from the Corporation, each Nominating Stockholder will select one Stockholder Nominee for inclusion in the proxy statement until the Maximum Number is reached, going in order of the amount (largest to smallest) of shares of the Corporation’s common stock that each Nominating Stockholder disclosed as owned in its Nomination Notice, with the process repeated if the Maximum Number is not reached after each Nominating Stockholder has selected one Stockholder Nominee. If, after the deadline for submitting a Nomination Notice as set forth in *Section 15(d)*, a Nominating Stockholder becomes ineligible or withdraws its nomination or a Stockholder Nominee becomes ineligible or unwilling to serve on the Board of Directors, whether before or after the mailing of the definitive proxy statement, the Corporation: (1) shall not be required to include in its proxy statement or on any ballot or form of proxy the Stockholder Nominee or any successor or replacement nominee proposed by the Nominating Stockholder or by any other Nominating Stockholder and (2) may otherwise communicate to its stockholders, including without limitation by amending or supplementing its proxy statement or ballot or form of proxy, that the Stockholder Nominee will not be included as a Stockholder Nominee in the proxy statement or on any ballot or form of proxy and will not be voted on at the Annual Meeting.

(c) (i) An “Eligible Stockholder” is a person who has either (1) been a record holder of the shares of common stock of the Corporation used to satisfy the eligibility requirements in this *Section 15(c)* continuously for the three-year period specified in subsection (c)(ii) of this *Section 15* below or (2) provides to the Secretary of the Corporation, within the time period referred to in *Section 15(d)*, evidence of continuous ownership of such shares for such three-year period from one or more securities

intermediaries in a form that the Board of Directors or its designee, acting in good faith, determines acceptable.

(ii) An Eligible Stockholder or group of up to 20 Eligible Stockholders may submit a nomination in accordance with this Section 15 only if the person or group (in the aggregate) has continuously owned at least the Minimum Number (as defined below) (as adjusted for any stock splits, stock dividends or similar events) of shares of the Corporation's common stock throughout the three-year period preceding and including the date of submission of the Nomination Notice, and continues to own at least the Minimum Number of shares through the date of the Annual Meeting. The following shall be treated as one Eligible Stockholder if such Eligible Stockholder shall provide together with the Nomination Notice documentation reasonably satisfactory to the Board of Directors or its designee that demonstrates compliance with the following criteria: (1) funds under common management and investment control; (2) funds under common management and funded primarily by the same employer; or (3) a "family of investment companies" or a "group of investment companies" (each as defined in the Investment Company Act of 1940, as amended). For the avoidance of doubt, in the event of a nomination by a group of Eligible Stockholders, any and all requirements and obligations for a given Eligible Stockholder that are set forth in this Section 15, including the minimum holding period, shall apply to each member of such group; provided, however, that the Minimum Number shall apply to the ownership of the group in the aggregate. Should any stockholder withdraw from a group of Eligible Stockholders at any time prior to the Annual Meeting of Stockholders, the group of Eligible Stockholders shall only be deemed to own the shares held by the remaining members of the group.

(iii) The "Minimum Number" of shares of the Corporation's common stock means 3% of the number of outstanding shares of common stock as of the most recent date for which such amount is given in any filing by the Corporation with the SEC prior to the submission of the Nomination Notice.

(iv) For purposes of this Section 15, an Eligible Stockholder "owns" only those outstanding shares of the Corporation's common stock as to which such Eligible Stockholder possesses both: (1) the full voting and investment rights pertaining to such shares and (2) the full economic interest in (including the opportunity for profit from and the risk of loss on) such shares; provided that the number of shares calculated in accordance with clauses (1) and (2) shall not include any shares (x) sold by such Eligible Stockholder or any of its affiliates in any transaction that has not been settled or closed, (y) borrowed by such Eligible Stockholder or any of its affiliates for any purpose or purchased by such Eligible Stockholder or any of its affiliates pursuant to an agreement to resell, or (z) subject to any option, warrant, forward contract, swap, contract of sale, other derivative or similar agreement entered into by such Eligible Stockholder or any of its affiliates, whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of outstanding capital stock of Corporation, in any such case which instrument or agreement has, or is intended to have, the purpose or effect of: (x) reducing in any manner, to any extent or at any time in the future, such Eligible Stockholder's or any of its affiliates' full right to vote or direct the voting of any such shares, and/or (y) hedging, offsetting, or altering to any degree any

gain or loss arising from the full economic ownership of such shares by such Eligible Stockholder or any of its affiliates, but not including any hedging with respect to currency risk, interest-rate risk or, using a broad index-based hedge, equity risk. An Eligible Stockholder “owns” shares held in the name of a nominee or other intermediary so long as the Eligible Stockholder retains the right to instruct how the shares are voted with respect to the election of directors and possesses the full economic interest in the shares. An Eligible Stockholder’s ownership of shares shall be deemed to continue during any period in which the Eligible Stockholder has delegated any voting power by means of a proxy, power of attorney, or other similar instrument or arrangement that is revocable at any time by the Eligible Stockholder. An Eligible Stockholder’s ownership of shares shall be deemed to continue during any period in which the Eligible Stockholder has loaned such shares provided that the Eligible Stockholder has the power to recall such loaned shares on five business days’ notice and provides a representation that it (1) will promptly recall such loaned shares upon being notified that any of its Stockholder Nominees will be included in the Corporation’s proxy materials and (2) will continue to hold such shares through the date of the Annual Meeting. The terms “owned,” “owning” and other variations of the word “own” shall have correlative meanings. Whether outstanding shares of the Corporation are “owned” for these purposes shall be determined by the Board of Directors or its designee acting in good faith. For purposes of this *Section 15(d)(iv)*, the term “affiliate” or “affiliates” shall have the meaning ascribed thereto under the General Rules and Regulations under the Exchange Act.

(v) No Eligible Stockholder shall be permitted to be in more than one group constituting a Nominating Stockholder, and if any Eligible Stockholder appears as a member of more than one group, such Eligible Stockholder shall be deemed to be a member of only the group that has the largest ownership position as reflected in the Nomination Notice.

(d) To nominate a Stockholder Nominee pursuant to this *Section 15*, the Nominating Stockholder must submit to the Secretary of the Corporation all of the following information and documents (collectively, the “Nomination Notice”), not less than 120 days nor more than 150 days prior to the anniversary of the date that the Corporation mailed its proxy statement for the prior year’s Annual Meeting; provided, however, that if (and only if) the Annual Meeting is not scheduled to be held within a period that commences 30 days before the first anniversary date of the preceding year’s Annual Meeting of Stockholders and ends 30 days after the first anniversary date of the preceding year’s Annual Meeting of Stockholders (an annual meeting date outside such period being referred to herein as an “Other Meeting Date”), the Nomination Notice shall be given in the manner provided herein by the later of the close of business on the date that is 180 days prior to such Other Meeting Date or the tenth day following the date such Other Meeting Date is first publicly announced or disclosed (in no event shall the adjournment or postponement of an Annual Meeting, or the announcement thereof, commence a new time period (or extend any time period) for the giving of the Nomination Notice):

(i) one or more written statements from the record holder of the shares (and from each intermediary through which the shares are or have been held during the requisite three-year holding period) verifying that, as of a date within seven (7) calendar days prior to the date of the Nomination Notice, the Nominating Stockholder owns, and has continuously owned for the preceding three (3) years, the Minimum Number of shares, and the Nominating Stockholder's agreement to provide, within five (5) business days after the record date for the Annual Meeting, written statements from the record holder and intermediaries verifying the Nominating Stockholder's continuous ownership of the Minimum Number of shares through the record date;

(ii) immediate notice if the Nominating Stockholder ceases to own the Minimum Number of shares prior to the date of the Annual Meeting;

(iii) a copy of the Schedule 14N (or any successor form) relating to the Stockholder Nominee, completed and filed with the Securities and Exchange Commission by the Nominating Stockholder as applicable, in accordance with Securities and Exchange Commission rules;

(iv) the written consent of each Stockholder Nominee to being named in the Corporation's proxy statement, form of proxy and ballot as a nominee and to serving as a director if elected;

(v) a written notice of the nomination of such Stockholder Nominee that includes the following additional information, agreements, representations and warranties by the Nominating Stockholder (including, for the avoidance of doubt, each group member): (1) the information that would be required to be set forth in a stockholder's notice of nomination pursuant to *Section 2* of this *Article III*; (2) a description of any agreement, arrangement or understanding (including, regardless of the form of settlement, any derivative, long or short positions, profit interests, forwards, futures, swaps, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions and borrowed or loaned shares) that has been entered into by or on behalf of, or any other agreement, arrangement or understanding that has been made, the effect or intent of which is to create or mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such Nominating Stockholder with respect to the Corporation's securities; (3) the details of any relationship that existed within the past three years and that would have been described pursuant to Item 6(e) of Schedule 14N (or any successor item) if it existed on the date of submission of the Schedule 14N; (4) a representation and warranty that the Nominating Stockholder did not acquire, and is not holding, securities of the Corporation for the purpose or with the effect of influencing or changing control of the Corporation; (5) a representation and warranty that the Nominating Stockholder has not nominated and will not nominate for election to the Board of Directors at the Annual Meeting any person other than such Nominating Stockholder's Stockholder Nominee(s); (6) a representation and warranty that the Nominating Stockholder has not engaged in and will not engage in a "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act (without reference to the exception in Section 14a-1(2)(iv)) with respect to the Annual Meeting, other than with respect to such Nominating Stockholder's Stockholder Nominee(s) or any

nominee of the Board of Directors; (7) a representation and warranty that the Nominating Stockholder will not use any proxy card other than the Corporation's proxy card in soliciting stockholders in connection with the election of a Stockholder Nominee at the Annual Meeting (8) a representation and warranty that the Stockholder Nominee's candidacy or, if elected, board membership would not violate applicable state or federal law or the rules of any stock exchange on which the Corporation's securities are traded (the "Stock Exchange Rules"); (9) a representation and warranty that the Stockholder Nominee: (A) qualifies as independent under the Stock Exchange Rules; (B) meets the audit committee and compensation committee independence requirements under the Stock Exchange Rules; (C) is a "non-employee director" for the purposes of Rule 16b-3 under the Exchange Act (or any successor rule); (D) is an "outside director" for the purposes of Section 162(m) of the Internal Revenue Code (or any successor provision); (E) meets the director qualifications set forth in *Section 1* of this *Article III*; and (F) is not and has not been subject to any event specified in Rule 506(d)(1) of Regulation D (or any successor rule) under the Securities Act of 1933 or Item 401(f) of Regulation S-K (or any successor rule) under the Exchange Act, without reference to whether the event is material to an evaluation of the ability or integrity of the Stockholder Nominee; (10) a representation and warranty that the Nominating Stockholder satisfies the eligibility requirements set forth in *Section 15(c)*; (11) a representation and warranty that the Nominating Stockholder will continue to satisfy the eligibility requirements described in *Section 15(c)* through the date of the Annual Meeting; (12) a representation as to the Nominating Stockholder's intentions with respect to continuing to hold the Minimum Number of shares for at least one year following the Annual Meeting; (13) details of any position of the Stockholder Nominee as an officer or director of any competitor (that is, any entity that produces products or provides services that compete with or are alternatives to the principal products produced or services provided by the Corporation or its affiliates) of the Corporation, within the three years preceding the submission of the Nomination Notice; (14) if desired, a statement for inclusion in the proxy statement in support of the Stockholder Nominee's election to the Board of Directors, provided that such statement shall not exceed 500 words and shall fully comply with Section 14 of the Exchange Act and the rules and regulations thereunder; and (15) in the case of a nomination by a group, the designation by all group members of one group member that is authorized to act on behalf of all group members with respect to matters relating to the nomination, including withdrawal of the nomination; and

(vi) an executed agreement, in a form deemed satisfactory by the Board of Directors or its designee acting in good faith, pursuant to which the Nominating Stockholder (including each group member) agrees: (1) to comply with all applicable laws, rules and regulations in connection with the nomination, solicitation and election; (2) to file any written solicitation or other communication with the Corporation's stockholders relating to one or more of the Corporation's directors or director nominees or any Stockholder Nominee with the Securities and Exchange Commission, regardless of whether any such filing is required under any rule or regulation or whether any exemption from filing is available for such materials under any rule or regulation; (3) to assume all liability stemming from an action, suit or proceeding concerning any actual or alleged legal or regulatory violation arising out of any communication by the Nominating Stockholder or the Stockholder Nominee nominated by such Nominating Stockholder

with the Corporation, its stockholders or any other person in connection with the nomination or election of directors, including, without limitation, the Nomination Notice; (4) to indemnify and hold harmless (jointly with all other group members, in the case of a group member) the Corporation and each of its directors, officers and employees individually against any liability, loss, damages, expenses or other costs (including attorneys' fees) incurred in connection with any threatened or pending action, suit or proceeding, whether legal, administrative or investigative, against the Corporation or any of its directors, officers or employees arising out of or relating to a failure or alleged failure of the Nominating Stockholder or Stockholder Nominee to comply with, or any breach or alleged breach of, its, or his or her, as applicable, obligations, agreements or representations under this *Section 15*; (5) in the event that any information included in the Nomination Notice, or any other communication by the Nominating Stockholder (including with respect to any group member) with the Corporation, its stockholders or any other person in connection with the nomination or election ceases to be true and accurate in all material respects (or due to a subsequent development omits a material fact necessary to make the statements made not misleading), to promptly (and in any event within 48 hours of discovering such misstatement or omission) notify the Corporation and any other recipient of such communication of the misstatement or omission in such previously provided information and of the information that is required to correct the misstatement or omission; and (6) in the event that the Nominating Stockholder (including any group member) has failed to continue to satisfy the eligibility requirements described in *Section 15(c)*, to promptly notify the Corporation; and

(vii) an executed agreement, in a form deemed satisfactory by the Board of Directors or its designee, acting in good faith, by the Stockholder Nominee: (1) to provide to the Corporation such other information, including completion of the Corporation's director nominee questionnaire, as it may reasonably request; (2) that the Stockholder Nominee has read and agrees, if elected, to serve as a member of the Board of Directors, to adhere to the Corporation's Corporate Governance Policies and Code of Business Conduct and any other Corporation policies and guidelines applicable to directors; and (3) that the Stockholder Nominee is not and will not become a party to (A) any compensatory, payment or other financial agreement, arrangement or understanding with any person or entity (a "Compensation Arrangement") in connection with such person's nomination or candidacy for director of the Corporation that has not been disclosed to the Corporation prior to or concurrently with the Nominating Stockholder's submission of the Nomination Notice, (B) any Compensation Arrangement in connection with service or action as a director of the Corporation, (C) any agreement, arrangement or understanding with any person or entity as to how the Stockholder Nominee would vote or act on any issue or question as a director (a "Voting Commitment") that has not been disclosed to the Corporation prior to or concurrently with the Nominating Stockholder's submission of the Nomination Notice or (D) any Voting Commitment that could limit or interfere with the Nominee's ability to comply, if elected as a director of the Corporation, with his or her fiduciary duties under applicable law.

The information and documents required by this *Section 15(d)* shall be (i) provided with respect to and executed by each group member of the Nominating Stockholder; and (ii) provided with respect to the persons specified in Instructions 1 and 2 to Items 6(c) and (d)

of Schedule 14N (or any successor item) in the case of a Nominating Stockholder or group member that is an entity. The Nomination Notice shall be deemed submitted on the date on which all the information and documents referred to in this *Section 15(d)* (other than such information and documents contemplated to be provided after the date the Nomination Notice is provided) have been delivered to or, if sent by mail, received by the Secretary of the Corporation.

(e) (i) Notwithstanding anything to the contrary contained in this *Section 15*, the Corporation may omit from its proxy statement any Stockholder Nominee, and any information concerning such Stockholder Nominee (including a Nominating Stockholder's statement in support), and in such case no vote on such Stockholder Nominee will occur (notwithstanding that proxies in respect of such vote may have been received by the Corporation), and the Nominating Stockholder may not, after the last day on which a Nomination Notice would be timely, cure in any way any defect preventing the nomination of the Stockholder Nominee, if: (1) the Corporation receives a notice that a stockholder intends to nominate a candidate for director at the Annual Meeting pursuant to the advance notice requirements set forth in *Section 2* of this *Article III* without such stockholder's notice expressly electing to have such director candidate(s) included in the Corporation's proxy statement pursuant to this *Section 15*; (2) the Nominating Stockholder or the designated lead group member, as applicable, or any qualified representative thereof, does not appear at the Annual Meeting to present the nomination submitted pursuant to this *Section 15* or the Nominating Stockholder withdraws its nomination; (3) the Board of Directors, acting in good faith, determines that such Stockholder Nominee's nomination or election to the Board of Directors would result in the Corporation violating or failing to be in compliance with these By-laws or the Certificate of Incorporation or any applicable law, rule or regulation to which the Corporation is subject, including the Stock Exchange Rules; (4) the Stockholder Nominee was nominated for election to the Board of Directors pursuant to this *Section 15* at one of the Corporation's two preceding Annual Meetings of Stockholders and either withdrew from or became ineligible or unavailable for election at such Annual Meeting or received a vote of less than 25% of the shares of common stock entitled to vote for such Stockholder Nominee; (5) the Stockholder Nominee has been, within the past three years, an officer or director of a competitor, as defined for purposes of Section 8 of the Clayton Antitrust Act of 1914, as amended; or (6) the Corporation is notified, or the Board of Directors or its designee acting in good faith determines, that a Nominating Stockholder has failed to continue to satisfy the eligibility requirements described in *Section 15(c)*, any of the representations and warranties made in the Nomination Notice ceases to be true and accurate in all material respects (or omits a material fact necessary to make the statement made not misleading), the Stockholder Nominee becomes unwilling or unable to serve on the Board of Directors or any violation or breach occurs of any of the obligations, agreements, representations or warranties of the Nominating Stockholder or the Stockholder Nominee under this *Section 15*.

(ii) Notwithstanding anything to the contrary contained in this *Section 15*, the Corporation may omit from its proxy statement, or may supplement or correct, any information, including all or any portion of the statement in support of the Stockholder Nominee included in the Nomination Notice, if the Board of Directors or its designee in

good faith determines that: (1) such information is not true in all material respects or omits a material statement necessary to make the statements made not misleading; (2) such information directly or indirectly impugns the character, integrity or personal reputation of, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation, with respect to, any individual, corporation, partnership, association or other entity, organization or governmental authority; (3) the inclusion of such information in the proxy statement would otherwise violate the Securities and Exchange Commission proxy rules or any other applicable law, rule or regulation or (4) the inclusion of such information in the proxy statement would impose a material risk of liability upon the Corporation.

The Company may solicit against, and include in the proxy statement its own statement relating to, any Stockholder Nominee.

Before payment of any dividend, there may be set aside out of any funds of the Corporation available for dividends such sum or sums as the Board of Directors from time to time, in its absolute discretion, deems proper as a reserve or reserves to meet contingencies, or for equalizing dividends, or for repairing or maintaining any property of the Corporation, or for any proper purpose, and the Board of Directors may modify or abolish any such reserve.

SECTION 2. *Disbursements.* All checks or demands for money and notes of the Corporation shall be signed by such officer or officers or such other person or persons as the Board of Directors may from time to time designate.

SECTION 3. *Fiscal Year.* The fiscal year of the Corporation shall be fixed by resolution of the Board of Directors.

SECTION 4. *Corporate Seal.* The corporate seal shall have inscribed thereon the name of the Corporation, the year of its organization and the words "Corporate Seal, Delaware". The seal may be used by causing it or a facsimile thereof to be impressed or affixed or reproduced or otherwise.

SECTION 5. *Stock Held by Corporation.* Powers of attorney, proxies, waivers of meeting, consents and other instruments relating to securities owned by the Corporation may be executed in the name and on behalf of the Corporation by the Chairman of the Board, the Chief Executive Officer, or such other officer or officers as the Board of Directors or the Chairman of the Board may designate, and any such officer shall have full power and authority on behalf of the Corporation, in person or by proxy, to attend, and to act and vote at, any meeting of stockholders of any corporation in which the Corporation may hold securities, and at any such meeting shall possess, and may exercise, any and all of the rights and powers incident to the ownership of such securities.

SECTION 6. *Forum for Adjudication of Disputes.* Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware (the "Court of Chancery") (or, if and only if the Court of Chancery lacks subject matter jurisdiction, any state court located within the State of Delaware or, if and only if all such state courts lack subject matter jurisdiction, the federal district court for the District of Delaware) shall, to the fullest extent permitted by law, be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Corporation, (ii) any action or proceeding asserting a claim of breach of a fiduciary duty owed by any current or former director, officer or stockholder of the Corporation to the Corporation or the Corporation's stockholders, (iii) any action or proceeding asserting a claim arising pursuant to, or seeking to enforce any right, obligation or remedy under, any provision of the General Corporation Law of the State of Delaware, the Certificate of

ARTICLE VIII
INDEMNIFICATION

SECTION 1. *Power to Indemnify in Actions, Suits or Proceedings other than Those by or in the Right of the Corporation.* Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

SECTION 2. *Power to Indemnify in Actions, Suits or Proceedings by or in the Right of the Corporation.* Subject to Section 3 of this Article VIII, the Corporation shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation; except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the Corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite adjudication of liability but in view of all the circumstances of

the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

SECTION 3. *Authorization of Indemnification.* Any indemnification under this *Article VIII* (unless ordered by a court) shall be made by the Corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in *Section 1* or *Section 2* of this *Article VIII*, as the case may be. Such determination shall be made (i) by the Board of Directors by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (ii) if such a quorum is not obtainable, or, even if obtainable a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or (iii) by the stockholders. To the extent, however, that a director, officer, employee or agent of the Corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in *Section 1* or *Section 2* of this *Article VIII*, or in defense of any claim, issue or matter therein, he shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith, without the necessity of authorization in the specific case.

SECTION 4. *Good Faith Defined.* For purposes of any determination under *Section 3* of this *Article VIII*, a person shall be deemed to have acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Corporation, or, with respect to any criminal action or proceeding, to have had no reasonable cause to believe his conduct was unlawful, if his action is based on the records or books of account of the Corporation or another enterprise, or on information, opinions, reports or statements supplied to him by the officers or employees of the Corporation or another enterprise in the course of their duties, or by a committee of the Board of Directors of the Corporation, or on the advice of legal counsel for the Corporation or another enterprise or on information or records given or reports or statements made to the Corporation or another enterprise by an independent certified public accountant, by an appraiser or by another person selected with reasonable care by or on behalf of the Corporation or another enterprise as to matters such person reasonably believes are within such certified public accountant's, appraiser's, or other person's professional or expert competence. The term "another enterprise" as used in this *Section 4* shall mean any other corporation or any partnership, joint venture, trust or other enterprise of which such person is or was serving at the request of the Corporation as a director, officer, employee or agent. The provisions of this *Section 4* shall not be deemed to be exclusive or to limit in any way the circumstances in which a person may be deemed to have met the applicable standard of conduct set forth in *Sections 1* or *2* of this *Article VIII*, as the case may be.

SECTION 5. *Indemnification by a Court.* Notwithstanding any contrary determination in the specific case under *Section 3* of this *Article VIII*, and notwithstanding the absence of any determination thereunder, any director, officer, employee or agent may apply to any court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under *Sections 1* and *2* of this *Article VIII*. The basis of such indemnification by a court shall be a determination

by such court that indemnification of the director, officer, employee or agent is proper in the circumstances because he has met the applicable standards of conduct set forth in *Sections 1 or 2 of this Article VIII*, as the case may be. Notice of any application for indemnification pursuant to this Section 5 shall be given to the Corporation promptly upon the filing of such application.

SECTION 6. *Expenses Payable in Advance.* Expenses incurred in defending or investigating a threatened or pending action, suit or proceeding may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay such amount if it shall ultimately be determined that he is not entitled to be indemnified by the Corporation as authorized in this *Article VIII*.

SECTION 7. *Non-exclusivity and Survival of Indemnification.* The indemnification and advancement of expenses provided by this *Article VIII* shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under any By-law, agreement, contract, vote of stockholders or disinterested directors or pursuant to the direction (howsoever embodied) of any court of competent jurisdiction or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, it being the policy of the Corporation that indemnification of the persons specified in *Sections 1 and 2 of this Article VIII* shall be made to the fullest extent permitted by law. The provisions of this *Article VIII* shall not be deemed to preclude the indemnification of any person who is not specified in *Sections 1 or 2 of this Article VIII* but whom the Corporation has the power or obligation to indemnify under the provisions of the General Corporation Law of the State of Delaware, or otherwise. The indemnification and advancement of expenses provided by this *Article VIII* shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of the heirs, executors and administrators of such person.

SECTION 8. *Insurance.* The Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the Corporation, or is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against him and incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power or the obligation to indemnify him against such liability under the provisions of this *Article VIII*.

SECTION 9. *Meaning of "Corporation" for Purposes of Article VIII.* For purposes of this *Article VIII*, references to "the Corporation" shall include, in addition to the resulting corporation, any constituent corporation (including any constituent of a constituent) absorbed in a consolidation or merger which, if its separate existence had continued, would have had power and authority to indemnify its directors, officers, and employees or agents, so that any person who is or was a director, officer, employee or agent of such constituent corporation, or is or was serving at the request of such constituent corporation as a director, officer, employee or agent of another corporation,

partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this *Article VIII* with respect to the resulting or surviving corporation as he would have with respect to such constituent corporation if its separate existence had continued.

NEWS RELEASE

Occidental Delivers Revised Proposal to Acquire Anadarko

\$76.00 Per Share Offer – 78% Cash and 22% Stock

Increased Cash Portion of \$59 Per Share Provides Significant Immediate Value, Greater Closing Certainty and Enhanced Accretion

HOUSTON, May 5, 2019 -- Today, [Occidental Petroleum Corporation](#) ("Occidental" or "the Company") (NYSE: OXY) delivered a letter to the Board of Directors of Anadarko Petroleum Corporation ("Anadarko") (NYSE: APC) setting forth the terms of a revised and significantly enhanced superior proposal to acquire Anadarko for \$76.00 per share comprised of \$59.00 in cash and 0.2934 shares of Occidental common stock per share of Anadarko common stock.

The revised proposal, which has been unanimously approved by the Occidental Board of Directors, represents a premium of approximately 23.3% to the \$61.62 per share value of Chevron's pending offer as of market close on May 3, 2019.

On April 29, 2019, Anadarko announced its Board of Directors had determined that Occidental's prior proposal, made on April 24, could reasonably be expected to result in a "Superior Proposal", and the two companies have engaged since that determination.

"We firmly believe that Occidental is uniquely positioned to drive significant value and growth from Anadarko's highly complementary asset portfolio," said Occidental President and CEO, Vicki Hollub. "This combination will create a global energy leader with the scale and geographic diversification to drive compelling returns to the shareholders of both companies," she added.

"The financial support of Berkshire Hathaway as well as the agreement we announced with Total allows us to delever our balance sheet while focusing our integration efforts on the assets that will provide the most value for us," she continued.

Agreement to Sell Anadarko Assets to Total

In a separate release issued today, Occidental announced that, in connection with the Company's proposal to acquire Anadarko, it has entered into a binding agreement to sell Anadarko's Algeria, Ghana, Mozambique and South Africa assets to Total S.A. ("Total") (NYSE: TOT) for \$8.8 billion. Additional details regarding the agreement are available in that release.

Letter to Anadarko

The following is a copy of the letter that Occidental delivered to Anadarko's Board of Directors:

Board of Directors
Anadarko Petroleum Corporation
c/o H. Paulett Eberhart
and R. A. Walker

May 5, 2019

Dear Members of the Anadarko Board of Directors:

We are pleased to submit our revised proposal to acquire Anadarko for \$76 per share, comprised of \$59 in cash and 0.2934 shares of Occidental common stock per Anadarko share. Our Board of Directors has unanimously approved this proposal and we are enclosing the merger agreement, attaching disclosure schedules of Anadarko and Occidental, which we are prepared to sign, together with a copy of our equity commitment from Berkshire Hathaway and our debt commitment from BofA Merrill Lynch and Citi.

Our revised proposal represents a premium of approximately 23.3% to the \$61.62 per share value of Chevron's offer as of Friday's market close. The significantly increased cash component provides value and closing certainty and the equity component continues to provide your shareholders an opportunity to participate in the value creation of this exciting combination. Our revised proposal does not require an Occidental shareholder vote, which has been repeatedly cited as the explanation for why you previously chose Chevron's \$65 offer over our \$76 offer.

Anadarko announced on April 29 that the Board of Directors of Anadarko had determined that our April 24 proposal of \$76 comprised of \$38 in cash and 0.6094 shares of Occidental common stock per Anadarko share, could reasonably be expected to result in a "Superior Proposal" as defined in your agreement with Chevron. We hope that the Board of Directors of Anadarko will promptly declare our revised and significantly enhanced proposal a "Superior Proposal," so that you can comply with your obligations under your existing merger agreement and expeditiously secure this compelling value for Anadarko shareholders.

Our revised proposal and merger agreement represents our comprehensive response to all points that your counsel has raised with ours over the course of the past week. Your counsel communicated to ours on Thursday evening a request for three board seats on the Occidental board. We believe our revised proposal, which is 78% cash, does not support this and therefore we have not included such a provision. The \$1 billion breakup fee that resulted from your decision to select a \$65 merger rather than the \$76 per share we offered three weeks ago, will be borne by Occidental once we acquire Anadarko.

Our merger agreement does not contain any financing condition or, as noted above, any Occidental shareholder approval condition, and we do not anticipate any delay to completing the regulatory approval process. We would expect to be in a position to close a transaction in the second half of 2019. As you are aware, our financial advisors are BofA Merrill Lynch and Citi, and our legal advisors are Cravath, Swaine & Moore LLP, and we and they are available if you have any questions.

We remain perplexed at your apparent resistance to obtaining far more value for Anadarko shareholders which has been expressed clearly through our interactions over the last week. As you know from our long-standing interest, we firmly believe that Occidental is uniquely positioned to create significant and sustainable growth and value from Anadarko's asset portfolio. We hope we can execute this merger agreement without delay and proceed to bringing this exciting combination to fruition.

Sincerely,

Vicki Hollub
President and Chief Executive Officer
Occidental Petroleum Corporation

Forward-looking statements involve estimates, expectations, projections, goals, forecasts, assumptions, risks and uncertainties. Actual results may differ from anticipated results, sometimes materially, and reported or expected results should not be considered an indication of future performance. Factors that could cause actual results to differ include, but are not limited to: the ultimate outcome of any possible transaction between Occidental and Anadarko, including the possibility that Anadarko will reject the proposed transaction with Occidental or that the terms of any definitive agreement will be materially different from those described above; uncertainties as to whether Anadarko will cooperate with Occidental regarding the proposed transaction; Occidental's ability to consummate the proposed transaction with Anadarko or the proposed transactions with Total; the conditions to the completion of the proposed transactions, including the receipt of Anadarko stockholder approval for the proposed transaction between Occidental and Anadarko; that the regulatory approvals required for the proposed transactions may not be obtained on the terms expected or on the anticipated schedule or at all; Occidental's ability to finance the proposed transaction with Anadarko, including completion of any contemplated equity investment; Occidental's indebtedness, including the substantial indebtedness Occidental expects to incur in connection with the proposed transaction with Anadarko and the need to generate sufficient cash flows to service and repay such debt; Occidental's ability to meet expectations regarding the timing, completion and accounting and tax treatments of the transactions contemplated by the binding agreement with Total; Occidental's ability to meet expectations regarding the timing, completion and accounting and tax treatments of the proposed transaction with Anadarko; the possibility that Occidental may be unable to achieve expected synergies and operating efficiencies within the expected time-frames or at all and to successfully integrate Anadarko's operations with those of Occidental; that such integration may be more difficult, time-consuming or costly than expected; that operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers or suppliers) may be greater than expected following the proposed transaction or the public announcement of the proposed transaction; the retention of certain key employees of Anadarko may be difficult; that Anadarko and Occidental are subject to intense competition and increased competition is expected in the future; general economic conditions that are less favorable than expected. Additional risks that may affect Occidental's results of operations and financial position appear in Part I, Item 1A "Risk Factors" of Occidental's Annual Report on Form 10-K for the year ended December 31, 2018, and in Occidental's other filings with the U.S. Securities and Exchange Commission ("SEC").

Further, any forward-looking statement speaks only as of the date of this press release and, unless legally required, Occidental does not undertake any obligation to update any forward-looking statement, as a result of new information, future events or otherwise.

Occidental Agrees to Contingent Sale of Anadarko African Assets to Total for \$8.8 Billion

HOUSTON, May 5, 2019 – [Occidental Petroleum Corporation](#) (“Occidental” or “the Company”) (NYSE: OXY) announced today that, in connection with Occidental’s proposal to acquire Anadarko Petroleum Corporation (“Anadarko”) (NYSE: APC), it has entered into a binding agreement to sell Anadarko’s Algeria, Ghana, Mozambique and South Africa assets to Total S.A. (“Total”) (NYSE: TOT) for \$8.8 billion. The sale is contingent upon Occidental entering into and completing its proposal to acquire Anadarko, and would be expected to close simultaneously or as soon as reasonably practicable afterwards.

The assets to be sold to Total represent approximately 6% of the expected net production and approximately 7% of the cash flow after capital expenditures of Occidental in 2020 pro forma for the acquisition of Anadarko.

The proceeds of the sale of these high quality non-strategic assets covers a portion of the cash consideration to fund the proposed acquisition of Anadarko. The sale fast-tracks the divestiture plan previously described by Occidental, delivering on the majority of the \$10 to \$15 billion of planned asset sales. It also reduces the overall integration demands of the acquisition. After giving effect to the asset sale, Occidental continues to expect to deliver \$2.0 billion of annual cost synergies and \$1.5 billion of annual capital reductions from the proposed acquisition of Anadarko.

“We are pleased to have secured this agreement with Total. The \$8.8 billion value to be received for Africa represents an attractive value based on our extensive evaluation over the last 18 months. Given our long history of working together productively, I am confident we can execute this sale quickly and efficiently,” said Occidental President and CEO Vicki Hollub. “Total has extensive experience working in Africa and is well positioned to maximize value from these assets.”

“These are world class assets with great upside, and we welcome the opportunity to leverage our expertise in LNG and deepwater developments as well as our long history of operating in Africa,” said Patrick Pouyanné, Chairman and CEO of Total. “We have worked successfully with Occidental for many years and we are committed to execute smoothly this transaction.”

Forward-looking statements involve estimates, expectations, projections, goals, forecasts, assumptions, risks and uncertainties. Actual results may differ from anticipated results, sometimes materially, and reported or expected results should not be considered an indication of future performance. Factors that could cause actual results to differ include, but are not limited to: the ultimate outcome of any possible transaction between Occidental and Anadarko, including the possibility that Anadarko will reject the proposed transaction with Occidental or that the terms of any definitive agreement will be materially different from those described above; uncertainties as to whether Anadarko will cooperate with Occidental regarding the proposed transaction; Occidental's ability to consummate the proposed transaction with Anadarko or the proposed transactions with Total; the conditions to the completion of the proposed transactions, including the receipt of Anadarko stockholder approval for the proposed transaction between Occidental and Anadarko; that the regulatory approvals required for the proposed transactions may not be obtained on the terms expected or on the anticipated schedule or at all; Occidental's ability to finance the proposed transaction with Anadarko, including completion of any contemplated equity investment; Occidental's indebtedness, including the substantial indebtedness Occidental expects to incur in connection with the proposed transaction with Anadarko and the need to generate sufficient cash flows to service and repay such debt; Occidental's ability to meet expectations regarding the timing, completion and accounting and tax treatments of the transactions contemplated by the binding agreement with Total; Occidental's ability to meet expectations regarding the timing, completion and accounting and tax treatments of the proposed transaction with Anadarko; the possibility that Occidental may be unable to achieve expected synergies and operating efficiencies within the expected time-frames or at all and to successfully integrate Anadarko's operations with those of Occidental; that such integration may be more difficult, time-consuming or costly than expected; that operating costs, customer loss and business disruption (including, without limitation, difficulties in maintaining relationships with employees, customers or suppliers) may be greater than expected following the proposed transaction or the public announcement of the proposed transaction; the retention of certain key employees of Anadarko may be difficult; that Anadarko and Occidental are subject to intense competition and increased competition is expected in the future; general economic conditions that are less favorable than expected.
