SENIOR DEBT SECURITIES

Occidental Petroleum Corporation ("Occidental") may offer from time to time pursuant to this Prospectus its senior unsecured debt securities consisting of notes, debentures or other evidences of indebtedness (the "Debt Securities"). The Debt Securities will be limited to \$750,000,000 aggregate public offering price (or, if applicable, the equivalent thereof in any foreign currency or composite currency or currency unit, based on the applicable exchange rate in effect at the time of the sale of such Debt Securities). The Debt Securities may be offered as a single series or as two or more separate series in amounts, at prices and on terms to be determined in light of market conditions at the time of sale and to be set forth in one or more Prospectus Supplements.

The terms of each series of Debt Securities, including, where applicable, the specific designation, the aggregate principal amount, the authorized denominations, the maturity, the rate or rates and the time or times of payment of any interest, any terms for optional or mandatory redemption or payment of additional amounts or any sinking fund provisions, the initial public offering price, the proceeds to Occidental and any other specific terms in connection with the offering and sale of such series will be set forth in one or more Prospectus Supplements. As used herein, Debt Securities shall include securities denominated in United States dollars or, at the option of Occidental if so specified in an applicable Prospectus Supplement, in any other currency or in composite currencies or currency units or in amounts determined by reference to an index. This Prospectus may not be used to consummate sales of Debt Securities unless accompanied by a Prospectus Supplement.

The Debt Securities may be sold to or through one or more underwriters or dealers, directly by Occidental, or through one or more agents designated from time to time. See "Plan of Distribution." If any underwriter or agent of Occidental is involved in the sale of any Debt Securities in respect of which this Prospectus is being delivered, the name of such underwriter or agent and any applicable commission or discount will be set forth in a Prospectus Supplement. The net proceeds to Occidental from such sale also will be set forth in such Prospectus Supplement.

The Debt Securities may be issued in registered form or bearer form or both. Debt Securities issued in bearer form may be offered only to non-United States persons and to offices located outside the United States of certain United States financial institutions. If the Debt Securities of any series are issuable in bearer form, certain limitations on such issuance will be set forth in an applicable Prospectus Supplement.

For a discussion of certain United States Federal income tax consequences to holders of Debt Securities, see "United States Taxation."

OCCIDENTAL PETROLEUM CORPORATION

Occidental, a Delaware corporation, explores for, develops, produces and markets crude oil and natural gas; engages in interstate and intrastate natural gas transmission and marketing; and manufactures and markets a variety of basic chemicals, petrochemicals and polymers and plastics. Occidental conducts its principal operations through three subsidiaries: Occidental Oil and Gas Corporation, MidCon Corp. and Occidental Chemical Corporation. Occidental's executive offices are located at 10889 Wilshire Boulevard, Los Angeles, California 90024; telephone (310) 208-8800.

USE OF PROCEEDS

Unless otherwise indicated in an applicable Prospectus Supplement, Occidental intends to use the net proceeds from the sale of the Debt Securities for general corporate purposes, primarily the retirement of outstanding indebtedness.

RATIOS OF EARNINGS TO FIXED CHARGES

The following are Occidental's total enterprise ratios of earnings to fixed charges for each of the periods indicated:

THREE MONTHS ENDED MARCH 31,		YEARS ENDED DECEMBER 31,				
1995	1994	1994	1993	1992	1991	1990
2.7	--(a)	--(b)	1.41	1.30	1.70	--(c)

(a) For the three months ended March 31, 1994, earnings were inadequate to cover fixed charges by \$58 million.

(b) For the year ended December 31, 1994, earnings were inadequate to cover fixed charges by \$1 million.

(c) For the year ended December 31, 1990, earnings were inadequate to cover fixed charges by \$1.547 billion.

Earnings are based on Occidental's consolidated income from continuing operations, before taxes on income (other than foreign oil and gas taxes) and before fixed charges. Fixed charges consist of interest and debt expense, including the proportionate share of interest and debt expense of 50-percent-owned equity investments, the portion of lease rentals representative of the interest factor and preferred dividends to minority stockholders of subsidiaries adjusted to a pretax basis.

DESCRIPTION OF THE DEBT SECURITIES

The following description of the terms of the Debt Securities sets forth certain general terms and provisions of the Debt Securities to which any Prospectus Supplement may relate. The particular terms of the Debt Securities offered by any Prospectus Supplement (the "Offered Securities") and the extent to which such general provisions may apply to the Offered Securities will be described in a Prospectus Supplement relating to such Offered Securities.

The Debt Securities will be issued under an Indenture, to be dated as of May 1, 1995 (the "Indenture"), between Occidental and The Bank of New York, as trustee (the "Trustee"). The terms of the Debt Securities include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and holders of the Debt Securities are referred to the Indenture and the Trust Indenture Act for a statement thereof. The following summary of certain provisions of the Debt Securities and of the Indenture does not purport to be complete and is qualified in its entirety by reference to the Indenture, the proposed form of which has been filed as an exhibit to the Registration Statement of which this Prospectus is a part. Capitalized terms used but not defined herein have the meanings given to them in the Indenture. The term "Securities," as used under this caption, refers to all securities issued or issuable from time to time under the Indenture and includes the Debt Securities.

GENERAL

The Indenture will not limit the aggregate principal amount of Securities that may be issued thereunder, and Securities may be issued thereunder from time to time as a single series or in two or more separate series. As of the date of this Prospectus, Occidental has authorized the issuance under the Indenture of up to \$750,000,000 aggregate public offering price of the Debt Securities, none of which was outstanding as of the date of this Prospectus. The Indenture will not limit the ability of Occidental or its subsidiaries to incur additional unsecured indebtedness.

The Securities will be senior unsecured obligations of Occidental. However, substantially all of Occidental's operations are conducted through subsidiaries, and any right of Occidental to receive assets of any of its subsidiaries upon the liquidation or recapitalization of any such subsidiary (and the consequent right of Holders of the Securities to participate in those assets) will be subject to the claims of such subsidiary's creditors, except to the extent that Occidental is itself recognized as a creditor of such subsidiary. Even in the event Occidental is recognized as a creditor of a subsidiary, Occidental's claims would still be subject to any security interests in the assets of such subsidiary and any indebtedness or other liability of such subsidiary senior to Occidental's claims. Accordingly, by operation of the foregoing principles, the Securities will be effectively subordinated to all indebtedness and other liabilities, including trade accounts payable, of Occidental's subsidiaries. As of March 31, 1995, the total amount of indebtedness and other liabilities of such subsidiaries that would have been senior to the Holders' rights under the Securities within the meaning of the two preceding sentences was approximately \$3.3 billion (excluding interest).

Reference is made to the Prospectus Supplement that accompanies this Prospectus for a description of the specific terms of the Offered Securities to which such Prospectus Supplement relates, including, without limitation: (i) the title of the Offered Securities; (ii) any limit on the aggregate principal amount of the Offered Securities; (iii) whether the Offered Securities are to be issuable as Registered Securities, Bearer Securities or both, whether the Offered Securities may be represented by a Security in temporary or definitive global form, and, if so, the initial Depository with respect to such temporary or definitive global Security, and, if other than as provided in Section 304 or Section 305 of the Indenture, as applicable, whether, and the circumstances under which, beneficial owners of interests in any such temporary or definitive global Security may exchange such interests for Securities of such series of like tenor and of any authorized form and denomination; (iv) the price or prices (expressed as a percentage of the aggregate principal amount thereof) at which the Offered Securities will be issued; (v) the date or dates on which the principal of the Offered Securities is payable or the method of determination thereof; (vi) the rate or rates (which may be fixed or variable) at which the Offered Securities will bear interest, if any, or the method of calculating such rate or rates and the date or dates from which such interest, if any, will accrue; (vii) the Interest Payment Dates on which such interest, if any, on the Offered Securities will be payable and the Regular Record Date for any interest payable on any Offered Securities that are Registered Securities on any Interest Payment Date; (viii) the person to whom any interest will be payable on any Offered Security that is a Registered Security, if other than the person in whose name the Offered Security is registered at the close of business on the Regular Record Date for the payment of such interest; (ix) the manner in which, or the person to whom, any interest on any Offered Security that is a Bearer Security will be payable, if other than upon presentation and surrender of the coupons appertaining thereto, and the extent to which, or the manner in which, any interest payable on a temporary or definitive global Security on an Interest Payment Date will be paid; (x) any mandatory or optional sinking fund or analogous provisions and any provisions for the remarketing of the Offered Securities; (xi) each office or agency where, subject to the terms of the Indenture as described below under "Payment and Paying Agents," the principal of and interest, if any, on the Offered Securities will be payable and each office or agency where, subject to the terms of the Indenture as described below under "Form, Exchange, Registration and Transfer," the Offered Securities may be presented for exchange and Offered Securities that are Registered Securities may be presented for registration of transfer; (xii) the date, if any, after or on which, and the price or prices at which, the Offered Securities may, pursuant to any optional or mandatory redemption provisions, be redeemed, in whole or in part, and the other detailed terms and provisions of any such optional or mandatory redemption provisions; (xiii) the denominations in which any Offered Securities that are Registered Securities will be issuable, if other than the denomination of \$1,000 and any integral multiple thereof, and the denominations in which any Offered Securities that are Bearer

Securities will be issuable, if other than denominations of \$5,000 and \$100,000; (xiv) the currency or currencies, including composite currencies or currency units, for which the Offered Securities may be purchased or in which the Offered Securities may be denominated, and/or the currency or currencies, including composite currencies or currency units, for the payment of principal of and interest, if any, on the Offered Securities, if other than U.S. dollars, and, if other than U.S. dollars, whether the Offered Securities may be satisfied and discharged other than as provided in Article Four of the Indenture; (xv) if the amounts of payments of principal of and interest, if any, on the Offered Securities are to be determined by reference to an index, formula or other method, or based on a coin or currency other than that in which the Offered Securities are stated to be payable, the manner in which such amounts shall be determined and the calculation agent, if any, with respect thereto; (xvi) if other than the principal amount thereof, the portion of the principal amount of the Offered Securities that will be payable upon declaration of acceleration of the Maturity thereof pursuant to an Event of Default; (xvii) if other than as defined in the Indenture, the meaning of "Business Day" when used with respect to the Offered Securities; (xviii) if the Offered Securities may be issued or delivered (whether upon original issuance or upon exchange of a temporary Security of such series or otherwise), or any instalment of principal or interest is payable, only upon receipt of certain certificates or other documents or satisfaction of other conditions in addition to those specified in the Indenture, the forms and terms of such certificates, documents or conditions; (xix) any addition to, or modification or deletion of, any Event of Default or any covenant of Occidental specified in the Indenture with respect to the Offered Securities; and (xx) any other terms of the Offered Securities not inconsistent with the provisions of the Indenture. Any such Prospectus Supplement also will describe any special provisions for the payment of additional amounts with respect to the Offered Securities. The variable terms of the Securities are subject to change from time to time, but no such change will affect any Security already issued or as to which an offer to purchase has been accepted by Occidental.

Securities may be issued as Discount Securities, which may be sold at a discount below their principal amount. Special United States Federal income tax considerations applicable to Securities issued at an original issue discount, including Discount Securities, are described generally under "United States Taxation -- Original Issue Discount" and may be described in more detail in any applicable Prospectus Supplement. Special United States Federal tax considerations and other restrictions or terms applicable to any Offered Securities that are (i) issuable in bearer form, (ii) offered exclusively to United States Aliens (as defined in the Indenture) or (iii) denominated in a currency other than United States dollars will be set forth in a Prospectus Supplement relating thereto.

FORM, EXCHANGE, REGISTRATION AND TRANSFER

The Securities of a series may be issued solely as Registered Securities, solely as Bearer Securities (with or without coupons attached) or as both Registered Securities and Bearer Securities. Securities of a series may be issuable in whole or part in the form of one or more global Securities, as described below under "Global Securities."

Registered Securities of any series will be exchangeable for other Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor. In addition, if Securities of any series are issuable as both Registered Securities and as Bearer Securities, at the option of the Holder, subject to the terms of the Indenture, Bearer Securities (accompanied by all unmatured coupons, except as provided below, and all matured coupons in default) of such series will be exchangeable for Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor. Unless otherwise indicated in an applicable Prospectus Supplement, any Bearer Security surrendered in exchange for a Registered Security between a Regular Record Date or a Special Record Date and the relevant date for payment of interest will be surrendered without the coupon relating to such date for payment of interest and such interest will not be payable in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the Holder of such coupon when due in accordance with the terms of the Indenture. Bearer Securities will not be issued in exchange for Registered Securities.

Securities may be presented for exchange as provided above, and, unless otherwise indicated in an applicable Prospectus Supplement, Registered Securities may be presented for registration of transfer (duly

endorsed or accompanied by a duly executed written instrument of transfer), at the office of the Security Registrar or at the office of any transfer agent designated by Occidental for such purpose with respect to any series of Securities and referred to in an applicable Prospectus Supplement, without service charge and upon payment of any taxes and other governmental charges as described in the Indenture. Such exchange or transfer, as the case may be, will be effected upon the Security Registrar or such transfer agent, as the case may be, being satisfied with the documents of title and identity of the person making the request. Occidental has initially appointed the Trustee as Security Registrar. If a Prospectus Supplement refers to any transfer agent (in addition to the Security Registrar) designated by Occidental with respect to any series of Securities, Occidental may at any time rescind the designation of any such transfer agent or approve a change in the location through which any such transfer agent acts, except that, if Securities of a series are issuable only as Registered Securities, Occidental will be required to maintain a transfer agent in each Place of Payment for such series, and, if Securities of a series are issuable as Bearer Securities, Occidental will be required to maintain (in addition to the Security Registrar) a transfer agent in a Place of Payment for such series located outside the United States. Occidental may at any time designate additional transfer agents with respect to any series of Securities.

In the event of any partial redemption of Securities of any series, Occidental will not be required to (i) issue, register the transfer of or exchange Securities of that series during a period beginning at the opening of business 15 days before any selection of Securities of that series to be redeemed and ending at the close of business on (a) if Securities of the series are issuable only as Registered Securities, the day of mailing of the relevant notice of redemption and (b) if Securities of the series are issuable as Bearer Securities, the day of the first publication of the relevant notice of redemption or, if Securities of the series are also issuable as Registered Securities and there is no publication, the mailing of the relevant notice of redemption; (ii) register the transfer of or exchange any Registered Security, or portion thereof, called for redemption, except the unredeemed portion of any Registered Security being redeemed in part; or (iii) exchange any Bearer Security called for redemption, except to exchange such Bearer Security for a Registered Security of that series and of like tenor and principal amount that is immediately surrendered for redemption.

PAYMENT AND PAYING AGENTS

Unless otherwise indicated in an applicable Prospectus Supplement, payment of principal of and interest, if any, on Registered Securities will be made at the office of such Paying Agent or Paying Agents as Occidental may designate from time to time, except that, at the option of Occidental, payment of any interest may be made (i) by check mailed to the address of the Person entitled thereto, as such address shall appear in the Security Register, or (ii) by wire transfer to an account maintained by the Person entitled thereto, as specified in the Security Register. Unless otherwise indicated in an applicable Prospectus Supplement, payment of any instalment of interest on a Registered Security will be made to the Person in whose name such Registered Security is registered at the close of business on the Regular Record Date for such interest instalment.

Unless otherwise indicated in an applicable Prospectus Supplement, payment of principal of and interest, if any, on Bearer Securities will be made, subject to any applicable laws and regulations, at the offices of such Paying Agent or Paying Agents outside the United States as Occidental may designate from time to time, or by check or by transfer to an account maintained by the payee outside the United States. Unless otherwise indicated in an applicable Prospectus Supplement, any payment of an instalment of interest on any Bearer Security will be made only against surrender of the coupon relating to such interest instalment.

Unless otherwise indicated in an applicable Prospectus Supplement, the Trustee, acting through its Corporate Trust Office, will be designated as Occidental's sole Paying Agent for payments with respect to Securities that are issuable solely as Registered Securities and as Occidental's Paying Agent in the Borough of Manhattan, The City of New York, for payments with respect to Securities (subject to any limitations described in any applicable Prospectus Supplement) that are issuable as Bearer Securities. Any Paying Agent outside the United States and any other Paying Agent in the United States initially designated by Occidental for the Offered Securities will be named in an applicable Prospectus Supplement. Occidental may at any time designate one or more additional Paying Agents or rescind the designation of any Paying Agent or approve a

change in the office through which any Paying Agent acts, except that, if Securities of a series are issuable only as Registered Securities, Occidental will be required to maintain a Paying Agent in each Place of Payment for such series, and, if Securities of a series are issuable as Bearer Securities, Occidental will be required to maintain (i) a Paying Agent in the Borough of Manhattan, The City of New York, for payments with respect to any Registered Securities of the series (and for payments with respect to Bearer Securities of the series in the circumstances described in the Indenture, but not otherwise) and (ii) a Paying Agent in a Place of Payment located outside the United States where Securities of such series and any related coupons may be presented and surrendered for payment; provided, however, that if the Securities of such series are listed on The London Stock Exchange or the Luxembourg Stock Exchange or any other stock exchange located outside the United States and such stock exchange shall so require, Occidental will maintain a Paying Agent in London, Luxembourg or any other required city located outside the United States, as the case may be, for the Securities of such series.

All moneys paid by Occidental to a Paying Agent for the payment of principal of or interest, if any, on any Security that remain unclaimed at the end of two years after such principal or interest shall have become due and payable will be repaid to Occidental, and the Holder of such Security or any coupon will thereafter look only to Occidental for payment thereof.

GLOBAL SECURITIES

The Securities of a series may be issued in whole or in part in global form. A Security in global form will be deposited with, or on behalf of, a Depositary, which will be identified in an applicable Prospectus Supplement. A global Security may be issued in either registered or bearer form and in either temporary or definitive form. A Security in global form may not be transferred, except as a whole, by the Depositary for such Security to a nominee of such Depositary, or by a nominee of such Depositary to such Depositary or another nominee of such Depositary, or by such Depositary or any such nominee to a successor of such Depositary or a nominee of such successor. If any Securities of a series are issuable in global form, the applicable Prospectus Supplement will describe the circumstances, if any, under which beneficial owners of interests in any such global Security may exchange such interests for definitive Securities of such series and of like tenor and principal amount in any authorized form and denomination, the manner of payment of principal of and interest, if any, on any such global Security and the specific terms of the depositary arrangement with respect to any such global Security.

CERTAIN COVENANTS OF OCCIDENTAL

Limitation on Liens. Occidental will not, nor will it permit any Consolidated Subsidiary (as defined below) to, incur, create, assume, guarantee or otherwise become liable with respect to any Secured Debt (as defined below), unless the Securities are secured equally and ratably with (or prior to) such Secured Debt. This covenant will not apply to: (i) Liens (as defined below) existing on the date of the Indenture; (ii) Liens existing on property of, or on any shares of stock or Indebtedness of, any corporation at the time such corporation becomes a Consolidated Subsidiary; (iii) Liens in favor of Occidental or a Consolidated Subsidiary; (iv) Liens in favor of governmental bodies to secure progress, advance or other payments; (v) Liens existing on property, shares of stock or Indebtedness at the time of acquisition thereof (including acquisition through merger or consolidation) or Liens to secure the payment of all or any part of the purchase price thereof or the cost of construction, installation, renovation, improvement or development thereon or thereof or to secure any Indebtedness incurred prior to, at the time of, or within 360 days after the later of the acquisition, completion of such construction, installation, renovation, improvement or development or the commencement of full operation of such property or within 360 days after the acquisition of such shares or Indebtedness for the purpose of financing all or any part of the purchase price or cost thereof; and (vi) any extension, renewal or refunding of any Liens referred to in the foregoing clauses (i) through (v). Notwithstanding the foregoing, Occidental and one or more Consolidated Subsidiaries may incur, create, assume, guarantee or otherwise become liable with respect to Secured Debt that would otherwise be subject to the foregoing restrictions if, after giving effect thereto, the aggregate amount of such Secured Debt, together with the aggregate amount of all other such Secured Debt of Occidental and its Consolidated Subsidiaries

then outstanding, plus the Discounted Rental Value (as defined below) in respect of sale and leaseback transactions subject to the restrictions discussed in the following paragraph, would not exceed 10% of consolidated Net Tangible Assets (as defined below).

Limitation on Sale and Leaseback Transactions. Occidental will not nor will it permit any Consolidated Subsidiary to sell and lease back any Principal Domestic Property (as defined below) unless: (i) the transaction is one in which the sale has occurred within 360 days after the later of the acquisition, completion of construction or commencement of full operations of the Principal Domestic Property; (ii) Occidental or such Consolidated Subsidiary could subject such Principal Domestic Property to a Lien pursuant to the provisions described above under "Limitation on Liens" in an amount equal to the Discounted Rental Value with respect to the sale and leaseback transaction without equally and ratably securing the Securities; or (iii) Occidental, within 120 days after such sale, applies or causes to be applied to the retirement of its Funded Debt (as defined below) an amount (subject to credits for certain voluntary retirements of Funded Debt) not less than the greater of (a) the net proceeds of the sale of the Principal Domestic Property leased pursuant to such arrangement or (b) the fair value of the Principal Domestic Property so leased. This restriction will not apply to any sale and leaseback transaction (i) between Occidental and a Consolidated Subsidiary or between Consolidated Subsidiaries or (ii) involving the taking back of a lease for a period, including renewals, of not more than three years.

Other than the limitations in the Indenture on Liens and sale and leaseback transactions described above, the provisions of the Indenture do not afford Holders of the Debt Securities protection in the event of a highly leveraged transaction, reorganization, restructuring, change in control, merger or similar transaction involving Occidental that may adversely affect Holders of the Debt Securities.

CERTAIN DEFINITIONS

"Consolidated Subsidiary" means any Subsidiary included in the financial statements of Occidental and its Subsidiaries prepared on a consolidated basis in accordance with generally accepted accounting principles.

"Discounted Rental Value" means, as to any particular lease under which any Person is at the time liable and at any date as of which the amount thereof is to be determined, the total net amount of rent (after deducting the amount of rent to be received by such Person under noncancelable subleases) required to be paid by such Person under such lease during the remaining noncancelable term thereof (including any such period for which such lease has been extended or may, at the option of the lessor, be extended), discounted from the respective due dates thereof to such date at a rate per annum of 11 3/4%. The net amount of rent required to be paid under any such lease for any such period shall be the aggregate amount of the rent payable by the lessee with respect to such period, after excluding amounts required to be paid on account of maintenance and repairs, insurance, taxes, water rates and similar charges. In the case of any lease which is terminable by the lessee upon the payment of a penalty, such net amount shall also include the amount of such penalty, but no rent shall be considered as required to be paid under such lease subsequent to the first date upon which it may be so terminated. If and to the extent the amount of any rent during any future period is not definitely determinable under the lease in question, the amount of such rent shall be estimated in such reasonable manner as the Board of Directors of Occidental may in good faith determine.

"Funded Debt" means all Indebtedness maturing one year or more from the date of the creation thereof, all Indebtedness directly or indirectly renewable or extendible, at the option of the debtor, by its terms or by the terms of any instrument or agreement relating thereto, to a date one year or more from the date of the creation thereof, and all Indebtedness under a revolving credit or similar agreement obligating the lender or lenders to extend credit over a period of one year or more, even though such Indebtedness may also conform to the definition of Short-Term Borrowing.

"Lien" means and includes any mortgage, pledge, lien, security interest, conditional sale or other title retention agreement or other similar encumbrance to secure Indebtedness for borrowed money but excluding any security interest which a lessor may be deemed to have under a lease and any lien which may be deemed to exist under a Production Payment or under any subordination arrangement. "Production Payment" means any economic interest in oil, gas or mineral reserves which (i) entitles the holder thereof to a specified share of future production from such reserves, free of the costs and expenses of such production and (ii) terminates

when a specified quantity of such share of future production from such reserves has been delivered or a specified sum has been realized from the sale of such share of future production from such reserves.

"Net Tangible Assets" of any specified Person means the total of all assets properly appearing on a balance sheet of such Person prepared in accordance with generally accepted accounting principles, after deducting from such total, without duplication of deductions, (i) all Current Liabilities of such Person; (ii) that portion of the book amount of all such assets which would be treated as intangibles under generally accepted accounting principles, including, without limitation, all such items as goodwill, trademarks, trade names, brands, copyrights, patents, licenses and rights with respect to the foregoing and unamortized debt discount and expense; and (iii) the amount, if any, at which any stock of such Person appears on the asset side of such balance sheet.

"Principal Domestic Property" means any (i) developed oil or gas producing property, (ii) mining property, (iii) processing or manufacturing plant, or (iv) natural gas transmission facility which as of the date of the Indenture is or thereafter is owned or leased by Occidental or any Consolidated Subsidiary and which is located in the continental United States (provided, however, that any such property, plant or facility declared by the Board of Directors by Board Resolution not to be of material importance to the business of Occidental and its Consolidated Subsidiaries taken as a whole will be excluded from the foregoing definition).

"Secured Debt" means any Indebtedness of Occidental or any Consolidated Subsidiary, secured by a Lien on any Principal Domestic Property or on any shares of stock or on any Indebtedness of any Consolidated Subsidiary which owns any Principal Domestic Property.

MERGER AND CONSOLIDATION

Occidental may consolidate with or merge into any other corporation, and Occidental may convey, transfer or lease its properties and assets substantially as an entirety to any Person, provided that: (i) the corporation formed by such consolidation or into which Occidental is merged, or the Person that acquires by conveyance or transfer or which leases the properties and assets of Occidental substantially as an entirety, shall be organized and existing under the laws of the United States, any State thereof or the District of Columbia and shall expressly assume the payment of the principal of and interest on the Securities and the performance of every covenant of the Indenture on the part of Occidental to be performed or observed; and (ii) after giving effect to such transaction, no Event of Default (as described below), and no event which, after notice or lapse of time, or both, would become an Event of Default, shall have happened and be continuing.

EVENTS OF DEFAULT

The following are Events of Default under the Indenture with respect to each series of Securities individually: (i) default in the payment of any instalment of interest on any Security of such series when due, continued for 30 days; or (ii) default in the payment of the principal of any Security of such series when due; or (iii) default in the performance, or breach, of any other Indenture covenant or warranty of Occidental (other than a covenant or warranty that is solely for the benefit of other series of the Securities), continued for 60 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the Outstanding Securities of such series; or (iv) acceleration of any indebtedness for money borrowed by Occidental under the terms of the instrument under which such indebtedness is or may be outstanding, if such indebtedness is not discharged or such acceleration is not annulled or rescinded within 20 days after written notice by the Trustee or the Holders of at least 25% in principal amount of the Outstanding Securities of such series (provided, that no Event of Default under this clause (iv) shall be deemed to exist as a result of an acceleration of any such indebtedness if the principal of and interest on such indebtedness, when added to the principal of and interest on all other such indebtedness which has been accelerated as aforesaid (excluding any such indebtedness which has been discharged or as to which the acceleration has been duly rescinded or annulled), shall not exceed \$50,000,000); or (v) certain events of bankruptcy, insolvency or reorganization of Occidental. If an Event of Default with respect to the Securities of any series occurs and is continuing, the Trustee or Holders of not less than 25% in principal amount of the Outstanding Securities of such series may declare the principal amount (or, if any of the Securities of such series are Discount Securities, such portion of

the principal amount of such Securities as may be specified by the terms thereof) of all of the Securities of such series to be due and payable immediately. Under certain circumstances, the Holders of a majority in principal amount of the Outstanding Securities of such series may rescind such a declaration.

The Holders of a majority in principal amount of the Outstanding Securities of any series may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series, provided that such direction is not in conflict with any rule of law or the Indenture. In case an Event of Default occurs (and is not cured), the Trustee is required to exercise such of its rights and powers under the Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs. Subject to such provisions, the Trustee is under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders of the Securities, unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with any such request or direction.

MODIFICATION AND WAIVER

Occidental and the Trustee may execute a supplemental indenture, without the consent of the Holders of the Securities or any related coupons: (i) to add to the covenants, agreements and obligations of Occidental for the benefit of the Holders of all the Securities of any series or to surrender any right or power conferred in the Indenture upon Occidental; (ii) to evidence the succession of another corporation to Occidental and the assumption by it of the covenants of Occidental in the Indenture and the Securities; (iii) to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions on the payment of principal of or interest, if any, on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the Holders of Securities of any series or any related coupons in any material respect; (iv) to establish the form or terms of Securities of any series and any related coupons as permitted by Sections 201 and 301 of the Indenture; (v) to provide for the acceptance of appointment under the Indenture of a successor Trustee with respect to the Securities of one or more series and to add to or change any provisions of the Indenture as shall be necessary to provide for or facilitate the administration of the trusts by more than one Trustee; (vi) to cure any ambiguity or correct any inconsistency in the Indenture or make other changes, provided that no such action shall adversely affect the interests of the Holders of the Securities; (vii) to add to, change or eliminate any provisions (which addition, change or elimination may apply to one or more series of Securities), provided that any such addition, change or elimination neither (a) applies to any Security of any series created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision nor (b) modifies the rights of the Holder of any such Security with respect to such provision; (viii) to secure the Securities; or (ix) if allowed under applicable laws and regulations, to permit payment in the United States of principal or interest on Bearer Securities or coupons.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of the series affected by such supplemental indenture, Occidental and the Trustee also may execute a supplemental indenture to add provisions to, or change in any manner or eliminate any provisions of, the Indenture with respect to such series of Securities or modify in any manner the rights of the holders of the Securities of such series and any related coupons under the Indenture, provided that no such supplemental indenture will, without the consent of the Holder of each Outstanding Security affected thereby: (i) change the stated maturity of the principal of, or any instalment of interest on, any such Security or any premium payable upon redemption thereof, or reduce the amount of principal of any such Discount Security that would be due and payable upon declaration of acceleration of maturity thereof; (ii) reduce the principal amount of, or the rate of interest on, any such Security; (iii) change the place or currency of payment of principal or interest, if any, on any such Security; (iv) impair the right to institute suit for the enforcement of any payment on or with respect to any such Security; (v) reduce the above-stated percentage of Holders of Securities of any series necessary to modify or amend the Indenture; or (vi) modify the foregoing requirements or reduce the

percentage in principal amount of Outstanding Securities of any series necessary to waive any covenant or past default. Holders of not less than a majority in principal amount of the Outstanding Securities of any series may waive certain past defaults and may waive compliance by Occidental with certain of the restrictive covenants described above with respect to the Securities of such series.

DISCHARGE

Unless otherwise indicated in an applicable Prospectus Supplement, Occidental may terminate at any time its obligations under the Indenture with respect to the Securities of any series by (i)(a) delivering all Outstanding Securities of such series to the Trustee for cancellation or (b) depositing with the Trustee funds or non-callable United States government obligations sufficient to pay all remaining indebtedness on the Securities of such series and (ii) complying with certain other provisions of the Indenture. See "United States Taxation -- Defeasance of Debt Securities."

REPORTS

Occidental is required to furnish to the Trustee annually (i) a statement as to the fulfillment by Occidental of all of its covenants under the Indenture and (ii) within 20 days after the occurrence thereof, notice of each acceleration which, with the giving of notice and the lapse of time, would be an Event of Default, as described above in clause (iv) under "Events of Default."

THE TRUSTEE

The Trustee is a New York banking corporation. The Trustee is a participating lender under a revolving credit agreement of Occidental and provides commercial banking services to Occidental and certain of its subsidiaries. The Indenture contains certain limitations on the rights of the Trustee, as a creditor of Occidental, to obtain payment of claims in certain cases or to realize on certain property received in respect of any such claim as security or otherwise. The Trustee will be permitted to engage in other transactions with Occidental and its subsidiaries; provided, however, that if the Trustee acquires any conflicting interest at such time as a default is pending under the Indenture, it must (with certain exceptions) eliminate such conflict or resign.

UNITED STATES TAXATION

GENERAL

Set forth below is a summary of certain Federal income tax considerations of importance to the original purchasers of the Debt Securities. The summary does not discuss all of the aspects of Federal income taxation that may be relevant to particular investors in light of their personal investment circumstances, nor does it discuss any foreign, state or local income or other tax considerations. The summary is based upon the Internal Revenue Code of 1986, as amended (the "Code"), and on regulations, rulings and decisions that are now in effect, all of which are subject to change, possibly retroactively. Prospective purchasers of the Debt Securities are advised to consult with their tax advisors regarding the Federal, state, local and foreign income and other tax consequences of purchasing, holding and disposing of the Debt Securities. Special Federal tax considerations and other restrictions or terms applicable to any Debt Securities that are issuable as Bearer Securities, offered exclusively to United States Aliens or denominated in a currency other than United States dollars will be set forth in an applicable Prospectus Supplement.

For purposes of this summary, "United States Alien" means any person who, for Federal income tax purposes, is a foreign corporation, a nonresident alien individual, a nonresident alien fiduciary of a foreign estate or trust or a foreign partnership, one or more of the members of which is, for Federal income tax purposes, a foreign corporation, a nonresident alien individual or a nonresident alien fiduciary of a foreign estate or trust.

ORIGINAL ISSUE DISCOUNT

Debt Securities with a term greater than one year may be issued with original issue discount for Federal income tax purposes. Original issue discount may arise because the stated principal amount at maturity of a Debt Security exceeds its issue price by more than a de minimis amount or because of certain interest payment characteristics of the Debt Security (e.g., interest holidays, interest payable in additional Debt Securities, stepped rates or rates based on multiple indices). If the Debt Securities are issued with original issue discount, holders of the Debt Securities will be required to include amounts in gross income for Federal income tax purposes in advance of the receipt of the cash to which such income is attributable. The amount of original issue discount to be included in income in any tax period will be determined using a constant yield-to-maturity method that will result in the allocation of less original issue discount to the earlier years of the term of the Debt Securities and more original issue discount to the later years. Any amounts included in income as original issue discount will increase a holder's tax basis in the Debt Security. Any special Federal income tax considerations that may be applicable to Debt Securities that (i) provide for interest at one or more variable rates; or (ii) provide for any amounts of payments of interest or principal to be determined by reference to an index, formula or other method, or based on a currency other than that in which the Debt Securities are stated to be payable, will be set forth in the applicable Prospectus Supplement or any Pricing Supplement thereto.

Occidental will report annually to the Internal Revenue Service and each holder the original issue discount accrued with respect to the Debt Security. Prospective holders are advised to consult their tax advisors with respect to the particular original issue discount characteristics of the Debt Security that is being purchased.

ACQUISITION DISCOUNT

Debt Securities that have a fixed maturity of one year or less may be issued with acquisition discount. Acquisition discount may arise for the reasons stated above with respect to original issue discount. Accrual basis taxpayers and taxpayers in certain specified classes would be required to include acquisition discount in income currently, in an amount and manner similar to that applicable to original issue discount. Individuals and other cash basis taxpayers holding such Debt Securities are not required but may elect to include accrued acquisition discount in income until the cash attributable to such amounts is received, which amounts will be treated as ordinary income. A holder who does not recognize acquisition discount currently also may be subject to limitations on the deductibility of interest on indebtedness incurred to purchase or, in certain circumstances, carry such Debt Securities.

DISPOSITION OF DEBT SECURITIES

In general, and subject to the foregoing discussion of acquisition discount, an original holder of a Debt Security will recognize gain or loss on the sale, redemption, exchange or other disposition of the Debt Security, which gain or loss will be measured by the difference between the amount of cash received (except to the extent attributable to accrued interest) and the holder's tax basis in the Debt Security.

DEFEASANCE OF DEBT SECURITIES

If Occidental exercises its right to satisfy and discharge its obligations under the Indenture with respect to any series of the Debt Securities prior to its maturity by depositing money or United States government obligations in trust for holders of outstanding Debt Securities of that series, such satisfaction and discharge ("discharge"), under present law, is likely to be treated as a redemption of the Debt Securities of that series prior to maturity in exchange for the property deposited in trust. In such event, and subject to the foregoing discussion of acquisition discount, each holder would generally recognize, at the time of discharge, gain or loss measured by the difference between (i) the sum of (a) the amount of any cash and (b) the fair market value of any property deemed received (except to the extent attributable to accrued interest) and (ii) the holder's tax basis in the Debt Securities deemed surrendered. Thereafter, each holder would be treated as if it held an undivided interest in the cash (or investments made therewith) and the property held in trust. Each holder would generally be subject to tax liability in respect of interest income and original issue discount, if applicable, thereon and would recognize any gain or loss upon any disposition, including redemption, of the

assets held in trust. Although tax might be owed, the holder of a discharged Debt Security would not receive cash (except for current payments of interest on such Debt Security) until the maturity or earlier redemption of such Debt Security. Such tax treatment could affect the purchase price that a holder would receive upon the sale of the Debt Securities.

HOLDERS WHO ARE UNITED STATES ALIENS

Under present Federal income and estate tax law, assuming certain certification requirements are satisfied (which, in the case of Registered Securities, includes identification of the beneficial owner of a Debt Security), and subject to the discussion of backup withholding below:

(i) payments of interest (including any original issue discount) on a Debt Security to any United States Alien holder will not be subject to Federal income or withholding tax; provided that (a) the holder does not actually or constructively own 10% or more of the total combined voting power of all classes of stock of Occidental entitled to vote, (b) the holder is not (1) a foreign tax-exempt organization or foreign private foundation for Federal income tax purposes, (2) a bank receiving interest on an extension of credit pursuant to a loan agreement entered into in the ordinary course of its trade or business or (3) a controlled foreign corporation that is related to Occidental through stock ownership and (c) such interest payments are not effectively connected with the conduct of a United States trade or business of the holder;

(ii) a holder of a Debt Security who is a United States Alien will not be subject to Federal income or withholding tax on gain realized on the sale, exchange, retirement or other disposition of such Debt Security, unless (a) such holder is an individual who is present in the United States for 183 days or more during the taxable year and holds such Debt Security as a capital asset, and certain other requirements are met, or (b) the gain is effectively connected with the conduct of a United States trade or business of the holder; and

(iii) a Debt Security held by an individual, who at the time of death is not a citizen or resident of the United States, will not be subject to Federal estate tax as a result of such individual's death unless (a) the income from the Debt Security is effectively connected with a United States trade or business of the holder or (b) the individual actually or constructively owns 10% or more of the total combined voting power of all classes of stock of Occidental entitled to vote.

INFORMATION REPORTING AND BACKUP WITHHOLDING

Occidental will, where required, report to the holders of the Debt Securities and the Internal Revenue Service the amount of any interest paid or original issue discount accruing on the Debt Securities in each calendar year and the amounts of tax withheld, if any, with respect to such payments.

Under current Federal income tax law, a 31% backup withholding tax is required with respect to certain interest and principal payments made to, and the proceeds of sales before maturity by, certain United States holders if such persons fail to supply their taxpayer identification numbers and other information. Under temporary United States Treasury Department regulations, backup withholding tax and certain information reporting requirements will generally not apply to interest paid with respect to a Debt Security to a United States Alien at an address outside the United States. Payments by a United States office of a broker of the proceeds of a sale of a Debt Security are subject to both backup withholding and information reporting, unless the holder certifies its United States Alien status under penalties of perjury or otherwise establishes an exemption. Information reporting requirements (but not backup withholding) also will apply to payments of the proceeds of sales of Debt Securities by foreign offices of United States brokers, or foreign brokers with certain types of relationships to the United States, unless the broker has documentary evidence in its records that the holder is a United States Alien and certain other conditions are met or the holder otherwise establishes an exemption.

Backup withholding is not an additional tax. Any amounts withheld under the backup withholding rules will be refunded or credited against a holder's United States Federal income tax liability, provided that required information is furnished to the Internal Revenue Service.

These backup withholding and information reporting rules are under review by the United States Treasury Department and their application to the Debt Securities could be changed by future regulations.

PLAN OF DISTRIBUTION

Occidental may sell Debt Securities to one or more underwriters or dealers for public offering and sale by them or may sell Debt Securities to investors directly or through one or more agents designated from time to time by Occidental. Any such underwriter or agent involved in the offer and sale of the Debt Securities will be named in an applicable Prospectus Supplement.

Underwriters or agents may offer and sell the Debt Securities at a fixed price or prices, which may be changed, or from time to time at market prices prevailing at the time of sale, at prices related to such prevailing market prices or at negotiated prices. Occidental also may offer and sell the Debt Securities in exchange for one or more of its outstanding issues of debt securities. In connection with the sale of Debt Securities, underwriters or agents may be deemed to have received compensation from Occidental in the form of underwriting discounts or commissions and also may receive commissions from purchasers of Debt Securities for whom they may act as agent. Underwriters may sell Debt Securities to or through dealers, and such dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions (which may be changed from time to time) from the purchasers of Debt Securities for whom they may act as agent.

Any compensation paid by Occidental to underwriters or agents in connection with the offering of Debt Securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers, will be set forth in an applicable Prospectus Supplement. Underwriters, dealers and agents participating in the distribution of the Debt Securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the Debt Securities may be deemed to be underwriting discounts and commissions under the Securities Act. Underwriters, dealers and agents may be entitled, under agreements with Occidental, to indemnification against, and contribution toward, certain civil liabilities, including liabilities under the Securities Act, and to reimbursement by Occidental for certain expenses.

Underwriters, dealers or agents to or through which Debt Securities may be offered and sold may engage in transactions with, or perform other services for, Occidental and its subsidiaries in the ordinary course of business.

If so indicated in an applicable Prospectus Supplement, Occidental may authorize underwriters or dealers, acting as Occidental's agents, to solicit offers by certain institutions to purchase Debt Securities from Occidental at the public offering price set forth in such Prospectus Supplement pursuant to Delayed Delivery Contracts ("Contracts") providing for payment and delivery on the date or dates stated in such Prospectus Supplement. Each Contract will be for an amount not less than, and the aggregate principal amount of Debt Securities sold pursuant to Contracts shall not be less nor more than, the respective amounts stated in such Prospectus Supplement. Institutions with whom Contracts, when authorized, may be made include commercial and savings banks, insurance companies, pension funds, investment companies, educational and charitable institutions and other institutions, but will in all cases be subject to the approval of Occidental. Contracts will not be subject to any conditions except: (i) the purchase by an institution of the Debt Securities covered by its Contracts shall not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which such institution is subject; and (ii) if the Debt Securities are being sold to underwriters, Occidental shall have sold to such underwriters the total principal amount of the Debt Securities, less the principal amount thereof covered by Contracts. Underwriters and dealers will have no responsibility in respect of the delivery or performance of Contracts, except to the extent they have entered into a Contract.

The Debt Securities may or may not be listed on a national securities exchange or a foreign securities exchange. No assurances can be given that there will be a market for the Debt Securities.

LEGAL MATTERS

Certain legal matters with respect to the legality of the Debt Securities being offered hereby will be passed upon for Occidental by Robert E. Sawyer, Esq., Associate General Counsel of Occidental. Mr. Sawyer beneficially owns, and has rights to acquire under employee stock options, an aggregate of less than 1% of the outstanding common stock of Occidental.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law authorizes a court to award, or a corporation's board of directors to grant, indemnity to directors and officers under certain circumstances for liabilities incurred in connection with their activities in such capacities (including reimbursement for expenses incurred). Occidental's Restated Certificate of Incorporation, as amended, provides for the elimination of personal liability of its directors to the full extent permitted by the Delaware General Corporation Law and Occidental has entered into indemnification agreements with each director and certain officers providing for additional indemnification. Article VIII of Occidental's By-laws provides that Occidental shall indemnify directors and officers under certain circumstances for liabilities and expenses incurred by reason of their activities in such capacities. In addition, Occidental has insurance policies that provide liability coverage to directors and officers while acting in such capacities.

The forms of Underwriting Agreement and Distribution Agreement filed as Exhibits 1.1 and 1.2, respectively, to this Registration Statement provide for indemnification of directors and officers of Occidental by the underwriters or agents, as the case may be, against certain liabilities.

ITEM 17. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act, unless such information required in such post-effective amendment is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act, that are incorporated by reference in this Registration Statement;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement, unless such information is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted against the Registrant by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

POWER OF ATTORNEY

OCCIDENTAL PETROLEUM CORPORATION

FORM OF UNDERWRITING AGREEMENT

[Date]

Dear Sirs:

Occidental Petroleum Corporation, a Delaware corporation (the "Company"), confirms its agreement with [insert names of lead underwriters] (collectively the "Underwriters," which term shall also include any underwriter substituted as hereinafter provided in Section 11 hereof) with respect to the sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of the respective principal amounts set forth opposite their names on Schedule A hereto, of the Company's (the "Notes"). The Notes are to be issued pursuant to an indenture (the "Indenture", which term, for the purpose of this Agreement, shall include the Officers' Certificate, dated , delivered pursuant to Sections 201 and 301 of the Indenture), dated as of May 1, 1995, between the Company and The Bank of New York, as trustee (the "Trustee").

The Company has filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (No. 33-) for the registration of senior debt securities, including the Notes, under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the Commission under the 1933 Act (the "1933 Act Regulations"). Such registration statement has been declared effective by the Commission and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). Such registration statement and the prospectus constituting a part thereof, together with any preliminary prospectus supplement and any prospectus supplement relating to the Notes, including, in each case, all Incorporated Documents (as hereinafter defined), are referred to herein as the "Registration Statement" and the

"Prospectus," respectively, except that, if any revised prospectus shall be provided to the Underwriters by the Company for use in connection with the offering of the Notes that is not required to be filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations, the term "Prospectus" shall refer to such revised prospectus from and after the time it is first provided to the Underwriters for such use. Any reference herein to the Registration Statement or the Prospectus shall be deemed to refer to and include the documents, financial statements and schedules incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, and any reference to any amendment or supplement to the Registration Statement or the Prospectus shall be deemed to refer to and include any documents, financial statements and schedules filed by the Company with the Commission under the Securities Exchange Act of 1934, as amended (the "1934 Act"), and so incorporated by reference (such incorporated documents, financial statements and schedules being herein called the "Incorporated Documents"). Notwithstanding the foregoing, for purposes of this Agreement any prospectus supplement prepared or filed with respect to an offering pursuant to the Registration Statement of a series of debt securities other than the Notes shall not be deemed to have supplemented the Prospectus.

The Company understands that the Underwriters propose to make a public offering of the Notes as soon as the Underwriters deem advisable after this Agreement has been executed and delivered.

SECTION 1. Representations and Warranties.

(a) The Company represents and warrants to each of the Underwriters as follows:

(i) The Incorporated Documents, when they were filed or became effective (or, if an amendment with respect to any such Incorporated Document was filed or became effective, when such amendment was filed or became effective) with the Commission, as the case may be, complied in all material respects with the requirements of the 1934 Act, and any Incorporated Documents filed subsequent to the date hereof and prior to the termination of the offering of the Notes, will, when they are filed with the Commission, comply in all material respects with the requirements of the 1934 Act; no such Incorporated Document, when it was filed or became effective (or, if an amendment with respect to any such Incorporated Document was filed or became effective, when such amendment was filed or became effective) with the Commission, contained, and no Incorporated Document filed subsequent to the date hereof and prior to the termination of the offering of the Notes will contain, an untrue statement of a material fact or omitted, or will omit, to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were or will be made, not misleading.

(ii) Each preliminary prospectus relating to the Notes filed as part of the Registration Statement as originally filed or as part of any amendment thereto, or filed pursuant to Rule 424 of the 1933 Act Regulations, when so filed, and the Registration Statement, at the time it became effective, complied in all material respects with the provisions of the 1933 Act and the 1933 Act Regulations; at the date hereof and at the Closing Time, the Registration Statement and the Prospectus, and any supplement or amendment thereto relating to the Notes, will comply in all material respects with the provisions of the 1933 Act and the 1933 Act Regulations; and the Registration Statement and the Prospectus, and any such supplement or amendment thereto relating to the Notes, at all such times did not and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; except that this representation and warranty does not apply to statements or omissions in the Registration Statement, the Prospectus or any preliminary prospectus, or any amendment or supplement thereto, made in reliance upon information furnished to the Company in writing by or on behalf of any Underwriter expressly for use therein or to those parts of the Registration Statement that constitute the Trustee's Statement of Eligibility on Form T-1 under the 1939 Act (the "Form T-1"). There is no contract or document of a character required to be described in the Registration Statement or the Prospectus or to be filed as an exhibit to the Registration Statement that is not described or filed as required.

(iii) This Agreement, the Indenture and the Notes have been duly authorized by the Company and conform in all material respects to the descriptions thereof in the Prospectus.

(iv) The Indenture (assuming the due execution and delivery thereof by the Trustee) is, and the Notes (when executed by the Company and authenticated in accordance with the Indenture and delivered to and paid for by the purchasers thereof) will be, the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms, except as such enforceability may be limited by (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to or affecting the enforcement of creditors' rights generally, (B) general principles of equity (regardless of whether such enforcement is considered in a proceeding in equity or at law), [(C) requirements that a claim with respect to any Notes denominated other than in United States dollars (or a judgment denominated other than in United States dollars in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law and (D) governmental authority to limit, delay or prohibit the making of payments outside the United States or in a foreign currency or composite currency.] The Notes (when executed by the Company and authenticated in accordance with the terms of the Indenture and delivered to and paid for by the purchasers thereof) will be entitled to the benefits of the Indenture (subject to the exceptions set forth in the preceding sentence).

(v) The Company and each of MidCon Corp., a Delaware corporation, Occidental Chemical Holding Corporation, a California corporation, and Occidental Oil and Gas Corporation, a California corporation (each a "Principal Domestic Subsidiary" and collectively the "Principal Domestic Subsidiaries") is a validly existing corporation in good standing under the laws of its state of incorporation. The Company and each Principal Domestic Subsidiary has full corporate power and authority to own its properties and carry on its business as presently conducted, as described in the Prospectus, and is duly registered or qualified to conduct business, and is in good standing, in each jurisdiction in which it owns or leases property or transacts business and in which such registration or qualification is necessary, except as to jurisdictions where the failure to do so would not have a material adverse effect on the Company and its subsidiaries, taken as a whole. All of the outstanding capital stock or other securities evidencing equity ownership of each Principal Domestic Subsidiary has been duly and validly authorized and issued and is fully paid and non-assessable, and is owned by the Company, directly or indirectly through subsidiaries, free and clear of any security interest, claim, lien or encumbrance. There are no outstanding rights, warrants or options to acquire, or instruments convertible into or exchangeable for, any shares of capital stock or other equity interest in any such Principal Domestic Subsidiary, except for rights, warrants or options held by the Company.

(vi) Except as contemplated in the Prospectus or reflected therein by the filing of any amendment or supplement thereto or any Incorporated Document, since the date of the most recent consolidated financial statements included or incorporated by reference in the Registration Statement and the Prospectus, unless the Company has notified the Underwriters as provided in Section 4(d) hereof, there has not been any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

(vii) The Company is not in violation of its Restated Certificate of Incorporation or Bylaws, in each case, as amended. The execution and delivery of this Agreement by the Company, the issuance and sale of the Notes and the performance by the Company of its obligations under this Agreement and the Indenture will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under (A) the Restated Certificate of Incorporation or Bylaws of the Company, in each case, as amended, (B) any agreement or instrument (which is, individually or in the aggregate, material to the Company and its subsidiaries, taken as a whole) to which the Company is a party or by which it is bound or (C) any order of any court or governmental agency or authority presently in effect and applicable to the Company or any Principal Domestic Subsidiary. Except for orders, permits and similar authorizations required under the securities or Blue Sky laws of certain jurisdictions, including jurisdictions outside the United States, or required of any securities exchange on which any of the Notes might be listed, no

consent, approval, authorization or other order of any regulatory body, administrative agency or other governmental body is legally required for the valid issuance and sale of the Notes.

(viii) To the best of the Company's knowledge, the accountants who have audited and reported upon the consolidated financial statements filed with the Commission as part of the Registration Statement and the Prospectus are independent accountants as required by the 1933 Act. The consolidated financial statements included in the Registration Statement and Prospectus, or incorporated therein by reference, fairly present the consolidated financial position and results of operations of the entities to which such statements relate at the respective dates and for the respective periods to which they apply. Such consolidated financial statements have been prepared in accordance with generally accepted accounting principles consistently applied, except as set forth in the Registration Statement and Prospectus.

(ix) The Company has complied with, and is and will be in compliance with, the provisions of that certain Florida act relating to disclosure of doing business with Cuba, codified as Section 517.075 of the Florida statutes, and the rules and regulations thereunder (collectively, the "Cuba Act") or is exempt therefrom.

For the purposes of this subsection (d), "United States" means the United States of

(iii) With respect to Japan, each Underwriter understands that the Notes have not been, and will not be, registered under the Securities and Exchange Law of Japan, and, accordingly, each Underwriter represents and agrees that (A) in connection with the initial offering of any of the Notes, such Underwriter has not, directly or indirectly, offered or sold, and will not, directly or indirectly, offer or sell, any of the Notes in Japan or to any resident of Japan (including any corporation or other entity incorporated or organized under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to any such resident of Japan, except, in each case, in compliance in all material respects with the Securities and Exchange Law of Japan, and (B) with respect to any such sale of the Notes made by such Underwriter, such Underwriter will effect all necessary filings in connection with such sale, including, without limitation, any required filings of notifications with the Minister of Finance of Japan, as required pursuant to the provisions of the relevant securities or foreign exchange control legislation of Japan.

The Company will make every reasonable effort to prevent the issuance of any such stop order and, if any such stop order is issued, to obtain the lifting thereof at the earliest possible moment.

(b) Proposed Filings. During the period from the date hereof to and including the Closing Time, the Company will not file any amendment or supplement to the Registration Statement, or file any amendment or supplement to the Prospectus, in either case relating to the Notes, of which the Underwriters shall not previously have been advised or to which the Underwriters shall reasonably object in writing, unless, in the judgment of the Company and its counsel, such amendment or supplement is necessary to comply with law.

not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading, in the light of the circumstances existing at the time it is delivered to the Underwriters.

(e) Earnings Statements. The Company will make generally available to its security holders, in each case as soon as practicable but in any event not later than 15 months after the Closing Time, a consolidated earnings statement (which need not be audited) covering the twelve-month period beginning after the latest of (i) the effective date of the Registration Statement, (ii) the effective date of the most recent post-effective amendment to the Registration Statement to become effective prior to the date of such acceptance and (iii) the date of the Company's most recent annual report on Form 10-K filed with the Commission prior to the date of such acceptance, which earnings statement will satisfy the provisions of Section 11(a) of the 1933 Act (and, at the option of the Company, Rule 158 of the 1933 Act Regulations).

(f) Blue Sky Qualifications. The Company will endeavor, in cooperation with the Underwriters, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions as the Underwriters may reasonably designate (provided no registration shall be required in any jurisdiction outside the United States), and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; provided, however, that the Company will promptly notify the Underwriters of any suspension of any such qualifications; and provided, further, that the Company shall not be obligated to register or qualify as a foreign corporation or take any action which would subject it to general service of process in any jurisdiction where it is not now so subject.

(g) Filing of Prospectus. Immediately following the execution and delivery of this Agreement, the Company will prepare and file or transmit for filing with the Commission in accordance with Rule 424(b) of the 1933 Act Regulations, copies of a supplement to the Prospectus containing the terms of the Notes and such other information as the Underwriters and the Company deem appropriate.

[(h) Listing of Notes. The Company will use its reasonable best efforts to cause the Notes to be duly authorized for listing on the New York Stock Exchange.]

If this Agreement is terminated pursuant to any of the provisions hereof (otherwise than by notice given by the Underwriters in connection with the occurrence of any event set forth in Section 10(a)), the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable fees and disbursements of counsel for the Underwriters.

SECTION 6. Conditions of Obligations.

The obligations of the Underwriters hereunder are subject to the accuracy of the representations and warranties on the part of the Company herein and the accuracy of the statements of the Company's officers made in any certificate furnished pursuant to the provisions hereof, to the performance and observance by the Company of all covenants and agreements herein contained on its part to be performed and observed and to the following additional conditions precedent:

(a) At the Closing Time, no stop order suspending the effectiveness of the Registration Statement shall have been issued and no proceedings for that purpose shall be pending or contemplated by the Commission; no stop order suspending the sale of the Notes in any jurisdiction designated by the Underwriters pursuant to Section 4(f) shall have been issued and no proceedings for that purpose shall have been instituted or threatened or, to the knowledge of the Company or the Underwriters, shall be contemplated; any request of the Commission for additional information (to be included in the Registration Statement or Prospectus or otherwise) shall have been complied with to satisfaction of the Underwriters. The supplement to the Prospectus referred to in Section 4(g) of this Agreement shall have been transmitted to the Commission for filing pursuant to Rule 424(b) of the 1933 Act Regulations within the prescribed time period, and prior to Closing Time the Company shall have provided evidence satisfactory to the Underwriters of such timely filing.

(b) The Underwriters shall have received an opinion from Robert E. Sawyer, Esq., Associate General Counsel for the Company, dated as of the Closing Time and in form and substance satisfactory to counsel for the Underwriters, to the effect that:

(i) The Company has been duly incorporated and is validly existing in good standing under the laws of the State of Delaware. Each Principal Domestic Subsidiary is validly existing in good standing under the laws of its state of incorporation.

(ii) The Company has full corporate power and corporate authority to enter into and perform its obligations under this Agreement and the Indenture, to borrow money as contemplated in this Agreement and the Indenture, and to issue, sell and deliver the Notes.

(iii) This Agreement has been duly authorized, executed and delivered by the Company.

(iv) The Indenture has been duly authorized, executed and delivered by the Company and (assuming the due authorization, execution and delivery thereof by the Trustee) is a valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except that such enforceability may be limited by (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and (B) general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(v) No consent or approval of any United States governmental authority or other United States person or United States entity is required in connection with the issuance or sale of the Notes other than registration thereof under the 1933 Act, qualification of the Indenture under the 1939 Act, and such registrations or qualifications as may be necessary under the securities or Blue Sky laws of the various United States jurisdictions in which the Notes are to be offered or sold.

(vi) The Notes, when executed by the Company and authenticated by the Trustee in accordance with the terms of the Indenture (assuming the due authorization, execution and delivery of the Indenture by the Trustee) and issued to and paid for by the Underwriters in accordance with the terms of this Agreement, will be entitled to the benefits of the Indenture and will be valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, except that such enforceability may be limited by (A) bankruptcy, insolvency, reorganization, moratorium or other

similar laws now or hereafter in effect relating to creditors' rights generally and (B) general principles of equity (regardless of whether such enforcement is sought in a proceeding in equity or at law).

(vii) The Registration Statement has become effective under the 1933 Act and the Indenture has been qualified under the 1939 Act, and, to the best of such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or contemplated.

(viii) The execution and delivery of this Agreement and the Indenture by the Company, the issuance and sale of the Notes and the fulfillment of this Agreement and the Indenture by the Company will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under (A) the Restated Certificate of Incorporation or Bylaws of the Company, in each case, as amended, (B) any statute, law or regulation to which the Company or any Principal Domestic Subsidiary or any of their respective properties may be subject or (C) any judgment, decree or order, known to such counsel, after reasonable inquiry, of any court or governmental agency or authority entered in any proceeding to which the Company or any Principal Domestic Subsidiary was or is now a party or by which it is bound, except that such counsel may state that the opinion set forth in clause (B) of this paragraph (viii) is limited to those statutes, laws or regulations currently in effect which, in such counsel's experience, are normally applicable to transactions of the type contemplated by this Agreement and that such counsel expresses no opinion as to the securities or Blue Sky laws of the various jurisdictions in which the Notes are to be offered.

(ix) The Registration Statement, as of the date it became effective, and the Prospectus, as of its date, including each Incorporated Document when such Incorporated Document was filed or became effective, or if any such Incorporated Document was amended, when such amendment was filed or became effective, appeared on their face to be appropriately responsive in all material respects to the applicable requirements of the 1933 Act or the Securities Exchange Act of 1934, as the case may be, except that in each case such counsel need not express an opinion as to the financial statements and schedules and other financial data included or incorporated by reference therein or as to the Form T-1.

(x) The statements in the Prospectus under the captions "Description of the Debt Securities" and "[Description of the Notes]," insofar as they purport to summarize certain provisions of documents specifically referred to therein, are in all material respects accurate summaries of such provisions.

(xi) Except as set forth in the Prospectus (including the Incorporated Documents), there is not pending or, to the knowledge of such counsel, after reasonable inquiry, threatened any action, suit or proceeding against the Company or any of its subsidiaries before or by any court or governmental agency or body, which is likely (to the extent not covered by insurance) to have a material adverse effect on the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

(xii) To the best of such counsel's knowledge, after reasonable inquiry, there is no contract or document of a character required to be described in the Registration Statement or the Prospectus or to be filed as an exhibit to the Registration Statement that is not described or filed as required.

(xiii) To the best of such counsel's knowledge, after reasonable inquiry, the Company is not in violation of its Restated Certificate of Incorporation or Bylaws, in each case, as amended.

(xiv) To the best of such counsel's knowledge, after reasonable inquiry, the execution and delivery of this Agreement and the Indenture by the Company, the issuance and sale of the Notes and the performance by the Company of its obligations under this Agreement and the Indenture will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under, subject to the Company's compliance with any applicable covenants pertaining to its incurrence of unsecured indebtedness, any agreement or instrument that is, individually or in the aggregate, material to the Company and its subsidiaries taken as a whole, to which the Company is a party or by which it is bound.

[In rendering the opinions set forth in paragraphs (iv) and (vi) above, such counsel may state that such enforcement may be limited by (i) requirements that a claim with respect to any Notes

denominated other than in United States dollars (or a judgment denominated other than in United States dollars in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law and (ii) governmental authority to limit, delay or prohibit the making of payments outside the United States or in foreign currency or composite currency.]

In rendering such opinion such counsel may state that with respect to certain matters he has relied upon advice of other counsel employed by the Company who are more familiar with such matters.

In addition, such counsel shall state that he has participated in conferences with officers and other representatives of the Company, outside counsel for the Company, representatives of the independent public accountants for the Company, representatives of the Underwriters and counsel for the Underwriters, at which conferences the contents of the Registration Statement and Prospectus and related matters were discussed and, although he is not passing upon, and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement or the Prospectus (other than as set forth in paragraph (x) above) and has not made any independent check or verification thereof, on the basis of the foregoing, nothing has come to such counsel's attention that leads him to believe that either the Registration Statement (including the Incorporated Documents) at the time such Registration Statement became effective, and if an amendment to the Registration Statement or an Annual Report on Form 10-K has been filed by the Company with the Commission subsequent to the effectiveness of the Registration Statement and prior to the date of such statement, then at the time such amendment became effective or at the time of the most recent such filing (to the extent deemed to be incorporated by reference therein), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or the Prospectus (including the Incorporated Documents) as of its date and as of the Closing Time contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that such counsel need express no opinion with respect to the financial statements, schedules and other financial data included or incorporated by reference in the Registration Statement or Prospectus or with respect to the Form T-1.

(c) The Underwriters shall have received an opinion from Brown & Wood, counsel to the Underwriters, dated as of the Closing Time and in form and substance satisfactory to the Underwriters.

(d) Officer's Certificate. Except as contemplated in the Prospectus or reflected therein by the filing of any amendment or supplement thereto or any Incorporated Document, at the Closing Time, there shall not have been, since the date of the most recent consolidated financial statements included or incorporated by reference in the Prospectus, any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as a whole. The Underwriters shall have received a certificate signed by an officer of the Company, dated as of the Closing Time, to the effect (i) that there has been no such material adverse change, (ii) that the representations and warranties of the Company contained in Section 1(a) hereof (other than Section 1(a)(vi)) are true and correct in all material respects with the same force and effect as though expressly made at and as of the date of such certificate, (iii) that the Company has complied with all agreements and satisfied all conditions required by this Agreement or the Indenture on its part to be performed or satisfied at or prior to the date of such certificate and (iv) that no stop order suspending the effectiveness of the Registration Statements has been issued and, to the best of such officer's knowledge, no proceedings for that purpose have been initiated or threatened by the Commission.

(e) Comfort Letter. On the date hereof, the Underwriters shall have received a letter from the Company's independent public accountants, dated as of the date hereof and in form and substance satisfactory to the Underwriters, to the effect that:

(i) They are independent public accountants with respect to the Company and its subsidiaries within the meaning of the 1933 Act and the 1933 Act Regulations.

(ii) In their opinion, the consolidated financial statements and supporting schedule(s) of the Company and its subsidiaries audited and reported upon by them and incorporated by reference in the

Registration Statement comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the 1933 Act Regulations with respect to registration statements on Form S-3 and the 1934 Act and the rules and regulations thereunder.

(iii) They have performed specified procedures, not constituting an audit, including a reading of the latest available interim consolidated financial statements of the Company, a reading of the minute books of the Company since the end of the most recent fiscal year with respect to which an audit report has been issued, inquiries of and discussions with certain officials of the Company and certain of its subsidiaries responsible for financial and accounting matters with respect to the unaudited consolidated financial statements incorporated by reference in the Registration Statement and Prospectus and the latest available interim unaudited consolidated financial statements of the Company, and such other inquiries and procedures as may be specified in such letter, and on the basis of such inquiries and procedures nothing came to their attention that caused them to believe that: (A) the unaudited consolidated financial statements of the Company incorporated by reference in the Registration Statement and Prospectus do not comply as to form in all material respects with the applicable accounting requirements of the 1934 Act and the rules and regulations thereunder or were not fairly presented in conformity with generally accepted accounting principles in the United States applied on a basis substantially consistent with that of the audited financial statements incorporated by reference therein, or (B) at a specified date not more than five days prior to the date of such letter, there was any change in the outstanding capital stock of the Company or any increase in consolidated long-term debt of the Company or any decrease in the stockholders' equity of the Company, in each case as compared with the amounts shown on the most recent consolidated balance sheet of the Company incorporated by reference in the Registration Statement and Prospectus or, during the period from the date of such balance sheet to a specified date not more than five days prior to the date of such letter, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales and operating revenues or net income of the Company, except in each such case as set forth in or contemplated by the Registration Statement and Prospectus or except for such exceptions enumerated in such letter as shall have been agreed to by the Underwriters and the Company.

(iv) In addition to the audit referred to in their report included or incorporated by reference in the Registration Statement and the Prospectus, and the limited procedures referred to in clause (iii) above, they have carried out certain other specified procedures, not constituting an audit, with respect to certain financial information which is included or incorporated by reference in the Registration Statement and Prospectus, which would normally be covered under auditing procedures and which are specified by the Underwriters, and have found such financial information to be in agreement with the relevant accounting, financial and other records of the Company identified in such letter.

(f) Subsequent Delivery of Comfort Letter. At the Closing Time, the Underwriters shall have received from the Company's independent public accountants a letter, dated as of the Closing Time, to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (e) of this Section, except that the specified date referred to shall be a date not more than five days prior to the Closing Time.

(g) Other Documents. At the Closing Time, counsel for the Underwriters shall have been furnished with resolutions of the Company's Board of Directors authorizing and approving the issuance and sale of the Notes and matters related thereto and such other documents and opinions as they may reasonably require for the purpose of enabling them to pass upon the issuance and sale of the Notes as herein contemplated and related proceedings, or in order to evidence the accuracy of any of the representations or warranties, or the fulfillment of any of the conditions, herein contained.

If any condition specified in this Section 6 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by any of the Underwriters by notice to the Company at any time at or prior to the Closing Time, and any such termination shall be without liability of any party to any other party, except as provided in Section 5.

SECTION 7. Indemnification.

(a) Indemnification of the Underwriters. The Company agrees to indemnify and hold harmless each Underwriter and each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Underwriters), as incurred, insofar as such loss, liability, claim, damage or expense arises out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arises out of any untrue statement or alleged untrue statement of a material fact contained in the Prospectus or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Underwriters), as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever, insofar as such loss, liability, claim, damage or expense arises out of any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Underwriters), as incurred, reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever, based upon any such untrue statement or omission, or any such alleged untrue statement or omission;

provided, however, that this indemnity shall not apply to any loss, liability, claim, damage or expense (A) to the extent arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon the Form T-1 under the 1939 Act filed as an exhibit to the Registration Statement; or (B) to the extent arising out of any untrue statement or omission or alleged untrue statement or omission in the Prospectus, if such untrue statement or alleged untrue statement or omission or alleged omission is corrected in an amendment or supplement to the Prospectus and if, having previously been furnished by or on behalf of the Company with copies of the Prospectus, as so amended or supplemented, such Underwriter thereafter failed to deliver such Prospectus, as so amended or supplemented, prior to or concurrently with the sale of a Note or Notes to the person asserting such loss, liability, claim, damage or expense who purchased such Note or Notes that are the subject thereof from such Underwriter; or (C) as to which such Underwriter may be required to indemnify the Company pursuant to the provisions of subsection (b) of this Section 7; or (D) if such loss, liability, claim, damage or expense is covered by any other written agreement between the Company and such Underwriter pertaining to the sale of the Notes pursuant to which such Underwriter may be required to indemnify the Company for such loss, liability, claim, damage or expense.

(b) Indemnification of the Company. Each Underwriter agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 7, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement or the Prospectus in reliance upon and in conformity with written information furnished to the Company by such Underwriter expressly for use in the Registration Statement or the Prospectus.

(c) General. (i) In case any action, suit or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought against any Underwriter or any person controlling such Underwriter, based upon the Registration Statement or the Prospectus and with respect to which indemnity may be sought against the Company pursuant to this Section 7, such Underwriter or controlling person shall promptly notify the Company in writing, and the Company shall assume the defense thereof, including the employment of counsel and payment of all expenses. Any such Underwriter or any such controlling person shall have the right to employ separate counsel in any such action, suit or proceeding and to participate in the defense thereof, but the fees and expenses of such separate counsel shall be at the expense of such Underwriter or such controlling person, unless (A) the employment of such counsel shall have been specifically authorized in writing by the Company, (B) the Company shall have failed to assume the defense and employ counsel or (C) the named parties to any such action, suit or proceeding (including any impleaded parties) shall include both such Underwriter or such controlling person and the Company, and such Underwriter or such controlling person shall have been advised by such counsel that there may be one or more legal defenses available to it that are different from, or additional to, those available to the Company (in which case, if such Underwriter or such controlling person notifies the Company in writing that it elects to employ separate counsel at the expense of the Company, the Company shall not have the right to assume the defense of such action, suit or proceeding on behalf of such Underwriter or such controlling person, it being understood, however, that the Company shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all such Underwriters and such controlling persons, which firm shall be designated in writing by a majority of all such Underwriters, on behalf of all of such Underwriters and such controlling persons).

(ii) In case any action, suit or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought against the Company, any of the Company's directors or officers, or any person controlling the Company, with respect to which indemnity may be sought against any Underwriter pursuant to this Section 7, such Underwriter shall have the rights and duties given to the Company by subsection (c)(i) of this Section 7, and the Company, the Company's directors and officers and any such controlling person shall have the rights and duties given to the Underwriters by subsection (c)(i) of this Section 7.

SECTION 8. Contribution.

In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 7 hereof is for any reason held to be unenforceable by the indemnified parties, although applicable in accordance with its terms, the Company and each Underwriter shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Company and the Underwriters, as incurred, in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and each of the Underwriters, on the other hand, from the offering of the Notes. The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, shall be deemed to be in the same proportions as the total net proceeds from the sale of the Notes (before deducting expenses) received by the Company, on the one hand, and the total underwriting discounts and commissions received by each Underwriter, on the other hand, bear to the total price to public of the Notes as set forth in the table on the cover page of the Prospectus. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as such Underwriter, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as the Company. Any party entitled to contribution hereunder will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this Section 8, notify such party or parties from whom contribution may be

sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have otherwise than under this Section 8.

SECTION 9. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Agreement, or contained in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or any controlling person of any Underwriter, or by or on behalf of the Company, and shall survive each delivery of and payment for any of the Notes.

SECTION 10. Termination.

(a) The Underwriters may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Time if (i) between the date hereof and the Closing Date, there shall have been any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as whole, (ii) there shall have occurred any material adverse change in the financial markets in the United States or any outbreak or escalation of hostilities or other national or international calamity or crisis, the effect of which shall be such as to make it, in the reasonable judgment of the Underwriters, impracticable to market or to enforce contracts for sale of the Notes or other debt securities, (iii) trading in any securities of the Company shall have been suspended by the Commission or a national securities exchange, or if trading generally on the New York Stock Exchange shall have been suspended, or minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been required, by said exchange or by order of the Commission or any other governmental authority, or if a banking moratorium shall have been declared by either Federal or New York authorities, (iv) any nationally recognized securities rating agency in the United States shall have publicly announced that it has (A) placed the Notes on what is commonly termed a "watch list" for possible downgrading or (B) downgraded the Notes, or (v) the Company shall have failed to furnish or cause to be furnished the certificates, opinions or letters referred to in Section 6 hereof.

(b) If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 5.

SECTION 11. Default by One or More of the Underwriters.

If one or more of the Underwriters shall fail at Closing Time to purchase the Notes which it or they are obligated to purchase under this Agreement (the "Defaulted Notes"), the non-defaulting Underwriters shall have the right, within 24 hours thereafter, to make arrangements for one or more of such non-defaulting Underwriters, or any other underwriters, to purchase all, but not less than all, of the Defaulted Notes in such amounts as may be agreed upon and upon the terms herein set forth; if, however, such non-defaulting Underwriters shall not have completed such arrangements within such 24-hour period, then:

(a) if the aggregate principal amount of Defaulted Notes does not exceed 10% of the aggregate principal amount of the Notes, the non-defaulting Underwriters shall be obligated to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters, or

(b) if the aggregate principal amount of Defaulted Notes exceeds 10% of the aggregate principal amount of the Notes, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter.

No action pursuant to this Section shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement, either the non-defaulting Underwriters or the Company shall have the right to postpone the Closing Time for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements.

SECTION 12. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed, as the case may be, to . Notices to the Company shall be directed to it at 10889 Wilshire Boulevard, Los Angeles, California 90024, attention of Vice President and Treasurer.

SECTION 13. Parties.

This Agreement shall inure to the benefit of and be binding upon the Underwriters and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the parties hereto and their respective successors and the controlling persons and officers and directors referred to in Sections 7 and 8 hereof and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provisions herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Notes shall be deemed to be a successor by reason merely of such purchase.

SECTION 14. Governing Law.

This Agreement and the rights and obligations of the parties created hereby shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made and to be performed in such State.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof, whereupon this instrument along with all counterparts will become a binding agreement between the Underwriters and the Company in accordance with its terms.

FORM OF DISTRIBUTION AGREEMENT

, 1995

Dear Sirs:

Occidental Petroleum Corporation, a Delaware corporation (the "Company"), confirms its agreement with each of [insert name of Agents] (each an "Agent" and collectively, the "Agents") with respect to the issue and sale by the Company of its Medium-Term Notes, Series C (the "Notes"). The Notes are to be issued pursuant to an indenture (the "Indenture," which term, for the purpose of this Agreement, shall include the Officers' Certificate delivered from time to time pursuant to Sections 201 and 301 of the Indenture) dated as of May 1, 1995, between the Company and The Bank of New York, as trustee (the "Trustee"). As of the date hereof, the Company has authorized the issuance of up to U.S.

\$ aggregate offering price (or its equivalent, based upon the applicable exchange rate at the time of issuance, in such foreign currencies, composite currencies or currency units as the Company shall designate at the time of issuance) of Notes to be distributed through or sold to the Agents pursuant to the terms of this Agreement. It is understood, however, that the Company may from time to time authorize the issuance of additional Notes and that, at the option of the Company, such Notes may be distributed through or sold to the Agents pursuant to the terms of this Agreement, all as though the issuance of such Notes were authorized as of the date hereof.

This Agreement provides both for the sale of Notes by the Company to purchasers, in which case the Agents will act as agents of the Company in soliciting Note purchasers, and (as may from time to time be agreed to by the Company and one or more Agents) to such Agent or Agents as principal for resale to purchasers.

Subject to the terms and conditions stated herein and subject to the reservation by the Company of the right to sell Notes directly on its own behalf and to any person, and to designate and select additional agents to become party to this Agreement, the Company hereby (i) appoints each Agent as an agent of the Company for the purpose of soliciting offers to purchase the Notes from the Company by others and (ii) agrees that whenever the Company determines to sell Notes directly to an Agent as principal for resale to others, it will enter into a Terms Agreement relating to such sale in accordance with the provisions of Section 2(b) hereof. Each Agent will make reasonable efforts to assist the Company in obtaining performance by each purchaser whose offer to purchase Notes from the Company has been solicited by such Agent, as agent, and accepted by the Company, but such Agent shall not have any liability to the Company in the event any such purchase is not consummated for any reason.

The Company has filed with the Securities and Exchange Commission (the "Commission") a registration statement on Form S-3 (No. 33-) for the registration of senior debt securities, including the Notes, under the Securities Act of 1933, as amended (the "1933 Act"), and the offering thereof from time to time in accordance with Rule 415 of the rules and regulations of the Commission under the 1933 Act (the "1933 Act Regulations"). Such registration statement has been declared effective by the Commission and the Indenture has been qualified under the Trust Indenture Act of 1939, as amended (the "1939 Act"). Such registration statement (and any further registration statements which may be filed by the Company for the purpose of registering additional Notes and which the Company and the Agents agree is to be covered by this Agreement) and the prospectus constituting a part thereof, together with any prospectus supplement relating to the Notes, including, in each case, all Incorporated Documents (as hereinafter defined), as from time to time amended or supplemented by the filing of documents pursuant to the Securities Exchange Act of 1934, as amended (the "1934 Act"), or the 1933 Act or otherwise, are referred to herein as the "Registration Statement" and the "Prospectus," respectively, except that, if any revised prospectus shall be provided to the Agents by the Company for use in connection with the offering of the Notes that is not required to be filed by the Company pursuant to Rule 424(b) of the 1933 Act Regulations, the term "Prospectus" shall refer to such revised prospectus from and after the time it is first provided to the Agents for such use. Any reference herein to the Registration Statement or the Prospectus shall be deemed to refer to and include the documents, financial statements and schedules incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act, and any reference to any amendment or supplement to the Registration Statement or the Prospectus shall be deemed to refer to and include any documents, financial statements and schedules filed by the Company with the Commission under the 1934 Act and so incorporated by reference (such incorporated documents, financial statements and schedules being herein called the "Incorporated Documents"). Notwithstanding the foregoing, for purposes of this Agreement any prospectus supplement prepared or filed with respect to an offering pursuant to the Registration Statement of a series of debt securities other than the Notes shall not be deemed to have supplemented the Prospectus.

SECTION 1. Representations and Warranties.

(a) The Company represents and warrants to each Agent as of the date hereof, as of the date of each acceptance by the Company of an offer for the purchase of Notes (whether through an Agent as agent or from an Agent as principal), as of the date of each delivery of Notes by the Company to the purchasers (whether through an Agent as agent or to an Agent as principal) (the date of each such delivery to an Agent as principal being hereafter referred to as a "Settlement Date"), and as of the dates referred to in Section 6(a) hereof (each of the dates referenced above being referred to hereafter as a "Representation Date"), as follows:

(i) The Incorporated Documents, when they were filed or became effective (or, if an amendment with respect to any such Incorporated Document was filed or became effective, when such amendment was filed or became effective) with the Commission, as the case may be, complied in all material respects with the requirements of the 1934 Act, and any Incorporated Documents filed subsequent to the date hereof and prior to the termination of the offering of the Notes, will, when they are filed with the Commission, comply in all material respects with the requirements of the 1934 Act; no such Incorporated Document, when it was filed or became effective (or, if an amendment with respect to any such Incorporated Document was filed or became effective, when such amendment was filed or became

There is no contract or document of a character required to be described in the Registration Statement or the Prospectus or to be filed as an exhibit to the Registration Statement that is not described or filed as required.

The Notes (when executed by the Company and authenticated in accordance with the terms of the Indenture and delivered to and paid for by the purchasers thereof) will be entitled to the benefits of the Indenture (subject to the exceptions set forth in the preceding sentence).

(v) The Company is a validly existing corporation in good standing under the laws of its state of incorporation. Each Principal Domestic Subsidiary (which term means each of MidCon Corp., a Delaware corporation, Occidental Chemical Holding Corporation, a California corporation, and Occidental Oil and Gas Corporation, a California corporation, until such time as the fact that any such entity is no longer majority-owned by the Company shall have been disclosed in the Registration Statement and the Prospectus) is a validly existing corporation in good standing under the laws of its state of incorporation. The Company and each Principal Domestic Subsidiary has full corporate power and authority to own its properties and carry on its business as presently conducted, as described in the Prospectus, and is duly registered or qualified to conduct business, and is in good standing, in each jurisdiction in which it owns or leases property or transacts business and in which such registration or qualification is necessary, except as

(vi) Except as contemplated in the Prospectus, since the date of the most recent consolidated financial statements included or incorporated by reference in the Registration Statement and the Prospectus, unless the Company has notified the Agents as provided in Section 3(d) hereof, there has not been any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

(vii) The Company is not in violation of its Restated Certificate of Incorporation or Bylaws, in each case, as amended. The execution and delivery of this Agreement by the Company, the issuance and sale of the Notes and the performance by the Company of its obligations under this Agreement, the Indenture and any applicable Terms Agreement will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under (A) the Restated Certificate of Incorporation or Bylaws of the Company, in each case, as amended, (B) subject to the Company's compliance with any applicable covenants pertaining to its incurrence of unsecured indebtedness contained therein, any agreement or instrument (which is, individually or in the aggregate, material to the Company and its subsidiaries, taken as a whole) to which the Company is a party or by which it is bound or (C) any order of any court or governmental agency or authority presently in effect and applicable to the Company or any Principal Domestic Subsidiary. Except for orders, permits and similar authorizations required under the securities or Blue Sky laws of certain jurisdictions, including jurisdictions outside the United States, or required of any securities exchange on which any of the Notes might be listed, no consent, approval, authorization or other order of any regulatory body, administrative agency or other governmental body is legally required for the valid issuance and sale of the Notes. As of the date of each acceptance by the Company of an offer for the purchase of Notes and as of the date of each delivery of Notes by the Company, the Company by such acceptance or delivery, as the case may be, shall be deemed to represent and warrant to the Agents that, both immediately before and immediately after giving effect to such acceptance or delivery, the Company shall be in compliance with the requirements of any applicable covenants pertaining to its incurrence of unsecured indebtedness contained in the agreements or instruments referred to in clause (B) above.

(viii) To the best of the Company's knowledge, the accountants who have audited and reported upon the consolidated financial statements filed with the Commission as part of the Registration Statement and the Prospectus are independent accountants as required by the 1933 Act. The consolidated financial statements included in the Registration Statement and Prospectus, or incorporated therein by reference, fairly present the consolidated financial position and results of operations of the entities to which such statements relate at the respective dates and for the respective periods to which they apply. Such consolidated financial statements have been prepared in accordance with generally accepted accounting principles consistently applied, except as set forth in the Registration Statement and Prospectus.

(ix) The Company has complied with, and is and will be in compliance with, the provisions of that certain Florida act relating to disclosure of doing business with Cuba, codified as Section 517.075 of the Florida statutes, and the rules and regulations thereunder (collectively, the "Cuba Act") or is exempt therefrom.

(b) Additional Certifications. Any certificate signed by any officer of the Company and delivered to an Agent or to counsel for the Agents in connection with an offering of Notes shall be deemed a representation and warranty by the Company to such Agent as to the matters covered thereby on the date of such certificate.

SECTION 2. Solicitations as Agents; Purchases as Principals.

(a) Solicitations as Agents. On the basis of the representations and warranties herein contained, but subject to the terms and conditions herein set forth, each Agent agrees, as an agent of the Company, to use its best efforts to solicit offers to purchase the Notes upon the terms and subject to the conditions set forth herein and in the Prospectus. The Agents are not authorized to appoint sub-agents or to engage the services of any other broker or dealer in connection with the offer or sale of the Notes as agents. In connection with the solicitation of offers to purchase Notes, the Agents are not authorized to provide any written information relating to the Company to any prospective purchaser other than the Prospectus and the Incorporated Documents.

The Company reserves the right, in its sole discretion, to suspend solicitation of offers to purchase the Notes commencing at any time for any period of time or permanently. Upon receipt of instructions from the Company, the Agents will forthwith suspend solicitation of offers to purchase the Notes from the Company until such time as the Company has advised the Agents that such solicitation may be resumed.

The Company agrees to pay each Agent a commission, which such Agent is hereby authorized to deduct from the sales proceeds of each Note sold by the Company as a result of a solicitation made by such Agent, equal to the applicable percentage of the principal amount of each such Note, as set forth in Exhibit A hereto. Without the consent of the Company, no Agent may reallocate any portion of the commission payable pursuant hereto to dealers or purchasers in connection with the offer and sale of any Notes as agents.

As an agent, each Agent is authorized, except during periods of suspension as provided in this Agreement, to solicit offers to purchase the Notes. Each Agent shall communicate to the Company, orally or in writing, each reasonable offer to purchase Notes received by such Agent, as agent. Each Agent shall have the right in its discretion reasonably exercised to reject any offer to purchase the Notes received by such Agent that it does not deem reasonable, and any such rejection shall not be deemed a breach of such Agent's agreements contained herein. The Company shall have the sole right to accept offers to purchase the Notes and may reject any such offer in whole or in part, and any such rejection shall not be deemed to be a breach of any agreement of the Company contained herein. The purchase price, interest rate, maturity date and other terms of the Notes agreed upon by the Company shall be set forth in a pricing supplement to the Prospectus to be prepared following each acceptance by the Company of an offer for the purchase of Notes (a "Pricing Supplement"). All Notes will be issued at 100% of their principal amount, unless otherwise agreed to by the Company. Each Agent acknowledges and agrees that any funds which such Agent receives in respect of a purchase of Notes, which purchase has been solicited by such Agent, as agent of the Company, will be received, held and disposed of by such Agent, as agent of the Company.

(b) Purchases as Principal. Each sale of Notes to an Agent as principal shall be made in accordance with the terms contained herein and pursuant to a separate agreement which will provide for the sale of such Notes to, and the purchase and any reoffering thereof by, such Agent. Each such separate agreement (which may be an oral agreement if confirmed within 24 hours thereafter by an exchange of any standard form of written telecommunication (including facsimile transmission) between the Agent and the Company) is herein referred to as a "Terms Agreement." Unless the context otherwise requires, each reference contained herein to "this Agreement" shall be deemed to include any applicable Terms Agreement between the Company and the Agent. Each such Terms Agreement, whether oral (and confirmed in writing, which confirmation may be by facsimile transmission) or in writing, shall be with respect to such information (as applicable) as is specified in Exhibit B hereto. An Agent's commitment to purchase Notes pursuant to any Terms Agreement shall be deemed to have been made on the basis of the representations and warranties of the Company herein contained and shall be subject to the terms and conditions herein set forth. Unless expressly prohibited by the Company pursuant to the Terms Agreement relating to a sale of Notes to the Agent, each Agent is authorized to utilize a selling or dealer group in connection with the resale of the Notes purchased pursuant to such

Terms Agreement. In connection with any brokers or dealers whose services are engaged by any Agent with respect to the offer or sale of the Notes, such Agent agrees that it will use its best efforts to cause such brokers or dealers to comply with the terms and provisions of this Agreement, the applicable provisions of the 1933 Act and the 1934 Act and the applicable rules and regulations of the Commission thereunder, the applicable rules and regulations of the National Association of Securities Dealers, Inc. and the applicable rules of any securities exchange having jurisdiction over the offering of the Notes.

(c) Administrative Procedures. Administrative procedures with respect to the sale of Notes shall be agreed upon from time to time by the Agents and the Company (the "Procedures"). The Procedures initially agreed upon shall be those set forth in Exhibit C hereto. The Agents and the Company agree to perform the respective duties and obligations specifically provided to be performed by the Agents and the Company herein and in the Procedures.

(d) Foreign Offerings. Each Agent represents and agrees that (i) such Agent has not solicited, and will not solicit, offers to purchase any of the Notes from, (ii) such Agent has not sold, and will not sell, any of the Notes to, and (iii) such Agent has not distributed, and will not distribute, the Prospectus to, any person or entity in any jurisdiction outside of the United States (collectively "Foreign Offers and Sales") except, in each case, in compliance in all material respects with all applicable laws and, in connection with the initial offering of, or subscription for, any of the Notes, only with the prior written consent of the Company and in full compliance with any requirements and procedures established by the Company with respect to any such Foreign Offers and Sales. For the purposes of this subsection (d), "United States" means the United States of America, its territories, its possessions (including the Commonwealth of Puerto Rico) and other areas subject to its jurisdiction.

In particular and without limiting the generality of the foregoing:

(i) Each Agent agrees to distribute, in connection with any Foreign Offers and Sales, only those Prospectuses used in connection therewith that have been appropriately "stickered" for use in the jurisdiction in which such Foreign Offers and Sales are to be made.

(ii) With respect to the United Kingdom, each Agent represents and agrees that (A) it has not offered or sold and will not offer or sell in the United Kingdom, by means of any document, any Notes other than to persons whose ordinary business it is to buy or sell shares or debentures, whether as principal or agent, or in circumstances which do not constitute an offer to the public within the meaning of the Companies Act 1985, (B) it has complied and will comply with all applicable provisions of the Financial Services Act 1986 (the "Financial Services Act") with respect to anything done by it in relation to the Notes in, from or otherwise involving the United Kingdom and (C) it has only issued or passed on, and will only issue or pass on, in the United Kingdom any document received by it in connection with the issue of the Notes, other than any document which consists of or any part of listing particulars, supplementary listing particulars or any other document required or permitted to be published by listing rules under Part IV of the Financial Services Act, to a person who is of a kind described in Article 9(3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1988 or is a person to whom the document may otherwise lawfully be issued or passed on, provided, however, that clause (A) above shall not apply in respect of any Notes in respect of which application has been made for admission to the official list of The International Stock Exchange of the United Kingdom and the Republic of Ireland Limited ("The London Stock Exchange"), in which event each Agent undertakes to comply with the requirements of the Financial Services Act, in particular the directions and rules made by The London Stock Exchange or such other party as may for the time being be the competent authority under the Financial Services Act.

(iii) With respect to Japan, each Agent understands that the Notes have not been, and will not be, registered under the Securities and Exchange Law of Japan, and, accordingly, each Agent represents and agrees that (A) in connection with the initial offering of any of the Notes, such Agent has not, directly or indirectly, offered or sold, and will not, directly or indirectly, offer or sell, any of the Notes in Japan or to any resident of Japan (including any corporation or other entity incorporated or organized under the laws of Japan), or to others for re-offering or resale, directly or indirectly, in Japan or to any such resident of

Japan, except, in each case, in compliance in all material respects with the Securities and Exchange Law of Japan, and (B) with respect to any such sale of the Notes made by such Agent, such Agent will effect all necessary filings in connection with such sale, including, without limitation, any required filings of notifications with the Minister of Finance of Japan, as required pursuant to the provisions of relevant securities or foreign exchange control legislation of Japan.

(iv) With respect to the Provinces of Canada (the "Provinces"), each Agent represents and agrees that, in connection with the initial offering of any of the Notes, (A) such Agent will not, directly or indirectly, offer or sell any of the Notes in any of the Provinces or to, or for the benefit of, any resident of any of the Provinces after the date (the "Canadian Ending Date") set by the Company for the end of the offer of such Notes, and, without the prior written consent of the Company, such Agent will not distribute or permit to be distributed any Prospectus in any of the Provinces or to, or for the benefit of, any resident of any of the Provinces after the Canadian Ending Date, (B) with respect to anything done by such Agent in relation to the Notes in, from, or otherwise involving, any of the Provinces, such Agent has complied, and will comply, in all material respects, with all applicable provisions of the securities legislation of Canada and the Provinces (the "Canadian Securities Legislation") (including, without limitation, the conveyance, or the provision of assistance to the Company in conveying, any right of rescission, damages or other right as required by applicable Canadian Securities Legislation) so that any offer or sale of any of the Notes in the Provinces, or any of them, will qualify for exemptions from prospectus, registration and equivalent requirements, or exemptions from other applicable requirements, as prescribed by the Canadian Securities Legislation in force at the time when such offer or sale is made, provided that such offer or sale is made pursuant to the Prospectus, as supplemented to the extent required by the Canadian Securities Legislation (the Prospectus, as so supplemented, hereinafter referred to as the "Canadian Offering Memorandum"), (C) with respect to Notes offered or sold, or to be offered or sold, by such Agent, or Notes purchased, or to be purchased, by such Agent, it has provided, and will provide, investors, where required pursuant to the provisions of applicable Canadian Securities Legislation, with (1) the Canadian Offering Memorandum, and (2) a list of the documents filed by the Company with the Commission pursuant to Sections 13(a), 13(c), 14 or 15(d) of the 1934 Act subsequent to the date of the Prospectus, dated , 1995, and will obtain from each of such investors an acknowledgement in form satisfactory to the Company, and (D) with respect to any such sale of the Notes made by such Agent, such Agent will effect all necessary filings in connection with such sale, including, without limitation, any required filings of (x) reports of trades and (y) the Canadian Offering Memorandum, in each case with provincial securities commissions, as required pursuant to the provisions of applicable Canadian Securities Legislation.

SECTION 3. Covenants of the Company.

The Company covenants with each Agent as follows:

(a) Notice of Certain Events. The Company will notify the Agents promptly (i) of the effectiveness of any post-effective amendment to the Registration Statement (other than a post-effective amendment relating solely to an offering of debt securities other than the Notes), (ii) of the transmittal to the Commission for filing of any supplement to the Prospectus (other than a Pricing Supplement or a supplement relating solely to an offering of debt securities other than the Notes) or any document to be filed pursuant to the 1934 Act which will be incorporated by reference in the Prospectus, (iii) of the receipt of any comments from the Commission with respect to the Registration Statement or the Prospectus (other than any comments relating solely to an offering of debt securities other than the Notes), (iv) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Prospectus or for additional information (other than any such request relating solely to an offering of debt securities other than the Notes), (v) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose and (vi) of the receipt of notice from one or more of Standard & Poor's Corporation, Moody's Investors Service, Inc., Duff & Phelps Inc. and Fitch Investors Service, Inc. (or any of their respective successors) that the Notes have been or are going to be placed on what is commonly termed a "watch list" for possible downgrading. The Company will make

every reasonable effort to prevent the issuance of any such stop order and, if any such stop order is issued, to obtain the lifting thereof at the earliest possible moment, unless the Company shall, in its sole discretion, determine that it is not in its best interest to do so.

(b) Notice of Certain Proposed Filings. At or prior to the filing thereof, the Company will give the Agents notice of its intention to file any additional registration statement with respect to the registration of additional Notes to be covered by this Agreement, any amendment to the Registration Statement or any amendment or supplement to the Prospectus (other than a Pricing Supplement or an amendment or supplement relating solely to an offering of debt securities other than the Notes), whether by the filing of documents pursuant to the 1934 Act, the 1933 Act or otherwise, and will furnish the Agents with copies of any such amendment or supplement or other documents promptly after the filing thereof.

(c) Copies of the Registration Statement and the Prospectus. The Company will deliver to the Agents one signed and as many conformed copies of the Registration Statement (as originally filed) and of each amendment thereto (including the Incorporated Documents and any exhibits filed therewith or incorporated by reference therein) as the Agents may reasonably request. The Company will furnish to the Agents as many copies of the Prospectus (as amended or supplemented) as the Agents shall reasonably request so long as the Agents are required to deliver a Prospectus in connection with sales or solicitations of offers to purchase the Notes.

(d) Revisions of Prospectus -- Material Changes. So long as the Agents are required to deliver a Prospectus in connection with sales or solicitations of offers to purchase the Notes, if any event shall occur or condition exist as a result of which it is necessary, in the opinion of counsel for the Company and of counsel for the Agents, to further amend or supplement the Prospectus in order that the Prospectus will not include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading, in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, to amend or supplement the Registration Statement or the Prospectus in order to comply with the requirements of the 1933 Act or the 1933 Act Regulations, prompt notice shall be given, and confirmed in writing, to the Agents to cease the solicitation of offers to purchase the Notes in their capacity as agents and to cease sales of any Notes the Agents may then own as principal. In addition, if any Agent holds Notes purchased for resale pursuant to a Terms Agreement during the period ending 90 days after the date of execution of such Terms Agreement, the Company will promptly prepare and file an amendment or supplement to the Prospectus so that the Prospectus, as amended or supplemented, will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein not misleading, in the light of the circumstances existing at the time it is delivered to the Agents.

(e) Revisions of Prospectus -- Periodic Financial Information. On or promptly following the date on which there shall first be released to the general public interim financial statement information related to the Company's results of operations for each of the first three quarters of any fiscal year or preliminary financial statement information with respect to any fiscal year (in each case which has not been previously included or incorporated by reference in the Prospectus), the Company shall furnish such information to the Agents and shall cause the Prospectus to be amended or supplemented, whether by the filing of documents pursuant to the 1934 Act, the 1933 Act or otherwise, to include or incorporate by reference such financial statement information included in such release (but not any narrative information included in each such release), as well as such other information and explanations as, in the reasonable judgment of the Company, shall be necessary for an understanding thereof or as shall be required by the 1933 Act or the 1933 Act Regulations.

(f) Earnings Statements. The Company will make generally available to its security holders, in each case as soon as practicable but in any event not later than 15 months after the acceptance by the Company of an offer to purchase Notes hereunder, a consolidated earnings statement (which need not be audited) covering the twelve-month period beginning after the latest of (i) the effective date of the Registration Statement, (ii) the effective date of the most recent post-effective amendment to the Registration Statement to become effective prior to the date of such acceptance and (iii) the date of the Company's most recent annual report on Form 10-K filed with the Commission prior to the date of such acceptance, which earnings statement will

satisfy the provisions of Section 11(a) of the 1933 Act (and, at the option of the Company, Rule 158 of the 1933 Act Regulations). Nothing in this Section 3(f) shall require the Company to make such earnings statement available more frequently than once in any period of twelve months.

(g) Blue Sky Qualifications. The Company will endeavor, in cooperation with the Agents, to qualify the Notes for offering and sale under the applicable securities laws of such states and other jurisdictions as the Agents may reasonably designate (provided no registration shall be required outside of the United States), and will maintain such qualifications in effect for as long as may be required for the distribution of the Notes; provided, however, that the Company will promptly notify the Agents of any suspension of any such qualifications; and provided, further, that the Company shall not be obligated to register or qualify as a foreign corporation or take any action which would subject it to general service of process in any jurisdiction where it is not now so subject.

(h) Suspension of Certain Obligations. The Company shall not be required to comply with the provisions of subsections (b), (c), (d), or (e) of this Section 3 during any period from the time the Agents shall have been notified to suspend the solicitation of offers to purchase the Notes in their capacity as agent or resales of Notes purchased pursuant to a Terms Agreement to the time the Company shall determine that solicitation of offers to purchase the Notes through any Agent or Agents or resales as principal of Notes purchased pursuant to a Terms Agreement by any Agent or Agents should be resumed. Notwithstanding the foregoing, if any Agent holds Notes purchased for resale pursuant to a Terms Agreement, the Company shall comply with the provisions of subsections (b), (c), (d) and (e) of this Section 3 during the 90-day period from and including the date of execution of such Terms Agreement; provided, however, that the Company shall have the right, in its reasonable business judgment, to suspend such compliance during such 90-day period, in which event, such 90-day period shall be extended by the number of days included in any such period of suspension.

SECTION 4. Payment of Expenses.

The Company will pay all expenses incident to the performance of its obligations under this Agreement, including:

- (i) The preparation and filing of the Registration Statement and all amendments thereto and the Prospectus and any amendments or supplements thereto and all Incorporated Documents;
- (ii) The preparation, filing and printing of this Agreement;
- (iii) The preparation, printing, issuance and delivery of the Notes;
- (iv) The fees and disbursements of the Trustee and its counsel, of any calculation agent or exchange rate agent and of The Depository Trust Company;
- (v) The reasonable fees and disbursements of counsel to the Agents incurred from time to time in connection with the transactions contemplated hereby;
- (vi) The qualification of the Notes under securities laws in accordance with the provisions of Section 3(g) hereof, including filing fees and the reasonable fees and disbursements of counsel to the Agents in connection therewith and in connection with the preparation of any Blue Sky survey and any legal investment survey;
- (vii) The printing and delivery to the Agents in quantities as hereinabove stated of copies of the Registration Statement and any amendments thereto, and of the Prospectus and any amendments or supplements thereto relating to the Notes, and the delivery by the Agents of the Prospectus and any amendments or supplements thereto in connection with solicitations of offers to purchase, or confirmations of sales of, the Notes;
- (viii) The preparation, printing and delivery to the Agents of copies of the Indenture;
- (ix) Any fees charged by rating agencies for the rating of the Notes;
- (x) The fees and expenses, if any, incurred with respect to any filing with the National Association of Securities Dealers, Inc. relating to the Agents' obligations hereunder or under a Terms Agreement; and

(xi) Any advertising and other out-of-pocket expenses of the Agents incurred with the prior written approval of the Company.

SECTION 5. Conditions of Obligations.

The obligations of any Agent to solicit offers to purchase the Notes as agent of the Company and the obligations of any Agent to purchase Notes pursuant to any Terms Agreement will be subject at all times to the accuracy, as of the applicable Representation Date, of the representations and warranties on the part of the Company herein and the accuracy, as of the date made, of the statements of the Company's officers made in any certificate furnished pursuant to the provisions hereof, to the performance and observance by the Company of all covenants and agreements herein contained on its part to be performed and observed and to the following additional conditions precedent:

(a) On the date hereof, the Agents shall have received an opinion from Robert E. Sawyer, Esq., Associate General Counsel of the Company, dated as of the date hereof and in form and scope satisfactory to counsel for the Agents, to the effect that:

(i) The Company has been duly incorporated and is validly existing in good standing under the laws of the State of Delaware. Each Principal Domestic Subsidiary is validly existing in good standing under the laws of its state of incorporation.

(ii) The Company has full corporate power and corporate authority to enter into and perform its obligations under this Agreement and the Indenture, to borrow money as contemplated in this Agreement and the Indenture, and to issue, sell and deliver the Notes.

(iii) This Agreement has been duly authorized, executed and delivered by the Company.

(iv) The Indenture has been duly authorized, executed and delivered by the Company and (assuming the due authorization, execution and delivery thereof by the Trustee) is a valid and binding agreement of the Company enforceable against the Company in accordance with its terms, except that such enforceability may be limited by (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and (B) general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(v) No consent or approval of any United States governmental authority or other United States person or United States entity is required in connection with the issuance or sale of the Notes other than registration thereof under the 1933 Act, qualification of the Indenture under the 1939 Act, and such registrations or qualifications as may be necessary under the securities or Blue Sky laws of the various United States jurisdictions in which the Notes are to be offered or sold.

(vi) The Notes, when executed by the Company and authenticated by the Trustee in accordance with the terms of the Indenture (assuming the due authorization, execution and delivery of the Indenture by the Trustee) and issued to and paid for by the purchasers thereof, will be entitled to the benefits of the Indenture and will be valid and binding obligations of the Company enforceable against the Company in accordance with their respective terms, except that such enforceability may be limited by (A) bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect relating to creditors' rights generally and (B) general principles of equity (regardless of whether such enforcement is sought in a proceeding in equity or at law).

(vii) The Registration Statement has become effective under the 1933 Act and the Indenture has been qualified under the 1939 Act, and, to the best of such counsel's knowledge, no stop order suspending the effectiveness of the Registration Statement has been issued and no proceedings for that purpose have been instituted or are pending or contemplated.

(viii) The execution and delivery of this Agreement and the Indenture by the Company, the issuance and sale of the Notes and the fulfillment of this Agreement and the Indenture by the Company will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under (A) the Restated Certificate of Incorporation or Bylaws of the Company, in each case, as amended,

(B) any statute, law or regulation to which the Company or any Principal Domestic Subsidiary or any of their respective properties may be subject or (C) any judgment, decree or order, known to such counsel, after reasonable inquiry, of any court or governmental agency or authority entered in any proceeding to which the Company or any Principal Domestic Subsidiary was or is now a party or by which it is bound, except that such counsel may state that the opinion set forth in clause (B) of this paragraph (viii) is limited to those statutes, laws or regulations currently in effect which, in such counsel's experience, are normally applicable to transactions of the type contemplated by this Agreement and that such counsel expresses no opinion as to the securities or Blue Sky laws of the various jurisdictions in which the Notes are to be offered.

(ix) The Registration Statement, as of the date it became effective, and the Prospectus, as of the date of this Agreement, including each Incorporated Document when such Incorporated Document was filed or became effective, or if any such Incorporated Document was amended, when such amendment was filed or became effective, appeared on their face to be appropriately responsive in all material respects to the applicable requirements of the 1933 Act or the Securities Exchange Act of 1934, as the case may be, except that in each case such counsel need not express an opinion as to the financial statements and schedules and other financial data included or incorporated by reference therein or as to the Form T-1.

(x) The statements in the Prospectus under the captions "Description of the Debt Securities" and "[Description of the Notes,]" insofar as they purport to summarize certain provisions of documents specifically referred to therein, are in all material respects accurate summaries of such provisions.

(xi) Except as set forth in the Prospectus (including the Incorporated Documents), there is not pending or, to the knowledge of such counsel, after reasonable inquiry, threatened any action, suit or proceeding against the Company or any of its subsidiaries before or by any court or governmental agency or body, which is likely (to the extent not covered by insurance) to have a material adverse effect on the consolidated financial condition of the Company and its subsidiaries, taken as a whole.

(xii) To the best of such counsel's knowledge, after reasonable inquiry, there is no contract or document of a character required to be described in the Registration Statement or the Prospectus or to be filed as an exhibit to the Registration Statement that is not described or filed as required.

(xiii) To the best of such counsel's knowledge, after reasonable inquiry, the Company is not in violation of its Restated Certificate of Incorporation or Bylaws, in each case, as amended.

(xiv) To the best of such counsel's knowledge, after reasonable inquiry, the execution and delivery of this Agreement, the Indenture and any applicable Terms Agreement by the Company, the issuance and sale of the Notes and the performance by the Company of its obligations under this Agreement, the Indenture and any applicable Terms Agreement will not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under, subject (except in respect of any Notes issued and sold on the date of such opinion pursuant to an applicable Terms Agreement) to the Company's compliance with any applicable covenants pertaining to its incurrence of unsecured indebtedness, any agreement or instrument that is, individually or in the aggregate, material to the Company and its subsidiaries, taken as a whole, to which the Company is a party or by which it is bound. To the best of such counsel's knowledge, after reasonable inquiry, the issuance and sale as of the date of this Agreement of all of the authorized aggregate principal amount of the Notes, both immediately before and after giving effect to such issuance and sale, would not conflict with or constitute a breach of or a default (with the passage of time or otherwise) under any applicable covenants pertaining to the Company's incurrence of unsecured indebtedness contained in the agreements or instruments referred to above.

In rendering the opinions set forth in paragraphs (iv) and (vi) above, such counsel may state that such enforcement may be limited by (i) requirements that a claim with respect to any Notes denominated other than in United States dollars (or a judgment denominated other than in United States dollars in respect of such claim) be converted into United States dollars at a rate of exchange prevailing on a date determined pursuant to applicable law and (ii) governmental authority to limit, delay or prohibit the making of payments outside the United States or in foreign currency or composite currency.

In rendering such opinion such counsel may state that with respect to certain matters he has relied upon advice of other counsel employed by the Company who are more familiar with such matters.

In addition, such counsel shall state that he has participated in conferences with officers and other representatives of the Company, outside counsel for the Company, representatives of the independent public accountants for the Company, representatives of the Agents and counsel for the Agents, at which conferences the contents of the Registration Statement and Prospectus and related matters were discussed and, although he is not passing upon, and does not assume any responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement or the Prospectus (other than as set forth in paragraph (x) above) and has not made any independent check or verification thereof, on the basis of the foregoing, nothing has come to such counsel's attention that leads him to believe that either the Registration Statement (including the Incorporated Documents) at the time such Registration Statement became effective, and if an amendment to the Registration Statement or an Annual Report on Form 10-K has been filed by the Company with the Commission subsequent to the effectiveness of the Registration Statement and prior to the date of such statement, then at the time such amendment became effective or at the time of the most recent such filing (to the extent deemed to be incorporated by reference therein), contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or the Prospectus (including the Incorporated Documents) as of the date of this Agreement (and, if the opinion is being given pursuant to Section 6(b) hereof as a result of the Company having entered into a Terms Agreement as contemplated by the first paragraph of Section 6(b) or having filed an Incorporated Document described in the second paragraph of Section 6(b), as of the Settlement Date with respect to such Terms Agreement or as of the filing date of such Incorporated Document, as the case may be) contained an untrue statement of a material fact or omitted to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that such counsel need express no opinion with respect to the financial statements, schedules and other financial data included or incorporated by reference in the Registration Statement or Prospectus or with respect to the Form T-1.

(b) On the date hereof, the Agents shall have received an opinion from Brown & Wood, counsel to the Agents, dated as of the date hereof and in form and substance satisfactory to the Agents.

(c) Officer's Certificate. Except as contemplated in the Prospectus or reflected therein by the filing of any amendment or supplement thereto or any Incorporated Document, at the date hereof and at each Settlement Date with respect to any Terms Agreement, there shall not have been, since the date of the most recent consolidated financial statements included or incorporated by reference in the Prospectus, any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as a whole. On the date hereof (and, if this certificate is being delivered pursuant to a Terms Agreement, as of the Settlement Date with respect to such Terms Agreement), the Agents shall have received a certificate signed by an officer of the Company, substantially in the form of Appendix I hereto and dated the date hereof, to the effect (i) that there has been no such material adverse change, (ii) that the representations and warranties of the Company contained in Section 1(a) hereof (other than Section 1(a)(vi)) are true and correct in all material respects with the same force and effect as though expressly made at and as of the date of such certificate, (iii) that the Company has complied with all agreements and satisfied all conditions required by this Agreement or the Indenture on its part to be performed or satisfied at or prior to the date of such certificate and (iv) that no stop order suspending the effectiveness of the Registration Statements has been issued and, to the best of such officer's knowledge, no proceedings for that purpose have been initiated or threatened by the Commission.

(d) Comfort Letter. On the date hereof, the Agents shall have received a letter from the Company's independent public accountants, dated as of the date hereof and in form and substance satisfactory to the Agents, to the effect that:

(i) They are independent public accountants with respect to the Company and its subsidiaries within the meaning of the 1933 Act and the 1933 Act Regulations.

(ii) In their opinion, the consolidated financial statements and supporting schedule(s) of the Company and its subsidiaries audited and reported upon by them and incorporated by reference in the Registration Statement comply as to form in all material respects with the applicable accounting requirements of the 1933 Act and the 1933 Act Regulations with respect to registration statements on Form S-3 and the 1934 Act and the rules and regulations thereunder.

(iii) They have performed specified procedures, not constituting an audit, including a reading of the latest available interim consolidated financial statements of the Company, a reading of the minute books of the Company since the end of the most recent fiscal year with respect to which an audit report has been issued, inquiries of and discussions with certain officials of the Company and certain of its subsidiaries responsible for financial and accounting matters with respect to the unaudited consolidated financial statements incorporated by reference in the Registration Statement and Prospectus and the latest available interim unaudited consolidated financial statements of the Company, and such other inquiries and procedures as may be specified in such letter, and on the basis of such inquiries and procedures nothing came to their attention that caused them to believe that: (A) the unaudited consolidated financial statements of the Company incorporated by reference in the Registration Statement and Prospectus do not comply as to form in all material respects with the applicable accounting requirements of the 1934 Act and the rules and regulations thereunder or were not fairly presented in conformity with generally accepted accounting principles in the United States applied on a basis substantially consistent with that of the audited financial statements incorporated by reference therein, or (B) at a specified date not more than five days prior to the date of such letter, there was any change in the outstanding capital stock of the Company or any increase in consolidated long-term debt of the Company or any decrease in the stockholders' equity of the Company, in each case as compared with the amounts shown on the most recent consolidated balance sheet of the Company incorporated by reference in the Registration Statement and Prospectus or, during the period from the date of such balance sheet to a specified date not more than five days prior to the date of such letter, there were any decreases, as compared with the corresponding period in the preceding year, in consolidated net sales and operating revenues or net income of the Company, except in each such case as set forth in or contemplated by the Registration Statement and Prospectus or except for such exceptions enumerated in such letter as shall have been agreed to by the Agents and the Company.

(iv) In addition to the audit referred to in their report included or incorporated by reference in the Registration Statement and the Prospectus, and the limited procedures referred to in clause (iii) above, they have carried out certain other specified procedures, not constituting an audit, with respect to certain financial information which is included or incorporated by reference in the Registration Statement and Prospectus, which would normally be covered under auditing procedures and which are specified by the Agents, and have found such financial information to be in agreement with the relevant accounting, financial and other records of the Company identified in such letter.

(e) Other Documents. On the date hereof and on each Settlement Date with respect to any applicable Terms Agreement, counsel to the Agents shall have been furnished with such documents and opinions as such counsel may reasonably require for the purpose of enabling such counsel to pass upon the issuance and sale of the Notes as herein contemplated and related proceedings, or in order to evidence the accuracy and completeness of any of the representations and warranties, or the fulfillment of any of the conditions, herein contained.

If any condition specified in this Section 5 shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by any of the Agents (as to itself only) and any Terms Agreement may be terminated by the Agent party to such Terms Agreement by notice to the Company at any time, and any such termination shall be without liability of any party to any other party, except that the covenants set forth in Section 3(f) hereof, the provisions of Section 4 hereof, the indemnity and contribution agreements set forth in Sections 7 and 8 hereof and the provisions of Sections 9 and 13 hereof shall remain in effect.

SECTION 6. Subsequent Documentation Requirements of the Company.

The Company covenants and agrees that so long as Notes are authorized for sale pursuant to this Agreement and unless the sale of Notes has been suspended as provided in this Agreement:

(a) Subsequent Delivery of Certificates. Each time that the Registration Statement or the Prospectus shall be amended or supplemented (other than by (i) a Pricing Supplement or an amendment or other supplement providing solely for a change in the interest rates of the Notes or changes in other terms of the Notes or (ii) an amendment or supplement that relates exclusively to an offering of debt securities other than the Notes) or there is filed with the Commission any document incorporated by reference into the Prospectus (other than as required pursuant to Section 3(e) hereof) or the Company sells Notes to an Agent pursuant to a Terms Agreement, the terms of which so require, the Company shall use its best efforts to furnish or cause to be furnished to the Agents or to the Agent party to the Terms Agreement, as the case may be, promptly following such amendment, supplement or filing or on the Settlement Date with respect to such Terms Agreement, as the case may be, a certificate in form satisfactory to counsel for the Agents to the effect that the statements contained in the certificate referred to in Section 5(c) hereof that was last furnished to the Agents are true and correct at the time of such amendment, supplement, filing or sale, as the case may be, as though made at and as of such time (except that such statements shall be deemed to relate to the Registration Statement and the Prospectus as amended and supplemented to such time) or, in lieu of such certificate, a certificate of the same tenor as the certificate referred to in said Section 5(c), modified as necessary to relate to the Registration Statement and the Prospectus as amended and supplemented to the time of delivery of such certificate.

(b) Subsequent Delivery of Legal Opinions. Each time that the Registration Statement or the Prospectus shall be amended or supplemented (other than by (i) a Pricing Supplement or an amendment or other supplement providing solely for a change in the interest rates of the Notes or changes in other terms of the Notes, (ii) an amendment or supplement providing solely for the inclusion of additional financial information or (iii) an amendment or supplement that relates exclusively to an offering of debt securities other than the Notes) or there is filed with the Commission any document incorporated by reference into the Prospectus (other than any Current Report on Form 8-K or Quarterly Report on Form 10-Q relating primarily to financial statements or other financial information as of and for any fiscal quarter) or the Company sells Notes to an Agent pursuant to a Terms Agreement, the terms of which so require, the Company shall use its best efforts to furnish or cause to be furnished, promptly following such amendment, supplement or filing or on the Settlement Date with respect to such Terms Agreement, as the case may be, to the Agents or to the Agent party to the Terms Agreement, as the case may be, and to counsel to the Agents a letter substantially in the form of Appendix II hereto (modified, as necessary, in the case of a Terms Agreement) from the counsel last furnishing the opinion referred to in Section 5(a) hereof or, in lieu of such letter, a letter from other counsel satisfactory to counsel for the Agents, dated the date of delivery of such letter and in form satisfactory to counsel for the Agents, of the same tenor as the opinion referred to in Section 5(a) hereof (other than the matters covered by Section 5(a)(xi)), but modified, as necessary, to relate to the Registration Statement and the Prospectus, as amended and supplemented to the time of delivery of such opinion.

The Company shall use its best efforts to furnish or cause to be furnished to the Agents, promptly following each filing by the Company of a Quarterly Report on Form 10-Q or an Annual Report on Form 10-K, a letter from the counsel last furnishing the opinion referred to in Section 5(a) hereof, or from other counsel satisfactory to counsel for the Agents, dated the date of delivery of such letter and in form satisfactory to counsel for the Agents, of the same tenor as the opinion referred to in Section 5(a)(xi) and the statement in the last paragraph of Section 5(a) hereof, but modified, as necessary, to relate to the Registration Statement and Prospectus, as amended and supplemented to the time of delivery of such letter.

(c) Subsequent Delivery of Comfort Letters. Each time that the Registration Statement or the Prospectus shall be amended or supplemented to include additional financial information or there is filed with the Commission any document incorporated by reference into the Prospectus which contains additional financial statement information relating to the Company (other than as required pursuant to Section 3(e)

hereof) or the Company sells Notes pursuant to a Terms Agreement, the terms of which so require, the Company shall use its best efforts to cause the Company's independent public accountants, promptly following such amendment, supplement or filing or on the Settlement Date with respect to such Terms Agreement, as the case may be, to furnish the Agents or to the Agent party to the Terms Agreement, as the case may be, a letter, dated the date of filing of such amendment, supplement or document with the Commission, or such Settlement Date, as the case may be, in form satisfactory to counsel for the Agents (or such Agent), of the same tenor as the portions of the letter referred to in clauses (i) and (ii) of Section 5(d) hereof but modified, as necessary, to relate to the Registration Statement and Prospectus, as amended and supplemented to the date of such letter, and of the same general tenor as the portions of the letter referred to in clauses (iii) and (iv) of said Section 5(d) with such changes as may be necessary to reflect changes in the financial statements and other information derived from the accounting records of the Company; provided, however, that if the Registration Statement or the Prospectus is amended or supplemented solely to include financial information as of and for a fiscal quarter, the Company's independent public accountants may limit the scope of such letter to the unaudited financial statements included in such amendment or supplement.

SECTION 7. Indemnification.

(a) Indemnification of the Agents. The Company agrees to indemnify and hold harmless each Agent and each person, if any, who controls an Agent within the meaning of Section 15 of the 1933 Act as follows:

(i) against any and all loss, liability, claim, damage and expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Agents), as incurred, insofar as such loss, liability, claim, damage or expense arises out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading, or arises out of any untrue statement or alleged untrue statement of a material fact contained in the Prospectus or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Agents), as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever, insofar as such loss, liability, claim, damage or expense arises out of any such untrue statement or omission, or any such alleged untrue statement or omission, if such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever (including, subject to the limitations set forth in subsection (c) below, the reasonable fees and disbursements of counsel chosen by the Agents), as incurred, reasonably incurred in investigating, preparing or defending against any litigation, or investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever, based upon any such untrue statement or omission, or any such alleged untrue statement or omission;

provided, however, that this indemnity shall not apply to any loss, liability, claim, damage or expense (A) to the extent arising out of or based upon any untrue statement or omission or alleged untrue statement or omission made in reliance upon the Form T-1 under the 1939 Act filed as an exhibit to the Registration Statement; or (B) to the extent arising out of any untrue statement or omission or alleged untrue statement or omission in the Prospectus, if such untrue statement or alleged untrue statement or omission or alleged omission is corrected in an amendment or supplement to the Prospectus and if, having previously been furnished by or on behalf of the Company with copies of the Prospectus, as so amended or supplemented, such Agent thereafter failed to deliver such Prospectus, as so amended or supplemented, prior to or concurrently with the sale of a Note or Notes to the person asserting such loss, liability, claim, damage or expense who purchased such Note or Notes that are the subject thereof from such Agent; or (C) as to which such Agent

may be required to indemnify the Company pursuant to the provisions of subsection (b) of this Section 7; or (D) if such loss, liability, claim, damage or expense is covered by any other written agreement between the Company and such Agent pertaining to the sale of the Notes pursuant to which such Agent may be required to indemnify the Company for such loss, liability, claim, damage or expense.

(b) Indemnification of the Company. Each Agent agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 7, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement or the Prospectus in reliance upon and in conformity with written information furnished to the Company by such Agent expressly for use in the Registration Statement or the Prospectus.

(c) General. (i) In case any action, suit or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought against any Agent or any person controlling such Agent, based upon the Registration Statement or the Prospectus and with respect to which indemnity may be sought against the Company pursuant to this Section 7, such Agent or controlling person shall promptly notify the Company in writing, and the Company shall assume the defense thereof, including the employment of counsel and payment of all expenses. Any such Agent or any such controlling person shall have the right to employ separate counsel in any such action, suit or proceeding and to participate in the defense thereof, but the fees and expenses of such separate counsel shall be at the expense of such Agent or such controlling person, unless (A) the employment of such counsel shall have been specifically authorized in writing by the Company, (B) the Company shall have failed to assume the defense and employ counsel or (C) the named parties to any such action, suit or proceeding (including any impleaded parties) shall include both such Agent or such controlling person and the Company, and such Agent or such controlling person shall have been advised by such counsel that there may be one or more legal defenses available to it that are different from, or additional to, those available to the Company (in which case, if such Agent or such controlling person notifies the Company in writing that it elects to employ separate counsel at the expense of the Company, the Company shall not have the right to assume the defense of such action, suit or proceeding on behalf of such Agent or such controlling person, it being understood, however, that the Company shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) for all such Agents and such controlling persons, which firm shall be designated in writing by a majority of all such Agents, on behalf of all of such Agents and such controlling persons).

(ii) In case any action, suit or proceeding (including any governmental or regulatory investigation or proceeding) shall be brought against the Company, any of the Company's directors or officers, or any person controlling the Company, with respect to which indemnity may be sought against any Agent pursuant to this Section 7, such Agent shall have the rights and duties given to the Company by subsection (c)(i) of this Section 7, and the Company, the Company's directors and officers and any such controlling person shall have the rights and duties given to the Agents by subsection (c)(i) of this Section 7.

SECTION 8. Contribution.

In order to provide for just and equitable contribution in circumstances in which the indemnity agreement provided for in Section 7 hereof is for any reason held to be unenforceable by the indemnified parties, although applicable in accordance with its terms, the Company and each Agent shall contribute to the aggregate losses, liabilities, claims, damages and expenses of the nature contemplated by said indemnity agreement incurred by the Company and the Agents, as incurred, in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and each of the Agents, on the other hand, from the offering of the Notes. The relative benefits received by the Company, on the one hand, and each of the Agents, on the other hand, shall be deemed to be in the same proportions as the total net proceeds from the sale of the Notes received by the Company, on the one hand, and the total commissions or other compensation or remuneration received by each Agent, on the other hand, bears to the total purchase price of the Notes, in each case as set

forth in the applicable Pricing Supplement. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 8, each person, if any, who controls an Agent within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as such Agent, and each director of the Company, each officer of the Company who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act shall have the same rights to contribution as the Company. Any party entitled to contribution hereunder will, promptly after receipt of notice of commencement of any action, suit or proceeding against such party in respect of which a claim for contribution may be made against another party or parties under this Section 8, notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any other obligation it or they may have otherwise than under this Section 8.

SECTION 9. Representations, Warranties and Agreements to Survive Delivery.

All representations, warranties and agreements contained in this Agreement or any Terms Agreement, or contained in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Agent or any controlling person of any Agent, or by or on behalf of the Company, and shall survive each delivery of and payment for any of the Notes.

SECTION 10. Termination.

(a) Termination of this Agreement. This Agreement may be terminated by the Company (i) for any reason at any time with respect to any Agent or Agents upon the giving of 10 days' written notice of such termination to each other party hereto or (ii) at any time upon notice to each other party hereto if no Notes then remain authorized for sale pursuant hereto. This Agreement may be terminated by any Agent (as to itself only) either (x) upon the giving of 10 days' written notice of such termination to each other party hereto or (y) at any time upon notice to the Company if the Company shall have failed to furnish or cause to be furnished the certificates, opinions or letters referred to in Section 5 or 6 hereof or if no Notes then remain authorized for sale pursuant hereto.

(b) Termination of a Terms Agreement. An Agent party to a Terms Agreement may terminate such Terms Agreement (as to itself only) immediately upon notice to the Company, at any time prior to the Settlement Date relating thereto, if (i) between the date of such Terms Agreement and the related Settlement Date, there shall have been any material adverse change in the consolidated financial condition of the Company and its subsidiaries, taken as whole, (ii) there shall have occurred any material adverse change in the financial markets in the United States or any outbreak or escalation of hostilities or other national or international calamity or crisis, the effect of which shall be such as to make it, in the reasonable judgment of such Agent, impracticable to market or to enforce contracts for sale of the Notes and other debt securities, (iii) trading in any securities of the Company shall have been suspended by the Commission or a national securities exchange, or if trading generally on the New York Stock Exchange shall have been suspended, or minimum or maximum prices for trading shall have been fixed, or maximum ranges for prices for securities shall have been required, by said exchange or by order of the Commission or any other governmental authority, or if a banking moratorium shall have been declared by either Federal or New York authorities or if a banking moratorium shall have been declared by the relevant authorities in the country or countries of origin of any foreign currency or currencies in which the Notes are denominated or payable, (iv) any of the nationally recognized securities rating agencies referred to in Section 3(a)(vi) shall have publicly announced that it has (A) placed the Notes on what is commonly termed as "watch list" for possible downgrading or (B) downgraded the Notes, or (v) the Company shall have failed to furnish or cause to be furnished the certificates, opinions or letters referred to in Section 6 hereof.

(c) General. In the event of any such termination, no party will have any liability to any other party hereto, except that (i) a terminating Agent shall be entitled to any commissions earned in accordance with the third paragraph of Section 2(a) hereof, (ii) if at the time of termination (A) a terminating Agent and the

Company shall have entered into a Terms Agreement and the Settlement Date with respect thereto shall not yet have occurred or (B) an offer to purchase any of the Notes has been accepted by the Company but the time of delivery to the purchaser or his agent of the Note or Notes relating thereto has not occurred, the covenants set forth in Sections 3 (subject to the provisions of Section 3(h)) and 6 hereof shall remain in effect until such Settlement Date or until such Notes are so delivered, as the case may be, (iii) if at the time of termination an Agent holds Notes purchased under a Terms Agreement entered into within 90 days of such termination, the covenants set forth in Section 3(d) (subject to the provisions of Section 3(h)) shall remain in effect for a period of 90 days following the date such Terms Agreement is entered into (subject to extension pursuant to Section 3(h)) and (iv) the covenants set forth in Section 3(f) hereof, the provisions of Section 4 hereof, the indemnity and contribution agreements set forth in Sections 7 and 8 hereof and the provisions of Sections 10 and 13 hereof shall remain in effect.

SECTION 11. Notices.

All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Agents shall be directed, as the case may be, to [insert Agent's notice provisions]. Notices to the Company shall be directed to it at 10889 Wilshire Boulevard, Los Angeles, California 90024, attention of Vice President and Treasurer.

SECTION 12. Parties.

This Agreement shall inure to the benefit of and be binding upon the Agents (and, in the case of a Terms Agreement, the Agent or Agents party thereto) and the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the parties hereto and their respective successors and the controlling persons and officers and directors referred to in Sections 7 and 8 hereof and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provisions herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the parties hereto and their respective successors and said controlling persons and officers and directors and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Notes shall be deemed to be a successor by reason merely of such purchase.

SECTION 13. Governing Law.

This Agreement and the rights and obligations of the parties created hereby shall be governed by and construed in accordance with the laws of the State of New York applicable to agreements made and to be performed in such State.

If the foregoing is in accordance with your understanding of our agreement, please sign and return to the Company a counterpart hereof, whereupon this instrument along with all counterparts will become a binding agreement between the Agents and the Company in accordance with its terms.

Very truly yours,

Dear Sirs:

I have delivered an opinion to you, dated _____, 1995, as counsel to Occidental Petroleum Corporation (the "Company"), pursuant to Section 5(a) of the Distribution Agreement, dated _____, 1995 (the "Distribution Agreement"), between the Company and [insert Agents]. You may continue to rely upon such opinion (other than the matters covered by Section 5(a)(xi) thereof, as to which no opinion is expressed) as if it were dated as of this date, except that all statements and opinions contained therein shall be deemed to relate to the Registration Statement and Prospectus (as such terms are defined in the Distribution Agreement) as amended and supplemented to this date.

This letter is delivered to you pursuant to Section 6(b) of the Distribution Agreement.

Very truly yours,

OCCIDENTAL PETROLEUM CORPORATION
MEDIUM-TERM NOTES, SERIES C
ADMINISTRATIVE PROCEDURES

, 1995

The administrative procedures and specific terms of the offering of Medium-Term Notes, Series B (the "Notes") on a continuous basis by Occidental Petroleum Corporation (the "Issuer") pursuant to the Distribution Agreement, dated , 1995 (the "Distribution Agreement"), between the Issuer and each of [Insert Agents] (each an "Agent") are explained below. In the Distribution Agreement, the Agents have agreed to use their best efforts to solicit offers to purchase the Notes. Each Agent, as principal, may purchase Notes for its own account pursuant to the terms and settlement details of a terms agreement entered into between the Issuer and such Agent, as contemplated by the Distribution Agreement. In the Distribution Agreement, the Issuer reserves the right to sell Notes directly on its own behalf.

Each Note will be issued under an indenture between the Issuer and The Bank of New York, as trustee, (the "Trustee"), dated as of May 1, 1995 (the "Indenture", which term, for purposes hereof, shall include the Officers' Certificate (the "Officers' Certificate") delivered from time to time pursuant to Sections 201 and 301 of the Indenture establishing the terms of the Note), relating to senior debt securities of the Issuer. Owners of beneficial interests in a Global Security will be entitled to physical delivery of Certificated Notes equal in principal amount to their respective beneficial interests only under certain limited circumstances.

The Trustee will act as Paying Agent for the payment of principal of and interest on the Notes and will perform, as Paying Agent, unless otherwise specified in the Notes, the Indenture or herein, the other duties specified herein. Book-Entry Notes will be issued in accordance with the administrative procedures set forth in Part I hereof, and Certificated Notes will be issued in accordance with the administrative procedures set forth in Part II hereof. Any administrative responsibilities, document control and record-keeping functions to be performed by the Issuer will be performed by its Treasury Department. Unless otherwise defined herein, terms defined in the Indenture, the Officers' Certificates or the Notes shall be used herein as therein defined.

Upon the agreement of the Company, the Trustee and the Agent or Agents with respect to a particular issue of Notes, subject to the terms of the Indenture, the terms and procedures with respect to such issue of Notes may be varied from those set forth herein.

PART I: ADMINISTRATIVE PROCEDURES FOR BOOK-ENTRY NOTES

In connection with the qualification of the Book-Entry Notes for eligibility in the book-entry system maintained by DTC, the Trustee will perform the custodial, document control and administrative functions described below, in accordance with its respective obligations under a Letter of Representations from the Issuer and the Trustee to DTC dated as of , 1995, and a Medium-Term Note Certificate Agreement between the Trustee and DTC, dated , and its obligations as a participant in DTC, including DTC's Same-Day Funds Settlement System ("SDFS").

ISSUANCE: On any date of settlement (as defined under "Settlement" below) for one or more Book-Entry Notes, the Issuer will issue a single global security in fully registered form without coupons (a "Global Security") representing up to \$150,000,000 principal amount of all such Notes that have the same Original Issue Price, Stated Maturity, Earliest Redemption Date, Redemption Price and other redemption provisions, if any, Purchase Date or Dates and Purchase Price or Prices, if any, Interest Payment Dates, Regular Record Dates, Interest Payment Period, Original Issue Discount, if any, Yield to Maturity, if applicable, and, additionally, in the case of Fixed Rate Notes, interest rate and, in the case of Floating Rate Notes, Initial Interest Rate, Base Rate or Rates, Index Maturity, Interest Reset Period, Interest Reset Dates, Spread or Spread Multiplier, if any, Minimum Interest Rate, if any, and Maximum Interest Rate, if any (collectively the "Terms"). Each Global Security will be dated and issued as of the date of its authentication by the Trustee. Each Global Security will bear interest from the later of the Original Issue Date specified therein or from the most recent Interest Payment Date with respect to such Global Security (or Predecessor Security) to which interest has been paid or duly provided for (such later date being herein referred to as a "Global Interest Accrual Date"). Book-Entry Notes may only be denominated and payable in U.S. dollars. No Global Security will represent any Certificated Note.

IDENTIFICATION NUMBERS: The Issuer has arranged with the CUSIP Service Bureau of Standard & Poor's Corporation (the "CUSIP Service Bureau") for the reservation of a series of CUSIP numbers (including tranche numbers), which series consists of approximately 900 CUSIP numbers (of which 766 remained unassigned as of _____, 1995) and relates to Global Securities representing the Book-Entry Notes. The Issuer has obtained from the CUSIP Service Bureau a written list of such series of reserved CUSIP numbers and has delivered to the Trustee and DTC such written list of 766 unassigned CUSIP numbers. The Issuer will assign CUSIP numbers to Global Securities as described under Settlement Procedure "B" below. DTC will notify the CUSIP Service Bureau periodically of the CUSIP numbers that the Issuer has assigned to Global Securities. At any time when fewer than 100 of the reserved CUSIP numbers of a series remain unassigned to Global Securities, the Trustee will notify the Issuer and, if the Issuer deems necessary, it will reserve additional CUSIP numbers for assignment to Global Securities representing Book-Entry Notes. Upon obtaining such additional CUSIP numbers, the Issuer shall deliver a list of such additional CUSIP numbers to the Trustee and DTC.

REGISTRATION: Each Global Security will be registered in the name of Cede & Co., as nominee for DTC, on the Security Register maintained under the Indenture. The beneficial owner of a Book-Entry Note (or one or more indirect participants in DTC designated by such owner) will designate one or more participants in DTC (with respect to such Note, the "Participants") to act as agent or agents for such owner in connection with the book-entry system maintained by DTC, and DTC will record in book-entry form, in accordance with instructions provided by such Participants, a credit balance with respect to such Note in the account of such Participants. The ownership interest of such beneficial owner in such Note will be recorded through the records of such Participants or through the separate records of such Participants and one or more indirect participants in DTC.

- TRANSFERS:** Transfers of a Book-Entry Note will be accomplished by book entries made by DTC and, in turn, by Participants (and in certain cases, one or more indirect participants in DTC) acting on behalf of beneficial transferors and transferees of such Note.
- EXCHANGES:** At the request of the Issuer, the Trustee shall deliver to DTC and the CUSIP Service Bureau at any time a written notice of consolidation specifying (i) the CUSIP numbers of two or more Outstanding Global Securities that represent Book-Entry Notes having the same Terms and for which interest has been paid to the same date, (ii) a date, occurring at least 30 days after such written notice is delivered and at least 30 days before the next Interest Payment Date for such Book-Entry Notes, on which such Global Securities shall be exchanged for a single replacement Global Security and (iii) a new CUSIP number, obtained from the Issuer, to be assigned to such replacement Global Security. Upon receipt of such a notice, DTC will send to its Participants (including the Trustee) a written reorganization notice to the effect that such exchange will occur on such date. Prior to the specified exchange date, the Trustee will deliver to the CUSIP Service Bureau a written notice setting forth such exchange date and the new CUSIP number and stating that, as of such exchange date, the CUSIP numbers of the Global Securities to be exchanged will no longer be valid. On the specified exchange date, the Trustee will exchange such Global Securities for a single Global Security bearing the new CUSIP number, and the CUSIP numbers of the exchanged Global Securities will, in accordance with CUSIP Service Bureau customary procedures, be cancelled and not immediately reassigned. Notwithstanding the foregoing, if the Global Securities to be exchanged exceed \$150,000,000 in aggregate principal amount, one Global Security will be authenticated and issued to represent each \$150,000,000 of principal amount of the exchanged Global Securities and an additional Global Security will be authenticated and issued to represent any remaining principal amount of such Global Securities (see "Denominations" below).
- MATURITIES:** Each Book-Entry Note will mature on a date not less than nine months after the settlement date for such Note.
- NOTICE OF REDEMPTION DATES:** In the case of a full redemption of all Book-Entry Notes represented by a single Global Security, the Trustee will notify DTC not more than 60 but not less than 30 days prior to the Redemption Date with respect to such Global Security, of the CUSIP number of such Global Security, the Redemption Date and the Redemption Price. In the case of a redemption of less than all Book-Entry Notes represented by a single Global Security, the Trustee will notify DTC not more than 2 business days before 60 days, but not less than 2 business days before 30 days, prior to the Redemption Date with respect to such Global Security, of the CUSIP number of such Global Security, the Redemption Date and the Redemption Price.
- NOTICE OF PURCHASE DATES:** In the case of any Global Security having a Purchase Date or Dates specified therein, the Trustee will notify DTC, upon the earlier of 60 days prior to each such Purchase Date or 5 days prior to the first date on which a Purchase Notice with respect to such Purchase Date may be delivered to the Trustee, of the CUSIP number of such Global Security, the first and last date on which a Purchase Notice with respect to such Purchase Date may be delivered to the Trustee, the Purchase Date and the Purchase Price.

DENOMINATIONS:

Book-Entry Notes will be sold in denominations of \$1,000 and any amount in excess thereof that is an integral multiple of \$1,000. Global Securities will be issued in denominations of \$1,000 and any amount in excess thereof that is an integral multiple of \$1,000, up to a maximum denomination of \$150,000,000. If one or more Book-Entry Notes having an aggregate principal amount in excess of \$150,000,000 would, but for the preceding sentence, be represented by a single Global Security, then one Global Security will be issued to represent each \$150,000,000 principal amount of such Book-Entry Note or Notes and an additional Global Security will be issued to represent any remaining principal amount of such Book-Entry Note or Notes. In such a case, each of the Global Securities representing such Book-Entry Note or Notes shall be assigned the same CUSIP number.

INTEREST:

General. Interest on each Book-Entry Note will accrue from the Global Interest Accrual Date of the Global Security representing such Note and will be paid on the Interest Payment Dates of the Global Security representing such Book-Entry Note. In the case of a Global Security originally issued between a Regular Record Date and the related Interest Payment Date or on an Interest Payment Date, the first interest payment will be made on the Interest Payment Date immediately following the next Regular Record Date. Each payment of interest on a Global Security will include interest accrued to but excluding the Interest Payment Date or Maturity. See "Calculation of Interest" below. Interest payable at the Maturity of a Book-Entry Note will be payable to the Person to whom the principal of such Note is payable. Standard & Poor's Corporation will use the information received in the pending deposit message described under Settlement Procedure "C" below in order to include the amount of any interest payable and certain other information regarding any Global Security in the appropriate weekly supplement to the Corporate Registered Bond Interest Record published by Standard & Poor's Corporation.

Regular Record Dates. Unless otherwise specified in the applicable Global Security, the Regular Record Date with respect to Fixed Rate Book-Entry Notes shall be the January 15 or July 15, as the case may be, next preceding the applicable Interest Payment Date. The Regular Record Date with respect to any Interest Payment Date for Floating Rate Book-Entry Notes shall be the fifteenth day (whether or not a Business Day) next preceding such Interest Payment Date.

Fixed Rate Book-Entry Notes. Unless otherwise specified in the applicable Global Security, interest payments on Fixed Rate Book-Entry Notes will be made semiannually on February 1 and August 1 of each year and at Maturity, subject to the exceptions specified in "Payments of Principal and Interest" below.

Floating Rate Book-Entry Notes. Interest payments will be made on Floating Rate Book-Entry Notes monthly, quarterly, semiannually or annually of each year, as specified in the related Global Security, and at Maturity. Unless otherwise specified in the applicable Global Security and subject to the exceptions specified in "Payments of Principal and Interest" below, interest will be payable, in the case of Floating Rate Book-Entry Notes which reset (i) daily, weekly or monthly, on the third Wednesday of each month; (ii) quarterly, on the third Wednesday of March, June, September and December of each year; (iii) semiannually, on the third Wednesday of each of the two months specified in the Global Security representing the applicable Book-Entry Note; and (iv) annually, on the third Wednesday of the month

specified in the Global Security representing the applicable Book-Entry Note; and, in each case, at Maturity.

Notice of Interest Payment and Regular Record Dates. On the first Business Day of January, April, July and October of each year, the Trustee will deliver to the Issuer and DTC a written list of Regular Record Dates and Interest Payment Dates (to the extent then determinable by the Trustee) that will occur with respect to each Global Security during the six-month period beginning on such first Business Day. Promptly after each Interest Determination Date for Floating Rate Notes, the calculation agent (the "Calculation Agent") will notify Standard & Poor's Corporation of the interest rates determined on such Interest Determination Date.

CALCULATION OF INTEREST: Fixed Rate Book-Entry Notes. Except as otherwise specified in the applicable Global Securities, interest on Fixed Rate Book-Entry Notes (including interest for partial periods) will be calculated on the basis of a 360-day year of twelve 30-day months.

Floating Rate Book-Entry Notes. Interest rates on Floating Rate Book-Entry Notes will be determined as set forth in the Global Security representing the applicable Floating Rate Book-Entry Notes. Except as otherwise specified in the applicable Global Securities, interest will be calculated in the case of (a) Commercial Paper Rate, CD Rate, Federal Funds Rate, LIBOR and Prime Rate Notes, on the basis of the actual number of days in the interest period and a 360-day year; and (b) Treasury Rate Notes, on the basis of the actual number of days in the interest period and the actual number of days in the year.

**PAYMENTS OF PRINCIPAL
AND INTEREST:**

Payments of Interest Only. Promptly after each Regular Record Date, the Trustee will deliver to the Issuer and DTC a written notice specifying by CUSIP number the amount of interest to be paid on each Global Security on the following Interest Payment Date (other than an Interest Payment Date coinciding with Maturity) and the total of such amounts. DTC will check the amount payable on each Global Security on such Interest Payment Date as shown in the appropriate weekly supplements to the Corporate Registered Bond Interest Record published by Standard & Poor's Corporation. On such Interest Payment Date, the Issuer will pay to the Trustee the total amount of interest due on such Interest Payment Date (other than at Maturity), and the Trustee will pay such amount to DTC at the times and in the manner set forth below under "Manner of Payment."

If any Interest Payment Date for a Fixed Rate Book-Entry Note is scheduled to occur on a day that is not a Business Day with respect to such Fixed Rate Book-Entry Note, the payment due on such Interest Payment Date will be made on the following day that is a Business Day with respect to such Fixed Rate Book-Entry Note, and no interest shall accrue on the amount payable on such Interest Payment Date for the period from and after such Interest Payment Date to such following day that is a Business Day.

If any Interest Payment Date for a Floating Rate Book-Entry Note is scheduled to occur on a day that is not a Business Day with respect to such Floating Rate Book-Entry Note, such Interest Payment Date will be the following day that is a Business Day with respect to such Floating Rate Book-Entry Note; provided, however, that in the case of a Floating Rate Book-Entry Note which is a LIBOR Note, if such following day that is a Business Day is in

the next succeeding calendar month, such Interest Payment Date will be the immediately preceding day that is a Business Day.

Payments at Maturity. On or about the first Business Day of each month, the Trustee will deliver to the Issuer and DTC a written list of principal and interest to be paid on each Global Security either maturing at Stated Maturity or maturing (in whole or in part) on a Redemption Date or Purchase Date in the following month (to the extent then determinable by the Trustee). The Issuer, the Trustee and DTC will confirm the amounts of such principal and interest payments with respect to each such Global Security on or about the fifth Business Day preceding the Maturity of such Global Security. The Issuer will pay to The Bank of New York, as the Paying Agent, the principal amount of such Global Security, together with interest due at such Maturity. The Paying Agent will pay such amounts to DTC at the times and in the manner set forth under "Manner of Payment" below. If any Maturity of a Global Security representing Book-Entry Notes is not a Business Day, the payment due on such day shall be made on the next succeeding Business Day and no interest shall accrue on such payment for the period from and after such Maturity. Promptly after payment to DTC of the principal and interest due at the Maturity of such Global Security, the Trustee will cancel such Global Security in accordance with the terms of the Indenture, deliver to the Issuer an appropriate debit advice and return to the Issuer all such cancelled Global Securities; provided, however, that in the event only a portion of a Global Security shall have been redeemed or purchased by the Issuer, the Trustee will exchange such Global Security for two Global Securities, one of which shall represent the portion of the original Global Security which was so redeemed or purchased and shall be cancelled immediately after issuance and the other of which shall represent the remaining portion of the original Global Security which was not so redeemed or purchased and shall bear the CUSIP number of the original Global Security. On the first Business Day of each month, the Trustee will deliver to the Issuer by facsimile transmission a written statement, indicating the total principal amount of Outstanding Global Securities for which it serves as trustee as of the immediately preceding Business Day.

Manner of Payment. The total amount of any principal and interest due on Global Securities on any Interest Payment Date or at Maturity shall be paid by the Issuer to the Trustee in funds available for use by the Trustee as of 9:30 a.m. (New York City time) or in any event not later than 12:00 noon (New York City time) on such date. The Issuer will make such payment on such Global Securities by wire transfer to the Trustee. Prior to 10:00 a.m. (New York City time) on each Maturity date or as soon as possible thereafter following the receipt of funds, the Trustee will pay by separate wire transfer (using Fedwire message entry instructions in a form previously specified by DTC) to an account at the Federal Reserve Bank of New York previously specified by DTC, in funds available for immediate use by DTC, each payment of interest and principal due on a Global Security on such date. On each Interest Payment Date, interest payments shall be made to DTC in same day funds in accordance with existing arrangements between the Trustee and DTC. Thereafter on each such date, DTC will pay, in accordance with its SDFS operating procedures then in effect, such amounts in funds available for immediate use to the respective Participants in whose names the Book-Entry Notes represented by such Global Securities are recorded in the book-entry system maintained by DTC. Neither the Issuer (either as Issuer or as Paying Agent) nor the Trustee shall have any responsibility or liability for the

payment by DTC to such Participants of the principal of and interest on the Book-Entry Notes.

Withholding Taxes. The amount of any taxes required under applicable law to be withheld from any interest payment on a Book-Entry Note will be determined and withheld by the Participant, indirect participant in DTC or other Person responsible for forwarding payments and materials directly to the beneficial owner of such Note.

ACCEPTANCE AND

REJECTION OF OFFERS:

The Issuer has the sole right to accept offers to purchase Book-Entry Notes and may reject any such offer in whole or in part. Each Agent may, in its discretion reasonably exercised, reject any offer to purchase Book-Entry Notes received by it in whole or in part. Each Agent will advise the Issuer promptly by telephone or by facsimile transmission of all offers to purchase Book-Entry Notes received by such Agent, other than those rejected by it.

SETTLEMENT:

The receipt by the Issuer of immediately available funds in payment for a Book-Entry Note and the authentication and issuance of the Global Security representing such Note shall constitute "settlement" with respect to such Note. SETTLEMENT PROCEDURES
TIMETABLE:

For orders of Book-Entry Notes solicited by an Agent, as agent, and accepted by the Issuer for settlement on the first Business Day after the sale date, Settlement Procedures "A" through "L" above shall be completed as soon as possible but not later than the respective times (New York City time) set forth below:

SETTLEMENT PROCEDURE -----	TIME ----
A.....	11:00 a.m. on the sale date
B.....	12:00 Noon on the sale date
C.....	2:00 p.m. on the sale date
D.....	3:00 p.m. on the sale date
E.....	9:00 a.m. on settlement date
F.....	10:00 a.m. on settlement date
G-H.....	2:00 p.m. on settlement date
I.....	4:45 p.m. on settlement date
J-L.....	5:00 p.m. on settlement date

If a sale is to be settled more than one Business Day after the sale date, Settlement Procedure "A" shall be completed as soon as practicable but no later than 11:00 a.m. on the first Business Day after the sale date and Settlement Procedures "B" and "C" shall be completed as soon as practicable but no later than 12:00 noon and 2:00 p.m., respectively, on the first Business Day after the sale date. If the Initial Interest Rate for a Floating Rate Book-Entry Note has not been determined at the time that Settlement Procedure "A" is completed, Settlement Procedures "B" and "C" shall be completed as soon as such rate has been determined but no later than 12:00 noon and 2:00 p.m., respectively, on the second Business Day before the settlement date. Settlement Procedures "D" through "L" shall be completed as soon as possible thereafter but not later than the respective times (New York City time) set forth in the preceding table, except that Settlement Procedures "I" through "L" are subject to extension in accordance with any extension of Fedwire closing deadlines and in the other events specified in the SDFS operating procedures in effect on the settlement date.

If settlement of a Book-Entry Note is rescheduled or cancelled, the Trustee will deliver to DTC, through DTC's Participant Terminal System, a cancellation message to such effect by no later than 2:00 p.m. on the Business Day immediately preceding the scheduled settlement date.

FAILURE TO SETTLE:

If the Trustee fails to enter an SDFS deliver order with respect to a Book-Entry Note pursuant to Settlement Procedure "G", the Trustee may deliver to DTC, through DTC's Participant Terminal System, as soon as practicable a withdrawal message instructing DTC to debit such Note to the Trustee's participant account. DTC will process the withdrawal message, provided that the Trustee's participant account contains a principal amount of the Global Security representing such Note that is at least equal to the principal amount to be debited. If a withdrawal message is processed with respect to all the Book-Entry Notes represented by a Global Security, the Trustee will mark such Global Security "cancelled", make appropriate entries in the Trustee's records and send such cancelled Global Security to the Issuer. The CUSIP number assigned to such Global Security shall, in accordance with CUSIP Service Bureau customary procedures, be cancelled and not immediately reassigned. If a withdrawal message is processed with respect to one or more, but not all, of the Book-Entry Notes represented by a Global Security, the

Trustee will exchange the Global Security for two Global Securities, one of which shall represent such Book-Entry Note or Notes for which such withdrawal message has been processed and shall be cancelled immediately after issuance and the other of which shall represent the remaining Book-Entry Notes previously represented by the surrendered Global Security and shall bear the CUSIP number of the surrendered Global Security.

If the purchase price for any Book-Entry Note is not timely paid to the applicable Participants with respect to such Note by the beneficial purchaser thereof (or a Person, including an indirect participant in DTC, acting on behalf of such purchaser), such Participants and, in turn, the Agent for such Note may enter SDFS deliver orders through DTC's Participant Terminal System reversing the orders entered pursuant to Settlement Procedures "H" and "G", respectively. Thereafter, the Trustee will deliver the withdrawal message and take the related actions described in the preceding paragraph. If such failure shall have occurred for any reason other than default by the applicable Agent in the performance of its obligations hereunder or under the Distribution Agreement, the Issuer will reimburse such Agent on an equitable basis for its loss of the use of funds during the period when the funds were credited to the account of the Issuer.

Notwithstanding the foregoing, upon any failure to settle with respect to a Book-Entry Note, DTC may take such actions as it deems appropriate in accordance with its SDFS operating procedures then in effect in order to reverse the orders entered into DTC's Participant Terminal System pursuant to Settlement Procedures "H" and "G", respectively. In the event of a failure to settle with respect to one or more, but not all, of the Book-Entry Notes to have been represented by a Global Security, the Trustee will provide, in accordance with Settlement Procedures "D" and "E", for the authentication and issuance of a Global Security representing the other Book-Entry Notes to have been represented by such Global Security and will make appropriate entries in its records.

PROCEDURE FOR POSTINGS: The Issuer will periodically contact one or more Agents for recommended interest rates, coupons or spreads ("postings") with respect to Notes being offered. When the Issuer has determined or changed its postings with respect to Notes being offered, it will promptly advise the Agents. At such times as the Issuer is not posting, the Agents will not solicit firm offers but may record "indications of interest" only.

PRICING SUPPLEMENTS: Within five Business Days after any sale of Notes, the Issuer will file or transmit for filing with the Securities and Exchange Commission (the "Commission"), in compliance with Rule 424(b)(3) of the rules and regulations of the Commission promulgated under the Securities Act of 1933, as amended, and Item 309 of Regulation S-T of the Commission, a copy of a pricing supplement to the Prospectus (as defined in the Distribution Agreement) relating to such Notes that reflects the applicable interest rates and other terms (the "Pricing Supplement") and will deliver a copy of such Pricing Supplement to each of the Agents.

SUSPENSION OF
SOLICITATION,
AMENDMENT OR
SUPPLEMENT:

The Issuer may instruct the Agents to suspend solicitation of purchases of Book-Entry Notes at any time. Upon receipt of such instructions, each Agent will forthwith suspend such solicitations until such time as it has been advised by the Issuer that such solicitations may be resumed. The Issuer will, consistent with its obligations under the Distribution Agreement, promptly advise each Agent and the Trustee whether orders outstanding at the time such Agent suspends solicitation may be settled and whether copies of the Prospectus, as in effect at the time of the suspension, together with the appropriate Pricing Supplement, may be delivered in connection with the settlement of such orders. The Issuer will have the sole responsibility for such decision and for any arrangements that may be made in the event that the Issuer determines that such orders may not be settled or that copies of such Prospectus and Pricing Supplement may not be so delivered.

DELIVERY OF PROSPECTUS: A copy of the most recent Prospectus and of the applicable Pricing Supplement, if any, must be provided to a purchaser by the applicable Agent prior to or at the time of the earlier of (a) the written confirmation of a sale sent to a purchaser of Book-Entry Notes or his Agent, and (b) the date of settlement of any such Book-Entry Notes (see Settlement Procedures).

ADVERTISING COSTS: The Issuer will determine with the Agents the amount and nature of advertising that may be appropriate in offering the Notes. Advertising expenses approved in writing by the Issuer in connection with the solicitation of purchases of the Notes from the Issuer will be paid by the Issuer.

- REGISTRATION:** Certificated Notes will be issued only in fully registered form without coupons.
- TRANSFERS AND EXCHANGES:** A Certificated Note may be presented for transfer or exchange at the Corporate Trust Office of the Trustee. - Floating Rate Certificated Notes. Interest payments will be made on Floating Rate Certificated Notes monthly, quarterly, semiannually or annually of each year, as specified in the related Note, and at maturity. Unless otherwise specified in the applicable Certificated Note and subject to the exceptions specified in "Payments of Principal and Interest" below, interest will be

payable, in the case of Floating Rate Certificated Notes which reset (i) daily, weekly or monthly, on the third Wednesday of each month; (ii) quarterly, on the third Wednesday of March, June, September and December of each year; (iii) semiannually, on the third Wednesday of each of the two months specified in the applicable Certificated Note; and (iv) annually, on the third Wednesday of the month specified in the applicable Certificated Note and, in each case, at Maturity.

CALCULATION OF INTEREST: Fixed Rate Certificated Notes. Unless otherwise specified in the applicable Certificated Note, interest on Fixed Rate Certificated Notes (including interest for partial periods) will be calculated on the basis of a 360-day year of twelve 30-day months.

Floating Rate Certificated Notes. Interest rates on Floating Rate Certificated Notes will be determined as set forth in the applicable Notes. The Issuer and the Trustee will confirm the amount of the initial interest payment due on any Floating Rate Certificated Note for which the initial Interest Period is shorter or longer than the Index Maturity. Promptly after each Interest Determination Date for Floating Rate Certificated Notes, the Calculation Agent will notify Standard & Poor's Corporation of the interest rates determined on such Interest Determination Date. Unless otherwise specified in the applicable Certificated Note, interest will be calculated in the case of (a) Commercial Paper Rate, CD Rate, Federal Funds Rate, LIBOR and Prime Rate Certificated Notes, on the basis of the actual number of days in the interest period and a 360-day year; and (b) Treasury Rate Notes, on the basis of the actual number of days in the interest period and the actual number of days in the year.

**PAYMENTS OF PRINCIPAL
AND INTEREST:**

The Trustee will pay the principal amount of each Certificated Note at Maturity upon presentation of such Note to the Trustee. Such payment, together with payment of interest due at Maturity of such Note, will be made in funds available for immediate use by the Holder of such Note. Certificated Notes presented to the Trustee at Maturity for payment will be cancelled by the Trustee in accordance with the terms of the Indenture and returned to the Issuer. All interest payments on a Certificated Note (other than interest due at Maturity) will be made by check drawn on the Trustee (or another Person appointed by the Trustee) and mailed by the Trustee to the Person entitled thereto as provided in such Note; provided, however, that the holder of \$10,000,000 or more of Certificated Notes paying interest on the same Interest Payment Date will be entitled to receive payment by wire transfer but only if appropriate payment instructions have been received in writing by the Trustee not later than the Regular Record Date or Special Record Date, as the case may be, for such payment. Following each Regular Record Date and Special Record Date, the Trustee will furnish the Issuer with a list of interest payments to be made on the following Interest Payment Date for each Certificated Note and in total for all Certificated Notes. Interest at Maturity will be payable to the Person to whom the payment of principal is payable. The Trustee will provide monthly to the Issuer lists of principal and interest to be paid on Certificated Notes maturing in the next month. The Trustee will be responsible for withholding taxes on interest paid on Certificated Notes as required by applicable law. On the first Business Day of each month, the Trustee will deliver to the Issuer by facsimile transmission a written statement,

indicating the total principal amount of Outstanding Certificated Notes for which it serves as trustee as of the immediately preceding Business Day.

If any Interest Payment Date for a Fixed Rate Certificated Note is scheduled to occur on a day that is not a Business Day with respect to such Fixed Rate Certificated Note, the payment due on such Interest Payment Date will be made on the following day that is a Business Day with respect to such Fixed Rate Certificated Note, and no interest shall accrue on the amount payable on such Interest Payment Date for the period from and after such Interest Payment Date to such following day that is a Business Day.

If any Interest Payment Date for a Floating Rate Certificated Note is scheduled to occur on a day that is not a Business Day with respect to such Floating Rate Certificated Note, such Interest Payment Date will be the following day that is a Business Day with respect to such Floating Rate Certificated Note; provided, however, that in the case of a Floating Rate Certificated Note which is a LIBOR Note, if such following day that is a Business Day is in the next succeeding calendar month, such Interest Payment Date will be the immediately preceding day that is a Business Day.

If the date of Maturity of a Certificated Note is scheduled to occur on a day that is not a Business Day with respect to such Certificated Note, the payment due at Maturity will be made on the following day that is a Business Day with respect to such Certificated Note, and no interest shall accrue on the amount payable at Maturity for the period from and after the date of Maturity.

ACCEPTANCE AND

REJECTION OF OFFERS:

The Issuer has the sole right to accept offers to purchase Certificated Notes and may reject any offer in whole or in part. Each Agent may, in its discretion reasonably exercised, reject any offer to purchase Certificated Notes received by it in whole or part. Each Agent will advise the Issuer promptly by telephone or facsimile transmission of all offers to purchase Certificated Notes received by such Agent, other than those rejected by it.

SETTLEMENT:

The receipt by the Issuer of immediately available funds in exchange for an authenticated Certificated Note delivered to the selling Agent and such Agent's delivery of such Note against receipt of immediately available funds shall constitute "settlement" with respect to such Note. Each offer accepted by the Issuer will be settled on the fifth Business Day following acceptance of such offer pursuant to the timetable for settlement set forth below, unless the Issuer and the purchaser agree to settlement on another day; provided, however, that the Issuer will notify the Trustee at least twenty-four hours prior to the time of settlement.

SETTLEMENT PROCEDURES:

In the event of a purchase of Certificated Notes by one or more of the Agents, as principal, appropriate settlement details, if different from those set forth below, will be set forth in an applicable Terms Agreement to be entered into between such Agent or Agents and the Issuer pursuant to the Distribution Agreement.

Settlement Procedures with regard to each Certificated Note sold by the Issuer through an Agent, as agent, shall be as follows:

- A. Such Agent will advise the Issuer by facsimile transmission of the following settlement information:

- C. The Issuer will deliver (if not previously delivered) to the Trustee a pre-printed four-ply packet for such Note, which packet will contain the following documents in forms that have been approved by the Issuer, the Agents and the Trustee:
1. Note with customer confirmation.
 2. Stub One -- For the Trustee.
 3. Stub Two -- For the Agent.
 4. Stub Three -- For the Issuer.
- D. The Trustee will complete and authenticate such Note and deliver it (with the confirmation) and Stubs One and Two to such Agent, and such Agent will acknowledge receipt of the Note by stamping or otherwise marking Stub One and returning it to the Trustee. Such delivery will be made only against such acknowledgement of receipt and evidence that instructions have been given by such Agent for payment to the account of the Issuer at the Trustee, in funds available for immediate use, of an amount equal to the price of such Note less Agent's commission. In the event that the instructions given by such Agent for payment to the account of the Issuer are revoked, the Issuer as promptly as possible wire transfer to the account of such Agent an amount of immediately available funds equal to the amount of such payment and such Agent will return such Note to the Trustee.
- E. Such Agent will deliver such Note (with confirmation) to the customer against payment in immediately available funds. Such Agent will obtain the acknowledgement of receipt of such Note by retaining Stub Two.
- F. The Trustee will retain Stub One and will send Stub Three to the Issuer by first-class mail. Monthly, the Trustee will send to the Issuer a written statement, setting forth (i) the principal amount of the Notes Outstanding under the Indenture as of the date of such report, (ii) a brief description of any sales of which the Issuer has advised the Trustee but which have not yet been settled and (iii) a description of issuances and retirements of, payments on and other activity relating to the Notes during the related month.

SETTLEMENT PROCEDURES
TIMETABLE:

For offers of Certificated Notes solicited by an Agent, as agent, and accepted by the Issuer, Settlement Procedures "A" through "F" set forth above shall be completed on or before the respective times (New York City time) set forth below:

SETTLEMENT PROCEDURE -----	TIME ----
A.....	3:00 p.m. on day before settlement date
B.....	4:00 p.m. on day before settlement date
C-D.....	2:15 p.m. on settlement date
E.....	3:00 p.m. on settlement date
F.....	5:00 p.m. on settlement date

FAILURE TO SETTLE:

If a purchaser fails to accept delivery of and make payment for any Certificated Note, the selling Agent will notify the Issuer and the Trustee by telephone and return such Note to the Trustee. Upon receipt of such Note, the Issuer will immediately wire transfer to the account of the Agent an amount equal to the amount previously credited thereto in respect of such Note. Such wire transfer will be made on the settlement date, if possible, and in any event not later than the day following the settlement date. If the failure shall have occurred for any reason other than a default by the applicable Agent in the performance of its obligations hereunder and under the Distribution Agreement, the Issuer will reimburse such Agent on an equitable basis for its loss of the use of the funds during the period when they were credited to the account of the Issuer. Immediately upon receipt of the Certificated Note in respect of which such failure occurred, the Trustee will mark such Note "cancelled", make appropriate entries in the Trustee's records and send such cancelled Note to the Issuer.

PROCEDURE FOR POSTINGS:

The Issuer will periodically contact one or more Agents for recommended postings with respect to Certificated Notes being offered. When the Issuer has determined or changed its postings with respect to Certificated Notes being offered, it will promptly advise the Agents. At such times as the Issuer is not posting, the Agents will not solicit firm offers but may record "indications of interest" only.

PRICING SUPPLEMENTS:

Within five Business Days after any sale of Certificated Notes, the Issuer will file or transmit for filing with the Commission in compliance with Rule 424(b)(3) of the rules and regulations of the Commission promulgated under the Securities Act of 1933, as amended, and Item 309 of Regulation S-T of the Commission, a copy of a Pricing Supplement to the Prospectus relating to such Notes that reflects the applicable interest rates and other terms and will deliver a copy of such Pricing Supplement to each of the Agents.

SUSPENSION OF
SOLICITATION,
AMENDMENT OR
SUPPLEMENT:

The Issuer may instruct the Agents to suspend solicitation of purchases of Certificated Notes at any time. Upon receipt of such instructions, each Agent will forthwith suspend such solicitations until such time as it has been advised by the Issuer that such solicitations may be resumed. The Issuer will, consistent with its obligations under the Distribution Agreement, promptly advise each Agent and the Trustee whether orders outstanding at the time such Agent suspends solicitation may be settled and whether copies of the

Prospectus, as in effect at the time of the suspension, together with the appropriate Pricing Supplement, may be delivered in connection with the settlement of such orders. The Issuer will have the sole responsibility for such decision and for any arrangements that may be made in the event that the Issuer determines that such orders may not be settled or that copies of such Prospectus and Pricing Supplement may not be so delivered.

DELIVERY OF PROSPECTUS: A copy of the most recent Prospectus and of the applicable Pricing Supplement, if any, must be provided to a purchaser by the applicable Agent prior to or at the time of the earlier of (a) the written confirmation of a sale sent to a purchaser of Certificated Notes or his agent and (b) the delivery of any such Certificated Notes to a purchaser or his agent (see Settlement Procedures).

ADVERTISING COSTS: The Issuer will determine with the Agents the amount and nature of advertising that may be appropriate in offering the Certificated Notes. Advertising expenses approved in writing by the Issuer in connection with the solicitation of purchases of Certificated Notes from the Issuer will be paid by the Issuer.

Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments or record or both are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments and any such record (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments and so voting at any such meeting. The Trustee and the Company may assume that such ownership of any Bearer Security continues until (1) another certificate or affidavit bearing a later date issued in respect of the same Bearer Security is produced, (2) such Bearer Security is produced to the Trustee by some other Person, (3) such Bearer Security is surrendered in exchange for a Registered Security

or (4) such Bearer Security is no longer Outstanding. The principal amount and serial numbers of Bearer Securities held by any Person, and the date of holding the same, may also be proved in any other manner which the Trustee deems sufficient.

(f) If the Company shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Company may, at its option, by or pursuant to an Officers' Certificate delivered to the Trustee, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Company shall have no obligation to do so. Any such record date, if so fixed, may vary from that specified in Section 316(c) of the Trust Indenture Act. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite percentage of Outstanding Securities or Outstanding Securities of a series, as the case may be, have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the Outstanding Securities or Outstanding Securities of the series, as the case may be, shall be computed as of such record date; provided, that no such authorization, agreement or consent by the Holders on the record date shall be deemed effective, unless such request, demand, authorization, direction, notice, consent, waiver or other Act shall become effective pursuant to the provisions of Clause (a) of this Section 104 not later than six months after the record date.

SECTION 105. Notices, Etc., to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(1) the Trustee by any Holder or by the Company shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing to or with the Trustee at its Corporate Trust Office, Attention: Corporate Trust Administration, or

Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing

shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case, by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impracticable to give such notice to Holders of Registered Securities by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder. In any case where notice to Holders of Registered Securities is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder of a Registered Security shall affect the sufficiency of such notice with respect to other Holders of Registered Securities or the sufficiency of any notice to Holders of Bearer Securities given as provided herein.

In case, by reason of the suspension of publication of any Authorized Newspaper or Authorized Newspapers, or by reason of any other cause, it shall be impracticable to publish any notice to Holders of Bearer Securities as provided above, then such notification to Holders of Bearer Securities as shall be given with the approval of the Trustee shall constitute sufficient notice to such Holders for every purpose hereunder. Neither the failure to give notice by publication to Holders of Bearer Securities as provided above, nor any defect in any notice so published, shall affect the sufficiency of any notice to Holders of Registered Securities given as provided herein.

SECTION 107. Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with the duties imposed by operation of Trust Indenture Act Section 318(c), the imposed duties shall control.

Except as provided in the last paragraph of Section 401, nothing in this Indenture or in the Securities, express or implied, shall give to any Person, other than the parties hereto and their successors hereunder and the Holders of Securities, any benefits or any legal or equitable right, remedy or claim under this Indenture.

This Indenture and the Securities shall be governed by and construed in accordance with the internal laws, but not the laws as to conflicts or choice of law, of the State of New York.

SECTION 113. Legal Holidays.

In any case where any Interest Payment Date, Redemption Date or Stated Maturity of any Security shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of this Indenture or of the Securities or coupons, other than a provision in the Securities of any series which specifically states that such provision shall apply in lieu of this Section) payment of interest or principal need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment, with the same force and effect as if made on the Interest Payment Date or Redemption Date or at the Stated Maturity, provided that no interest shall accrue for the period from and after such Interest Payment Date, Redemption Date or Stated Maturity, as the case may be.

THE SECURITIES

SECTION 301. Title and Terms.

The aggregate principal amount of Securities which may be authenticated and delivered under this Indenture shall be unlimited.

The Securities may be issued in one or more series. There shall be established and, subject to Section 303, set forth, or determined in the manner provided, in an Officers' Certificate, or established in one or more indentures supplemental hereto:

(1) the title of the Securities of the series (which shall distinguish the Securities of the series from all other Securities);

(2) any limit upon the aggregate principal amount of the Securities of the series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the series pursuant to Section 304, 305, 306, 906 or 1107, and except for any Securities which, pursuant to Section 303, are deemed never to have been authenticated and delivered hereunder);

(3) whether Securities of the series are to be issuable as Registered Securities, Bearer Securities or both, whether any Securities of the series may be represented initially by a Security in temporary or definitive global form and, if so, the initial Depositary with respect to any such temporary

or definitive global Security, and, if other than as provided in Section 304 or Section 305, as applicable, whether, and the circumstances under which, beneficial owners of interests in any such temporary or definitive global Security may exchange such interests for Securities of such series of like tenor of any authorized form and denomination;

(4) the Person to whom any interest on any Registered Security of the series shall be payable, if other than the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest, the manner in which, and the Person to whom, any interest on any Bearer Security of the series shall be payable, if otherwise than upon presentation and surrender of the coupons appertaining thereto as they severally mature, and the extent to which, or the manner in which (including any certification requirement and other terms and conditions under which), any interest payable on a temporary or definitive global Security on an Interest Payment Date will be paid, if other than in the manner provided in Section 203 and Section 304, as applicable;

(5) the date or dates on which the principal of the Securities of the series is payable or the method of determination thereof;

(6) the rate or rates (which may be fixed or variable) at which the Securities of the series shall bear interest, if any, or the method of calculating such rate or rates, the date or dates from which any such interest shall accrue, the Interest Payment Dates on which any such interest shall be payable and the Regular Record Date for any interest payable on any Registered Securities on any Interest Payment Date;

(7) the place or places where, subject to the provisions of Section 1002, the principal of and any interest on Securities of the series shall be payable, any Registered Securities of the series may be surrendered for registration of transfer, Securities of the series may be surrendered for exchange and notices and demands to or upon the Company in respect of the Securities of the series and this Indenture may be served;

(8) the period or periods within which, the price or prices at which and the terms and conditions upon which, Securities of the series may be redeemed, in whole or in part, at the option of the Company;

(9) the obligation, if any, of the Company to redeem or purchase Securities of the series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof, the conditions, if any, giving rise to such obligation, and the period or periods within which, the price or prices at which and the terms and conditions upon which, Securities of the series shall be redeemed or purchased, in whole or in part, pursuant to such obligation, and any provisions for the remarketing of such Securities;

(10) the denominations in which any Registered Securities of the series shall be issuable, if other than denominations of \$1,000 and any integral multiple thereof, and the denomination or denominations in which any Bearer Securities of the series shall be issuable, if other than denominations of \$5,000 and \$100,000;

(11) the currency or currencies, including composite currencies or currency units, in which Securities of the series may be denominated or in which payment of the principal of and any interest on the Securities of the series shall be payable, if other than the currency of the United States of America, and if so, whether the Securities of the series may be satisfied and discharged other than as provided in Article Four;

(12) if the amounts of payments of principal of and any interest on the Securities of the series are to be determined with reference to an index, formula or other method, or based on a coin or currency other than that in which the Securities are stated to be payable, the manner in which such amounts shall be determined and the calculation agent, if any, with respect thereto;

(13) if other than the principal amount thereof, the portion of the principal amount of any Securities of the series which shall be payable upon declaration of acceleration of the Maturity thereof pursuant to Section 502;

(14) if the Company will pay additional amounts on any of the Securities and coupons, if any, of the series to any Holder who is a United States Alien (including any modification in the definition of such term), in respect of any tax, assessment or governmental charge withheld or deducted, under what circumstances, and with what procedures and documentation, the Company will pay such additional amounts, whether

such additional amounts will be treated as interest or principal pursuant to this Indenture, and whether the Company will have the option to redeem such Securities rather than pay additional amounts (and the terms of any such option);

(15) if other than as defined in Section 101, the meaning of "Business Day" when used with respect to any Securities of the series;

(16) if the Securities of the series may be issued or delivered (whether upon original issuance or upon exchange of a temporary Security of such series or otherwise), or any instalment of principal or interest is payable, only upon receipt of certain certificates or other documents or satisfaction of other conditions in addition to those specified in this Indenture, the form and terms of such certificates, documents or conditions;

(17) any addition to, or modification or deletion of, any Event of Default or any covenant of the Company specified in this Indenture with respect to Securities of the series; and

(18) any other terms of the series (which terms shall not be inconsistent with the provisions of this Indenture, except as permitted by Section 901(7)).

All Securities of any one series and the coupons appertaining to any Bearer Securities of such series shall be substantially identical, except as to denomination, the rate or rates of interest, if any, the Stated Maturity, the date from which interest, if any, shall accrue and except as may otherwise be provided in or pursuant to an Officers' Certificate pursuant to this Section 301 or in any indenture supplemental hereto. All Securities of any one series need not be issued at the same time and, unless otherwise provided, a series may be reopened for issuances of additional Securities of such series or for the establishment of additional terms with respect to the Securities of such series.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of any appropriate record of such action shall be certified by the Secretary or an Assistant Secretary of the Company and delivered to the Trustee at or prior to the delivery of the Officers' Certificate setting forth the terms of the series. With respect to Securities of a series subject to a Periodic Offering, such Board Resolution or Officers' Certificate

may provide general terms for Securities of such series and provide either that the specific terms of particular Securities of such series shall be specified in a Company Order or that such terms shall be determined by the Company, or one or more of the Company's agents designated in an Officers' Certificate, in accordance with the Company Order as contemplated by the first proviso of the third paragraph of Section 303.

SECTION 302. Denominations.

Unless otherwise provided as contemplated by Section 301 with respect to any series of Securities, any Registered Securities of a series shall be issuable in denominations of \$1,000 and any integral multiple thereof and any Bearer Securities of a series shall be issuable in denominations of \$5,000 and \$100,000.

SECTION 303. Execution, Authentication, Delivery and Dating.

The Securities shall be executed on behalf of the Company by its Chairman of the Board, its President, one of its Vice Presidents, its Treasurer, or one of its Assistant Treasurers under its corporate seal reproduced thereon and attested by its Secretary or one of its Assistant Secretaries. The signature of any of these officers on the Securities may be manual or facsimile. Coupons shall bear the facsimile signature of the Treasurer or an Assistant Treasurer of the Company.

Securities and coupons, if any, appertaining thereto, bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals, or any of them, have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series, together with any coupons appertaining thereto, executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities; and the Trustee, in accordance with such Company Order, shall authenticate and deliver such Securities; provided, however, that, with respect to Securities of a series subject to a Periodic Offering, (a) such

Company Order may be delivered by the Company to the Trustee prior to the delivery to the Trustee of such Securities for authentication and delivery, (b) the Trustee shall authenticate and deliver Securities of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount established for such series, pursuant to a Company Order or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Company Order, (c) the rate or rates of interest, if any, the Stated Maturity or Maturities, the original issue date or dates, the redemption provisions, if any, and any other terms of Securities of such series shall be determined by a Company Order or pursuant to such procedures and (d) if provided for in such procedures, such Company Order may authorize authentication and delivery pursuant to oral or electronic instructions from the Company, or the Company's duly authorized agent or agents designated in an Officers' Certificate, which oral instructions shall be promptly confirmed in writing; and provided, further, that, in connection with its original issuance, no Bearer Security or coupon shall be mailed or otherwise delivered to any Person who is not a United States Alien or to any location in the United States. Except as permitted by Section 306, the Trustee shall not authenticate and deliver any Bearer Security, unless all appurtenant coupons for interest then matured have been detached and cancelled.

In authenticating Securities, the form, terms and any related coupons of which have been established in or pursuant to one or more Officers' Certificates as permitted by Sections 201 and 301, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating:

(a) that the form and terms of such Securities and any coupons have been duly authorized by the Company and established in conformity with the provisions of this Indenture; and

(b) that such Securities, together with any coupons appertaining thereto, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to customary exceptions;

provided, however, that, with respect to Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to receive such Opinion of Counsel only once, at or prior to the time of the first authentication of Securities of such series, and that the Opinion of Counsel above may state:

(x) that the forms of such Securities have been, and the terms of such Securities (when established in accordance with such procedures as may be specified from time to time in a Company Order, all as contemplated by and in accordance with a Board Resolution or an Officers' Certificate pursuant to Section 301, as the case may be) will have been, duly authorized by the Company and established in conformity with the provisions of this Indenture; and

(y) that such Securities, together with the coupons, if any, appertaining thereto, when (1) executed by the Company, (2) completed, authenticated and delivered by the Trustee in accordance with this Indenture and (3) issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, subject to customary exceptions.

With respect to Securities of a series subject to a Periodic Offering, the Trustee may conclusively rely, as to the authorization by the Company of any of such Securities, the form and terms thereof and the legality, validity, binding effect and enforceability thereof, upon the Opinion of Counsel and other documents delivered pursuant to Sections 201 and 301 and this Section, as applicable, at or prior to the time of the first authentication of Securities of such series, unless and until it has received written notification that such opinion or other documents have been superseded or revoked. In connection with the authentication and delivery of Securities of a series subject to a Periodic Offering, the Trustee shall be entitled to assume that the Company's instructions to authenticate and deliver such Securities do not violate any rules, regulations or orders of any governmental agency or commission having jurisdiction over the Company.

If such forms or terms have been established as provided in the preceding two paragraphs, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this

Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 301 and of the preceding three paragraphs, if all Securities of a series are subject to a Periodic Offering, it shall not be necessary to deliver the Officers' Certificate otherwise required pursuant to Section 301 at or prior to the time of authentication of each Security of such series if such Officers' Certificate is delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Registered Security shall be dated the date of its authentication; and, unless otherwise specified as contemplated by Section 301, each Bearer Security (including a Bearer Security represented by a temporary global Security) shall be dated as of the date of original issuance of the first Security of such series to be issued.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. Unless otherwise provided in the appointment, an authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent.

No Security or coupon appertaining thereto shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless there appears on such Security a certificate of authentication substantially in the form provided for herein, executed by the Trustee by the manual signature of one of its authorized signatories, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 309, together with a written statement (which need not comply with Section 102 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Company, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

SECTION 304. Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon a Company Order the Trustee shall authenticate and deliver, temporary Securities that are printed, lithographed, typewritten, photocopied or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued, in registered form or, if authorized, in bearer form, with one or more coupons or without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities. Such temporary Securities may be in global form.

Except in the case of Securities represented by a temporary global Security (which shall be exchanged in accordance with the provisions of the three succeeding paragraphs), if temporary Securities for some or all of the Securities of any series are issued, the Company will cause definitive Securities representing such Securities to be prepared without unreasonable delay. After the preparation of such definitive Securities, the temporary Securities shall be exchangeable for such definitive Securities of like tenor upon surrender of such temporary Securities at any office or agency of the Company designated pursuant to Section 1002 in a Place of Payment for such series for the purpose of exchanges of Securities of such series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series (accompanied by any unmatured coupons appertaining thereto), the Company shall execute, and the Trustee shall authenticate and deliver in exchange therefor, a like principal amount of definitive Securities of the same series and of like tenor of authorized denominations; provided, however, that no definitive Bearer Security shall be delivered in exchange for a temporary Registered Security. Until so exchanged, the temporary Securities shall in all respects be entitled to the same benefits under this Indenture as definitive Securities.

Unless otherwise specified as contemplated by Section 301, if Bearer Securities of any series are represented by a Security in temporary global form, any such temporary global Security shall be delivered to the Depositary for the benefit of Euro-clear or Cedel S.A., for credit to the respective accounts of the beneficial owners of such Securities (or to such other accounts as they may direct).

Without unnecessary delay, but in any event not later than the date specified in, or determined pursuant to the terms of, any such temporary global Security (the "Exchange Date"), the Company shall deliver to the Trustee definitive Securities of the same series, in aggregate principal amount equal to the principal amount of such temporary global Security, executed by the Company. On or after the Exchange Date, such temporary global Security shall be surrendered by the Depository to the Trustee, as the Company's agent for such purpose, to be exchanged, in whole or from time to time in part, for definitive Securities of the same series and of like tenor without charge, and the Trustee shall authenticate and deliver, in exchange for each portion of such temporary global Security, an equal aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such temporary global Security to be exchanged. The definitive Securities to be delivered in exchange for any such temporary global Security shall be in definitive bearer form or registered form, or shall be represented by a definitive global Security, or any combination thereof, as specified as contemplated by Section 301, and, if any combination thereof is so specified, as requested by the beneficial owner thereof.

Unless otherwise specified in any such temporary global Security, the interest of a beneficial owner of Securities of a series represented by such temporary global Security shall be exchanged for definitive Securities of the same series and of like tenor following the Exchange Date, when the account holder instructs Euro-clear or Cedel S.A., as the case may be, to request such exchange on his behalf and delivers to Euro-clear or Cedel S.A., as the case may be, any certificate specified as contemplated by Section 301. Unless otherwise specified in such temporary global Security, any such exchange shall be made free of charge to the beneficial owners of such temporary global Security, except that a Person receiving definitive Securities must bear the cost of insurance, postage, transportation and the like, in the event that such Person does not take delivery of such definitive Securities in person at the offices of Euro-clear or Cedel S.A.

Until exchanged in full as hereinabove provided, the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of the same series and of like tenor authenticated and delivered hereunder, except that, unless otherwise specified as

contemplated by Section 301, interest payable on a temporary global Security representing a series of Bearer Securities on an Interest Payment Date for Securities of such series occurring prior to the applicable Exchange Date shall be payable to Euro-clear and Cedel S.A. on such Interest Payment Date, upon delivery by Euro-clear and Cedel S.A. to the Trustee of any certificate specified as contemplated by Section 301, for credit, without further interest on or after such Interest Payment Date, to the respective accounts of the Persons who are the beneficial owners of such temporary global Security on such Interest Payment Date and who have each delivered to Euro-clear or Cedel S.A., as the case may be, any certificate specified as contemplated by Section 301.

SECTION 305. Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept, at one of its offices or agencies maintained pursuant to Section 1002, a register for the Securities accessible to the Trustee (the register maintained in such office or agency designated pursuant to Section 1002 being herein sometimes collectively referred to as the "Security Register"), in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. The Trustee is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security at an office or agency of the Company designated pursuant to Section 1002 for such purpose in a Place of Payment, the Company shall execute, and the Trustee or a duly appointed co-authenticating agent shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Securities of the same series and of any authorized denominations, of a like aggregate principal amount and tenor.

Notwithstanding any other provisions (other than the provisions set forth in the seventh and eighth paragraphs) of this Section, a Security in global form representing all or a portion of the Securities of a series may not be transferred, except as a whole by the Depositary for such series to a nominee of such Depositary, or by a nominee of such Depositary to such Depositary or another nominee of such Depositary, or by such Depositary or any such nominee to a successor Depositary for such series or a nominee of such successor Depositary.

At the option of the Holder, Registered Securities of any series may be exchanged for other Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at any such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive. Bearer Securities may not be issued in exchange for Registered Securities.

At the option of the Holder, Bearer Securities of any series may be exchanged for Registered Securities of the same series of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Bearer Securities to be exchanged at any such office or agency, with all unmatured coupons and all matured coupons in default thereto appertaining. If the Holder of a Bearer Security is unable to produce any such unmatured coupon or coupons or matured coupon or coupons in default, such exchange may be effected if the Bearer Securities are accompanied by payment, in funds acceptable to the Company and the Trustee, in an amount equal to the face amount of such missing coupon or coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there is furnished to them such security or indemnity as they may require to save each of them and any Paying Agent harmless. If thereafter the Holder of such Security shall surrender to any Paying Agent any such missing coupon in respect of which such a payment shall have been made, such Holder shall be entitled to receive the amount of such payment; provided, however, that, except as otherwise provided in Section 1002, interest represented by coupons shall be payable only upon presentation and surrender of those coupons at an office or agency located outside the United States. Notwithstanding the foregoing, in case a Bearer Security of any series is surrendered at any such office or agency in exchange for a Registered Security of the same series and like tenor after the close of business at such office or agency on (i) any Regular Record Date and before the opening of business at such office or agency on the relevant Interest Payment Date, or (ii) any Special Record Date and before the opening of business at such office or agency on the related proposed date for payment of Defaulted Interest, such Bearer Security shall be surrendered without the coupon relating to such Interest Payment Date or proposed date for payment, as the case may be, and interest or Defaulted

Interest, as the case may be, will not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of the Registered Security issued in exchange for such Bearer Security, but will be payable only to the Holder of such coupon when due in accordance with the provisions of this Indenture.

Whenever any Securities are so surrendered for exchange, the Company shall execute, and the Trustee or a duly appointed authenticating agent shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

If at any time the Depository for the Securities of a series notifies the Company that it is unwilling or unable to continue as Depository for the Securities of such series, the Company shall appoint a successor Depository with respect to the Securities of such series. If a successor Depository for the Securities of such series is not appointed by the Company within 90 days after the Company receives such notice, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form, in an aggregate principal amount equal to the principal amount of the Security or Securities in global form representing such series, in exchange for such Security or Securities in global form.

The Company may at any time and in its sole discretion determine that the Securities of any series issued in the form of one or more global Securities shall no longer be represented by such global Security or Securities. In such event, the Company will execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of definitive Securities of such series, will authenticate and deliver Securities of such series in definitive form, and in an aggregate principal amount equal to the principal amount of the Security or Securities in global form representing such series, in exchange for such Security or Securities in global form.

Notwithstanding the foregoing, except as otherwise specified in the preceding two paragraphs or as contemplated by Section 301, any definitive global Security shall be exchangeable only as provided in this paragraph. If the beneficial owners of interests in a definitive global Security are entitled to exchange such interests for definitive Securities of such series and of like

principal amount and tenor but of another authorized form and denomination, as specified as contemplated by Section 301, then, without unnecessary delay, but in any event not later than the earliest date on which such interests may be so exchanged, the Company shall deliver to the Trustee definitive Securities, in aggregate principal amount equal to the principal amount of such definitive global Security, executed by the Company. On or after the earliest date on which such interests may be so exchanged, such definitive global Security shall be surrendered by the Depositary with respect thereto to the Trustee, as the Company's agent for such purpose, to be exchanged, in whole or from time to time in part, for definitive Securities without charge, and the Trustee shall authenticate and deliver, in exchange for each portion of such definitive global Security, an equal aggregate principal amount of definitive Securities of the same series of authorized denominations and of like tenor as the portion of such definitive global Security to be exchanged, which, unless the Securities of the series are not issuable both as Bearer Securities and as Registered Securities, as specified as contemplated by Section 301, shall be in the form of Bearer Securities or Registered Securities, or any combination thereof, as shall be specified by the beneficial owner thereof; provided, however, that notwithstanding the last paragraph of this Section 305, no such exchanges may occur during a period beginning at the opening of business 15 days before any selection of Securities of that series to be redeemed and ending on the relevant Redemption Date; and provided, further, that in connection with its original issuance, no Bearer Security or coupon delivered in exchange for a portion of a definitive global Security shall be mailed or otherwise delivered to any Person that is not a United States Alien or to any location in the United States. If a Registered Security is issued in exchange for any portion of a definitive global Security after the close of business at the office or agency where such exchange occurs on (i) any Regular Record Date and before the opening of business at such office or agency on the relevant Interest Payment Date, or (ii) any Special Record Date and the opening of business at such office or agency on the related proposed date for payment of Defaulted Interest, interest or Defaulted Interest, as the case may be, will not be payable on such Interest Payment Date or proposed date for payment, as the case may be, in respect of such Registered Security, but will be payable on such Interest Payment Date or proposed date for payment, as the case may be, only to the Person to whom

interest in respect of such portion of such definitive global Security is payable in accordance with the provisions of this Indenture.

Upon the exchange of a Security in global form for Securities in definitive form, such Security in global form shall be cancelled by the Trustee. Registered Securities issued in exchange for a Security in global form pursuant to this Section 305 shall be registered in such names and in such authorized denominations as the Depository for such Security in global form, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee. The Trustee shall deliver such Registered Securities to the persons in whose names such Securities are so registered.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Registered Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer, in form satisfactory to the Company and the Security Registrar, duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 304, 906 or 1107, not involving any transfer.

The Company shall not be required (i) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before any selection of Securities of that series to be redeemed and ending (except as otherwise provided in the first proviso in the ninth paragraph of this Section 305) at the close of business on (A) if Securities of the series are issuable only as Registered Securities, the day of the mailing of the relevant notice of redemption and (B) if Securities of the series are issuable as Bearer Securities, the day of the first publication of the relevant notice of redemption or, if Securities of the series are also issuable as Registered Securities and there is no publication, the mailing of the relevant

notice of redemption, or (ii) to register the transfer of or exchange any Registered Security so selected for redemption, in whole or in part, except the unredeemed portion of any Security being redeemed in part, or (iii) to exchange any Bearer Security so selected for redemption, except that such a Bearer Security may be exchanged for a Registered Security of that series and like tenor, provided that such Registered Security shall be simultaneously surrendered for redemption.

SECTION 306. Mutilated, Destroyed, Lost and Stolen Securities and Coupons.

If any mutilated Security or a Security with a mutilated coupon appertaining thereto is surrendered to the Trustee, the Company shall execute, and the Trustee shall authenticate and deliver in exchange therefor, a new Security of the same series of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to the surrendered Security.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security or coupon and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security or coupon has been acquired by a bona fide purchaser, the Company shall execute, and upon its request the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security or in exchange for the Security to which a destroyed, lost or stolen coupon appertains (with all appurtenant coupons not destroyed, lost or stolen), a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding, with coupons corresponding to the coupons, if any, appertaining to such destroyed, lost or stolen Security or to the Security to which such destroyed, lost or stolen coupon appertains.

In case any such mutilated, destroyed, lost or stolen Security or coupon has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security or coupon; provided, however, that principal of and any interest on Bearer Securities shall, except as otherwise provided in Section 1002, be payable only at an office or agency located outside the United States and, unless otherwise specified as

contemplated by Section 301, any interest on Bearer Securities shall be payable only upon presentation and surrender of the coupons appertaining thereto.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security or in exchange for a Security to which a destroyed, lost or stolen coupon appertains, shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security and its coupons, if any, or the destroyed, lost or stolen coupon shall be at any time enforceable by anyone, and any such new Security and coupons, if any, shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that issue and their coupons, if any, duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons.

SECTION 307. Payment of Interest; Interest Rights Preserved.

Unless otherwise provided as contemplated by Section 301 with respect to any series of Securities, interest on any Registered Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest. In case a Bearer Security of any series is surrendered in exchange for a Registered Security of such series after the close of business (at an office or agency in a Place of Payment for such series) on any Regular Record Date and before the opening of business (at such office or agency) on the next succeeding Interest Payment Date, such Bearer Security shall be surrendered without the coupon relating to such Interest Payment Date, and interest will not be payable on such Interest Payment Date in respect of the Registered Security issued in exchange for such Bearer Security, but will be

payable only to the Holder of such coupon when due in accordance with the provisions of this Indenture.

Any interest on any Registered Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Registered Security and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest, which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Registered Securities, at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities (or their respective Predecessor Securities) are registered at

the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest on the Registered Securities in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Registered Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section and Section 305, each Security delivered under this Indenture upon registration of transfer of, or in exchange for or in lieu of, any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

SECTION 308. Persons Deemed Owners.

Prior to due presentment of a Registered Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Registered Security is registered as the owner of such Registered Security for the purpose of receiving payment of principal of and (except as otherwise specified as contemplated by Section 301 and subject to Section 305 and Section 307) interest on such Registered Security and for all other purposes whatsoever, whether or not such Registered Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Title to any Bearer Security and any coupons appertaining thereto shall pass by delivery. The Company, the Trustee and any agent of the Company or the Trustee may treat the bearer of any Bearer Security and the bearer of any coupon as the absolute owner of such Bearer Security or coupon, as the case may be, for the purpose of receiving payment thereof or on account thereof and for all other purposes whatsoever, whether or not such Bearer Security or coupon be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

None of the Company, the Trustee, any Paying Agent or the Security Registrar will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests of a Security in global form or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

SECTION 309. Cancellation.

All Securities and coupons surrendered for payment, redemption, registration of transfer or exchange or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee. All Registered Securities and matured coupons so delivered shall be promptly cancelled by the Trustee. All Bearer Securities and unmatured coupons so delivered shall be held by the Trustee and, upon instruction by a Company Order, shall be cancelled or held for reissuance. Bearer Securities and unmatured coupons held for reissuance may be reissued only in replacement of mutilated, lost, stolen or destroyed Bearer Securities of the same series and like tenor or the related coupons pursuant to Section 306. All Bearer Securities and unmatured coupons held by the Trustee pending such cancellation or reissuance shall be deemed to be delivered for cancellation for all purposes of this Indenture and the Securities. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever (including Securities received by the Company in exchange or payment for other securities of the Company), and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted in the form of Securities for any particular series or as permitted pursuant to the terms of this Indenture. All cancelled Securities and coupons held by the Trustee may be disposed of and certification of their disposition delivered to the Company, unless by a Company Order the Company shall direct that such Securities be returned to it. Any cancelled Securities not disposed of shall be returned to the Company.

SECTION 310. Computation of Interest.

Except as otherwise specified as contemplated by Section 301 for Securities of any series, (i) interest on any Securities which bear interest at a fixed rate shall be computed on the basis of a 360-day year of twelve 30-day months and (ii) interest on any Securities which bear interest at a variable rate shall be computed on the basis of the actual number of days in an interest period divided by 360.

ARTICLE FOUR

SATISFACTION AND DISCHARGE

SECTION 401. Satisfaction and Discharge of Indenture.

Except as otherwise specified as contemplated by Section 301, this Indenture, upon a Company Request, shall cease to be of further effect as to all Outstanding Securities or all Outstanding Securities of any series, as the case may be (except as to (i) remaining rights of registration of transfer, substitution and exchange of Securities or Securities of such series, as the case may be, (ii) rights hereunder of Holders to receive payment of principal of and interest on all Outstanding Securities or all Outstanding Securities of such series, as the case may be, at the Stated Maturity thereof and any other rights of the Holders of all Outstanding Securities or all Outstanding Securities of such series, as the case may be, as beneficiaries hereof with respect to the amounts deposited with the Trustee under this Section 401 and (iii) the rights, the obligations of the Trustee under Sections 304, 305, 306 and 1003 and the immunities of the Trustee hereunder and the obligations of the Company to the Trustee under Section 607), and the Company shall be deemed to have paid and discharged its entire indebtedness on all the Outstanding Securities or all Outstanding Securities of such series, as the case may be, and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of the Company's obligations under this Indenture, when

(1) either

(A) all Outstanding Securities or all Outstanding Securities of such series, as the case may be, theretofore authenticated and delivered, and all coupons, if any, appertaining thereto (other than (i) coupons appertaining to Bearer Securities surrendered for ex-

change for Registered Securities and maturing after such exchange, whose surrender is not required or has been waived as provided in Section 305, (ii) Securities or Securities of such series, as the case may be, and coupons, if any, which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 306, (iii) coupons, if any, appertaining to Securities or Securities of such series, as the case may be, called for redemption and maturing after the relevant Redemption Date, whose surrender has been waived as provided in Section 1106, and (iv) Securities or Securities of such series, as the case may be, and coupons, if any, for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 1003) have been delivered to the Trustee for cancellation; or

(B) the Company has irrevocably deposited or caused to be deposited with the Trustee, under the terms of an irrevocable trust agreement in form and substance satisfactory to the Trustee, as trust funds in trust solely for the benefit of the Holders of all Outstanding Securities, or the Holders of all Outstanding Securities of such series, as the case may be, money or direct non-callable obligations of, or non-callable obligations timely payments of which are guaranteed by, the United States of America, for the payment of which guarantee or obligation the full faith and credit of the United States is pledged ("U.S. Government Obligations"), maturing as to principal and interest in such amounts and at such times as are sufficient, without consideration of any reinvestment of such interest, to pay and discharge at Stated Maturity or any Redemption Date, as the case may be, all principal of and interest on all Outstanding Securities or all Outstanding Securities of such series, as the case may be. Such irrevocable trust agreement shall instruct the Trustee (i) to apply such money or the proceeds of said U.S. Government Obligations to the payment of said principal of and interest on the Securities or Securities of such series, as the case may be; and (ii) if the Securities or Securities of such series, as the case may be, are to be repaid at a Redemption Date and the Company has not given notice of redemption pursuant to Section 1104 (including where such Securities are

not yet redeemable at the date of deposit) to give notice of redemption on such Redemption Date pursuant to Section 1104;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company with respect to the Securities or Securities of such series, as the case may be;

(3) no Event of Default under Clause (2) of Section 501 is then in existence with respect to the Securities or the Securities of such series, as the case may be; and

(4) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Securities or the Securities of such series, as the case may be, and the payment or discharge of the entire indebtedness on all Securities or Securities of such series, as the case may be, have been complied with.

Notwithstanding any such satisfaction and discharge, (i) the obligations of the Company to the Trustee under Section 607 shall survive and (ii) the Company shall not be discharged from any payment obligations in respect of the Securities or the Securities of such series, as the case may be, which are deemed not to be Outstanding under Clause (iii) of the definition of "Outstanding" if such obligations continue to be valid obligations of the Company under applicable law.

SECTION 402. Application of Trust Money.

All money and U.S. Government Obligations (or any other obligations specified as contemplated by Section 301 with respect to any series of Securities, the principal of or any interest on which is payable other than in the currency of the United States of America) deposited with the Trustee pursuant to the trust agreement referred to in Section 401 shall be held in trust and applied by it, in accordance with the provisions of the Securities of the series with respect to which such deposit is made, this Indenture and such trust agreement, to the payment, either directly or through any Paying Agent (other than the Company) as the Trustee may determine, of the principal and interest

amounts due at the Stated Maturity or the Redemption Date, as the case may be, with respect to the Securities of such series to the Persons entitled thereto.

All money and U.S. Government Obligations (or any other obligations specified as contemplated by Section 301 with respect to any series of Securities, the principal of or any interest on which is payable other than in the currency of the United States of America) so deposited which remain unclaimed for two years after payment to such Persons has become due and payable shall be turned over to the Company in accordance with the provisions of Section 1003.

ARTICLE FIVE

REMEDIES

SECTION 501. Events of Default.

"Event of Default," wherever used herein, means, with respect to each series of the Securities individually, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any instalment of interest upon any Security of such series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of any Security of such series at its Maturity; or

(3) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has been expressly included in this Indenture solely for the benefit of a series of Securities other than such series), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the

Holders of at least 25% in principal amount of the Outstanding Securities of such series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(4) a default under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or under any mortgage, indenture, guaranty or instrument under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company, whether such indebtedness now exists or shall hereafter be created, which default shall have resulted in such indebtedness becoming or being declared due and payable prior to the date on which it would otherwise have become due and payable, without such indebtedness having been discharged or such acceleration having been rescinded or annulled within a period of 20 days after there shall have been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of such series a written notice specifying such default and requiring the Company to cause such indebtedness to be discharged or such acceleration to be rescinded or annulled and stating that such notice is a "Notice of Default" hereunder; provided, that no Event of Default under this subsection (4) shall be deemed to exist as a result of the acceleration of any such indebtedness if the principal of and interest on such indebtedness, when added to the principal of and interest on all other such indebtedness which has been accelerated as aforesaid (excluding any such indebtedness which has been discharged or as to which the acceleration has been duly rescinded or annulled), shall not exceed \$50,000,000; or

(5) the entry of a decree or order by a court having jurisdiction in the premises adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under Federal bankruptcy law or any other applicable Federal or State law, or appointing a receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of

any such decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by it to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under Federal bankruptcy law or any other applicable Federal or state law, or the consent by it to the filing of such petition or to the appointment of a receiver, liquidator, assignee, trustee, sequestrator or similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other event designated as an "Event of Default" with respect to Securities of that series.

SECTION 502. Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then and in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if any of the Securities of that series are Discount Securities, such portion of the principal amount of such Securities as may be specified in the terms thereof) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal (or portion thereof) shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue instalments of interest on all Securities of such series;

(B) the principal of any Securities of such series which have become due otherwise than by such declaration of acceleration and interest thereon at the rate or rates prescribed therefor in such Securities;

(C) to the extent that payment of such interest is lawful, interest upon overdue instalments of interest at the rate or rates prescribed therefor in such Securities; and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amount due the Trustee under Section 607;

and

(2) all Events of Default with respect to Securities of such series, other than the non-payment of the principal of Securities of such series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 513.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

SECTION 503. Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any instalment of interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and interest, with interest upon the overdue principal and, to the extent that payment of such interest shall be legally enforceable, upon overdue instalments of interest from the date such interest was due, at the rate or rates prescribed therefor in such Securities; and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amount due the Trustee under Section 607.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same against the Company or any other obligor upon such Securities and collect the moneys adjudged or decreed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may, in its discretion, proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 504. Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand

on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel and any other amount due the Trustee under Section 607) and of the Holders of Securities and coupons allowed in such judicial proceeding, and

(ii) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder of Securities and coupons to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders of Securities and coupons, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 607.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder of a Security or coupon any plan of reorganization, arrangement, adjustment or composition affecting the Securities or coupons or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder of a Security or coupon in any such proceeding.

SECTION 505. Trustee May Enforce Claims Without Possession of Securities or Coupons.

All rights of action and claims under this Indenture or the Securities or coupons may be prosecuted and enforced by the Trustee without the possession of any of the Securities or coupons or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of

judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities and coupons in respect of which such judgment has been recovered.

SECTION 506. Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee, and, in case of the distribution of such money on account of principal or interest, upon presentation of the Securities or coupons, or both, as the case may be, and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 607;

SECOND: To the payment of the amounts then due and unpaid for principal of and interest on the Securities and interest evidenced by coupons in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities and coupons for principal and interest, respectively; and

THIRD: To the payment of the remainder, if any, to the Company.

SECTION 507. Limitation on Suits.

No Holder of any Security of any series or any related coupons shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series;

it being understood and intended that no one or more Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders, or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all the Holders.

SECTION 508. Unconditional Right of Holders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security or coupon shall have the right, which is absolute and unconditional, to receive payment of the principal of and (subject to Section 307) interest on such Security or payment of such coupon on the Stated Maturities or Maturities expressed in such Security or coupon (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment and such rights shall not be impaired without the consent of such Holder.

SECTION 509. Restoration of Rights and Remedies.

If the Trustee or any Holder of a Security or coupon has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders of Securities and coupons shall be restored severally and respectively to their former positions hereunder and thereafter all rights

and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 510. Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities or coupons in the last paragraph of Section 306, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders of Securities or coupons is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 511. Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Security or coupon to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders of Securities or coupons may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders of Securities or coupons, as the case may be.

SECTION 512. Control by Holders of Securities.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Securities of such series; provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee shall not have determined that the action so directed would be unjustly prejudicial to the Holders not taking part in such direction, and

(3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 513. Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series and any related coupons waive any past default hereunder and its consequences, except a default

(1) in the payment of the principal of or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article Nine cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 514. Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the Outstanding Securities of any series, or to

any suit instituted by any Holder of any Security or coupon for the enforcement of the payment of the principal of or interest on any Security or the payment of any coupon on or after the Stated Maturity or Maturities expressed in such Security or coupon (or, in the case of redemption, on or after the Redemption Date).

SECTION 515. Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time voluntarily (and that it will resist any effort to make it do so involuntarily) insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE SIX

THE TRUSTEE

SECTION 601. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default,

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall

be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture.

(b) In case an Event of Default has occurred and is continuing with respect to the Securities of any series, the Trustee shall exercise such of the rights and powers vested in it by this Indenture with respect to the Securities of such series, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Subsection shall not be construed to limit the effect of Subsection (a) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of a majority in principal amount of the Outstanding Securities of any series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such series.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section.

SECTION 602. Notice of Defaults.

Within 90 days after the occurrence of any default hereunder with respect to the Securities of any series, the Trustee shall transmit, in the manner and to the extent provided in Section 703(b), notice of such default hereunder known to the Trustee, unless such default shall have been cured or waived; provided, however, that, except in the case of a default in the payment of the principal of or interest on any Security of such series or in the payment of any sinking fund instalment with respect to any Security of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors or Responsible Officers of the Trustee in good faith determine that the withholding of such notice is in the interest of the Holders of Securities of such series; and provided, further, that, in the case of any default of the character specified in Section 501(3), no such notice to Holders shall be given until at least 60 days after the occurrence thereof. For the purpose of this Section, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Securities of such series.

SECTION 603. Certain Rights of Trustee.

Except as otherwise provided in Section 601:

(a) the Trustee may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Request or Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a Board Resolution;

(c) whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officers' Certificate;

(d) the Trustee may consult with counsel and the written advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Securities of any series or any related coupons pursuant to this Indenture, unless such Holders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney;

(g) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder; and

(h) the Trustee shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

SECTION 604. Not Responsible for Recitals or Issuance of Securities.

The recitals contained herein and in the Securities, except the Trustee's certificates of authentication, and in any coupons shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities or coupons. The Trustee shall

not be accountable for the use or application by the Company of Securities or the proceeds thereof.

SECTION 605. May Hold Securities.

The Trustee, any Paying Agent, any Security Registrar or any other agent of the Company, in its individual or any other capacity, may become the owner or pledgee of Securities or coupons and, subject to Sections 608 and 612, may otherwise deal with the Company with the same rights it would have if it were not Trustee, Paying Agent, Security Registrar or such other agent.

SECTION 606. Money Held in Trust.

Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Company.

SECTION 607. Compensation and Reimbursement.

The Company agrees

(1) to pay to the Trustee from time to time reasonable compensation for all services rendered by it hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(2) except as otherwise expressly provided herein, to reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(3) to indemnify the Trustee for, and to hold it harmless against, any loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against

any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder.

As security for the performance of the obligations of the Company under this Section, the Trustee shall have a lien prior to the Securities and any coupons upon all property and funds held or collected by the Trustee as such, except funds held in trust for the payment of principal of or interest on particular Securities or for the payment of particular coupons.

SECTION 608. Corporate Trustee Required; Eligibility.

There shall at all times be a Trustee hereunder, which shall be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, and subject to supervision or examination by Federal or State authority. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect hereinafter specified in this Article. The Trustee shall comply with Trust Indenture Act Sections 310(a)(5) and 310(b).

SECTION 609. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee pursuant to this Article shall become effective until the acceptance of appointment by the successor Trustee under Section 610.

(b) The Trustee may resign at any time with respect to the Securities of one or more series by giving written notice thereof to the Company. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such issue.

(c) The Trustee may be removed at any time with respect to the Securities of any series by Act of the Holders of a majority in principal amount of the Outstanding Securities of such series, delivered to the Trustee and to the Company.

(d) If at any time:

(1) the Trustee shall fail to comply with the last sentence of Section 608 after written request therefor by the Company or by any Holder who has been a bona fide Holder of a Security for at least six months (or such shorter period as the Securities have been outstanding), or

(2) the Trustee shall cease to be eligible under Section 608 and shall fail to resign after written request therefor by the Company or by any such Holder, or

(3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (i) the Company, by a Board Resolution, may remove the Trustee with respect to all Securities, or (ii) subject to Section 514, any Holder who has been a bona fide Holder of a Security for at least six months (or such shorter period as the Securities have been outstanding) may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee with respect to all Securities and the appointment of a successor Trustee or Trustees.

(e) If the Trustee shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Trustee for any cause, with respect to the Securities of one or more series, the Company, by a Board Resolution, shall promptly appoint a successor Trustee or Trustees with respect to the Securities of that or those series (it being understood that any such successor Trustee may be appointed with respect to the Securities of one or more or all of such series and that at any time there shall be only one Trustee with respect to the Securities of any particular series). If, within one year after such resignation, removal or incapability, or the occurrence of such vacancy, a successor Trustee with respect to the Securities of any series shall be appointed by Act of the

Holders of a majority in principal amount of the Outstanding Securities of such series delivered to the Company and the retiring Trustee, the successor Trustee so appointed shall, forthwith upon its acceptance of such appointment, become the successor Trustee with respect to the Securities of such series and supersede the successor Trustee appointed by the Company. If no successor Trustee with respect to the Securities of any series shall have been so appointed by the Company or the Holders and accepted appointment in the manner hereinafter provided, any Holder who has been a bona fide Holder of a Security of such series for at least six months (or such shorter period as the Securities have been outstanding) may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee with respect to the Securities of such series.

(f) The Company shall give notice of each resignation and each removal of the Trustee with respect to the Securities of any series and each appointment of a successor Trustee with respect to the Securities of any series in the manner provided in Section 106. Each notice shall include the name of the successor Trustee and the address of its Corporate Trust Office.

SECTION 610. Acceptance of Appointment by Successor.

(a) In case of the appointment hereunder of a successor Trustee with respect to all Securities, every such successor Trustee appointed shall execute, acknowledge and deliver to the Company and to the retiring Trustee an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee; but, on request of the Company or the successor Trustee, such retiring Trustee shall, upon payment of its charges, execute and deliver an instrument transferring to such successor Trustee all the rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder, subject nevertheless to its lien, if any, provided for in Section 607.

(b) In case of the appointment hereunder of a successor Trustee with respect to the Securities of one or more (but not all) series, the Company, the retiring Trustee and each successor Trustee with respect to the Securities of one or more series shall execute and deliver an indenture supplemental hereto, wherein each successor Trustee shall accept such appointment and which

(1) shall contain such provisions as shall be necessary or desirable to transfer and confirm to, and to vest in, each successor Trustee all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, (2) if the retiring Trustee is not retiring with respect to all Securities, shall contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series as to which the retiring Trustee is not retiring shall continue to be vested in the retiring Trustee, and (3) shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such Trustees as co-trustees of the same trust and that each such Trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Trustee; and, upon the execution and delivery of such supplemental indenture, the resignation or removal of the retiring Trustee shall become effective to the extent provided therein and each such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to the Securities of that or those series to which the appointment of such successor Trustee relates; but, on request of the Company or any successor Trustee, such retiring Trustee shall duly assign, transfer and deliver to such successor Trustee all property and money held by such retiring Trustee hereunder with respect to the Securities of that or those series to which the appointment of such successor Trustee relates, subject, nevertheless, to its lien, if any, provided for in Section 607.

(c) Upon request of any such successor Trustee, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Trustee all such rights, powers and trusts referred to in paragraph (a) or (b) of this Section.

(d) No successor Trustee shall accept its appointment unless at the time of such acceptance such successor Trustee shall be qualified and eligible under this Article.

SECTION 611. Merger, Conversion, Consolidation or Succession to Business.

Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any

merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Securities shall have been authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such authentication and deliver the Securities so authenticated with the same effect as if such successor Trustee had itself authenticated such Securities.

SECTION 612. Preferential Collection of Claims Against Company.

The Trustee shall comply with Trust Indenture Act Section 311(a), excluding any creditor relationship listed in Trust Indenture Act Section 311(b). A Trustee who has resigned or been removed shall be subject to Trust Indenture Act Section 311(a) to the extent indicated therein.

The Trustee also shall comply with Trust Indenture Act Section 313(b)(2).

(b) Reports pursuant to this Section shall be transmitted by mail:

(1) to all Holders of Registered Securities, as the names and addresses of such Holders appear in the Security Register;

(3) except in the case of reports pursuant to Subsection (b) of this Section, to each Holder of a Security whose name and address is preserved at the time by the Trustee, as provided in Section 702(a).

(c) A copy of each such report shall, at the time of such transmission to Holders of Securities, be filed by the Trustee with each stock exchange upon which any Securities are listed, with the Commission and with the Company. The Company will notify the Trustee when any Securities are listed on any stock exchange.

SECTION 704. Reports by Company.

The Company shall:

SECTION 801. Company May Consolidate, Etc., Only on Certain Terms.

The Company shall not consolidate with or merge into any other corporation or convey, transfer or lease its properties and assets substantially as an entirety to any Person, unless:

(1) the corporation formed by such consolidation or into which the Company is merged or the Person that acquires by conveyance or transfer, or which leases, the properties and assets of the Company substantially as an entirety shall be a Person or corporation organized and existing under the laws of the United States of America, any State thereof or the District of Columbia and shall expressly assume, by an indenture supplemental hereto, executed and delivered to the Trustee, in form satisfactory to the Trustee, the due and punctual payment of the principal of and interest on all the Securities and the performance of every covenant of this Indenture on the part of the Company to be performed or observed;

ARTICLE NINE

SUPPLEMENTAL INDENTURES

SECTION 901. Supplemental Indentures Without Consent of Holders.

Without the consent of any Holders of Securities or coupons, the Company, when authorized by a Board Resolution, and the Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, in form satisfactory to the Trustee, for any of the following purposes:

- (1) to evidence the succession of another corporation to the Company and the assumption by any such successor of the covenants of the Company herein and in the Securities;
- (2) to add to the covenants, agreements and obligations of the Company for the benefit of the Holders of all of the Securities or any series thereof, or to surrender any right or power herein conferred upon the Company;
- (3) to add to or change any of the provisions of this Indenture to provide that Bearer Securities may be registrable as to principal, to change or eliminate any restrictions (including restrictions relating to payment in the United States) on the payment of principal of or any premium or interest on Bearer Securities, to permit Bearer Securities to be issued in exchange for Registered Securities, to permit Bearer Securities to be issued in exchange for Bearer Securities of other authorized denominations or to permit the issuance of Securities in uncertificated form, provided that any such action shall not adversely affect the interests of the Holders of Securities of any series or any related coupons in any material respect; or

(4) to establish the form or terms of Securities of any series and any related coupons, as permitted by Sections 201 and 301, respectively; or

(5) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee, pursuant to the requirements of Section 610(b); or

(6) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture, provided such action shall not adversely affect the interests of the Holders; or

(7) to add to, change or eliminate any of the provisions of this Indenture (which addition, change or elimination may apply to one or more series of Securities), provided that any such addition, change or elimination shall neither (A) apply to any Security of any series created prior to the execution of such supplemental indenture and entitled to the benefit of such provision nor (B) modify the rights of the Holder of any such Security with respect to such provision; or

(8) to secure the Securities.

SECTION 902. Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of modifying in any manner the rights of the Holders of the Securities of such series and any related coupons under this Indenture; provided, however, that no such supplemental indenture shall,

without the consent of the Holder of each Outstanding Security affected thereby:

(1) change the Stated Maturity of the principal of, or any instalment of principal or interest on, any such Security, or reduce the principal amount thereof or the rate of interest thereon or any premium payable upon redemption thereof, or reduce the amount of principal of any such Discount Security that would be due and payable upon a declaration of acceleration of maturity thereof pursuant to Section 502, or change the Place of Payment where, or coin or currency in which, any principal of, or any instalment of interest on, any such Security is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date);

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) with respect to the Securities of such series provided for in this Indenture; or

(3) modify any of the provisions of this Section, Section 513 or Section 1010, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

SECTION 903. Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 601) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties, liabilities or immunities under this Indenture or otherwise.

SECTION 904. Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder and of any coupons appertaining thereto shall be bound thereby.

SECTION 905. Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act as then in effect.

SECTION 906. Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE TEN

COVENANTS

SECTION 1001. Payment of Principal and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of and any interest on the Securities of that series in accordance with the terms of the Securities, any coupons appertaining thereto and this Indenture. Unless otherwise specified as contemplated by Section 301 with respect to any series of Securities, any interest due on Bearer Securities on or before Maturity shall be payable only upon presentation and surrender of the several coupons for such interest instalments as are evidenced thereby as they severally mature.

SECTION 1002. Maintenance of Office or Agency.

If Securities of a series are issuable only as Registered Securities, the Company will maintain in each Place of Payment for such series an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. If Securities of a series are issuable as Bearer Securities, the Company will maintain (A) in the Borough of Manhattan, The City of New York, an office or agency where any Registered Securities of that series may be presented or surrendered for payment, where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange, where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served and where Bearer Securities of that series and related coupons may be presented or surrendered for payment in the circumstances described in the following paragraph (and not otherwise); (B) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States, an office or agency where Securities of that series and related coupons may be presented and surrendered for payment (including payment of any additional amounts payable on Securities of that series pursuant to Section 1011); provided, however, that, if the Securities of that series are listed on The London Stock Exchange, the Luxembourg Stock Exchange or any other stock exchange located outside the United States and

such stock exchange shall so require, the Company will maintain a Paying Agent for the Securities of that series in London, Luxembourg or any other required city located outside the United States, as the case may be, so long as the Securities of that series are listed on such exchange; and (C) subject to any laws or regulations applicable thereto, in a Place of Payment for that series which is located outside the United States, an office or agency where any Registered Securities of that series may be surrendered for registration of transfer, where Securities of that series may be surrendered for exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee and the Holders of the location, and any change in the location, of any such office or agency. If at any time the Company shall fail to maintain any such required office or agency in respect of any series of Securities, or shall fail to furnish the Trustee with the address thereof, such presentations and surrenders of Securities of that series may be made, and notices and demands may be made or served, at the Corporate Trust Office of the Trustee, except that Bearer Securities of that series and the related coupons may be presented and surrendered for payment (including payment of any additional amounts payable on Bearer Securities of that series pursuant to Section 1011) at the place specified for that purpose as contemplated by Section 301 or, if no such place is specified, at the main office of the Trustee in London, and the Company hereby appoints the same as its agent to receive such respective presentations, surrenders, notices and demands.

No payment of principal or interest on Bearer Securities shall be made at any office or agency of the Company in the United States, by check mailed to any address in the United States, by transfer to an account located in the United States or upon presentation or surrender in the United States of a Bearer Security or coupon for payment, even if the payment would be credited to an account located outside the United States; provided, however, that, if the Securities of a series are denominated and payable in Dollars, payment of principal of and any interest on any such Bearer Security (including any additional amounts payable on Securities of such series pursuant to Section 1011) shall be made at the office of the Company's Paying Agent in the Borough of Manhattan, The City of New York, if (but only if) payment in Dollars of the full amount of such principal, interest or additional amounts, as the case may be, at all offices or agencies outside the United States maintained

for the purpose by the Company in accordance with this Indenture is illegal or effectively precluded by exchange controls or other similar restrictions.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in accordance with the requirements set forth above for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

SECTION 1003. Money for Security Payments to Be Held in Trust.

If the Company shall at any time act as its own Paying Agent with respect to any series of the Securities, it will, on or before each due date of the principal of or interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of the Securities, it will, on or prior to each due date of the principal of or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay the principal or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent for any series of Securities (other than the Trustee) to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will:

- (1) hold all sums held by it for the payment of the principal of or interest on Securities of such series in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Securities of such series) in the making of any payment of principal or interest on the Securities of such series; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such Paying Agent.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent or then held by the Company, in trust for the payment of the principal of or interest on any Security of any series and remaining unclaimed for two years after such principal or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security or any coupon appertaining thereto shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense and direction of the Company cause to be published once, in an Authorized Newspaper in each Place of Payment, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

SECTION 1004. Corporate Existence.

Subject to Article Eight, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights (charter and statutory) and franchises; provided, however, that the Company shall not be required to preserve any such right or franchise

if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and that the loss thereof is not disadvantageous in any material respect to the Holders.

SECTION 1005. Maintenance of Properties.

The Company will cause all properties used or useful in the conduct of its business or the business of any Subsidiary to be maintained and kept in good condition, repair and working order and supplied with all necessary equipment, and will cause to be made all necessary repairs, renewals, replacements, betterments and improvements thereof, all as in the judgment of the Company may be necessary so that the business carried on in connection therewith may be properly and advantageously conducted at all times; provided, however, that nothing in this Section shall prevent the Company from discontinuing the operation or maintenance or both of any of such properties if such discontinuance is, in the judgment of the Company, desirable in the conduct of its business or the business of any Subsidiary and not disadvantageous in any material respect to the Holders.

SECTION 1006. Payment of Taxes and Other Claims.

The Company will or will cause a Subsidiary to pay or discharge or cause to be paid or discharged, before the same shall become delinquent, (1) all taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or upon the income, profits or property of the Company or any Subsidiary, and (2) all lawful claims for labor, materials and supplies which, if unpaid, might by law become a lien upon the property of the Company or any Subsidiary; provided, however, that the Company shall not be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim whose amount, applicability or validity is being contested in good faith by appropriate proceedings, or if the Company shall determine that the payment thereof is not desirable in the conduct of its business or the business of any Subsidiary and that the non-payment thereof is not disadvantageous in any material respect to the Holders.

SECTION 1007. Limitation on Liens.

The Company will not, and will not permit any Consolidated Subsidiary to, incur, create, assume, guarantee or otherwise become liable with respect to any Secured Debt, unless (i) the Company secures or causes such Consoli-

dated Subsidiary to secure the Securities equally and ratably with (or prior to) such Secured Debt or (ii) after giving effect thereto, the aggregate amount of all Secured Debt, together with all Discounted Rental Value in respect of sale and leaseback transactions involving Principal Domestic Properties (excluding sale and leaseback transactions exempted from the prohibition of subsection (a) of Section 1008 by subsection (b) of Section 1008), would not exceed 10% of Consolidated Net Tangible Assets; provided, however, that for purposes of this Section there shall be excluded from Secured Debt all Indebtedness secured by:

(a) Liens existing on the date of this Indenture;

(b) Liens existing on property of, or on any shares of stock or Indebtedness of, any corporation at the time such corporation becomes a Consolidated Subsidiary;

(c) Liens in favor of the Company or a Consolidated Subsidiary;

(d) Liens in favor of governmental bodies to secure progress, advance or other payments pursuant to any contract or provision of any statute;

(e) Liens existing on property, shares of stock or Indebtedness at the time of acquisition thereof (including acquisition through merger or consolidation) or Liens (i) to secure the payment of all or any part of the purchase price thereof or the cost of construction, installation, renovation, improvement or development thereon or thereof or (ii) to secure any Indebtedness incurred prior to, at the time of, or within 360 days after the later of the acquisition, the completion of such construction, installation, renovation, improvement or development or the commencement of full operation of such property or within 360 days after the acquisition of such shares or Indebtedness for the purpose of financing all or any part of the purchase price or cost thereof; and

(f) any extension, renewal or refunding of any Liens referred to in the foregoing clauses (a) through (e), inclusive, provided, however, that (i) such extension, renewal or refunding Lien shall be limited to all or part of the same property, shares of stock or Indebtedness that secured the Lien extended, renewed or refunded (plus improvements on or replacements of such property) and (ii) such Secured Debt at such time is not increased.

SECTION 1008. Limitation on Sale and Leaseback Transactions.

(a) The Company will not, and will not permit any Consolidated Subsidiary to, sell or transfer any Principal Domestic Property, with the Company or any Consolidated Subsidiary taking back a lease of such Principal Domestic Property, unless: (i) such Principal Domestic Property is sold within 360 days from the date of acquisition of such Principal Domestic Property or the date of the completion of construction or commencement of full operations on such Principal Domestic Property, whichever is later; or (ii) the Company or such Consolidated Subsidiary could subject such Principal Domestic Property to a Lien pursuant to Section 1007 in an amount equal to the Discounted Rental Value with respect to such sale and leaseback transaction without equally and ratably securing the Securities; or (iii) the Company, within 120 days after such sale, applies or causes to be applied to the retirement of its Funded Debt an amount not less than the greater of (A) the net proceeds of the sale of such Principal Domestic Property or (B) the fair value (as determined in any manner approved by the Board of Directors) of such Principal Domestic Property; provided, however, that the amount to be applied to the retirement of Funded Debt of the Company or such Consolidated Subsidiary shall be reduced by the principal amount of Funded Debt of the Company or such Consolidated Subsidiary voluntarily retired by the Company or such Consolidated Subsidiary within 120 days after such sale.

(b) The provisions of this Section shall not prevent (i) a sale and leaseback transaction between the Company and a Consolidated Subsidiary or between Consolidated Subsidiaries or (ii) a sale or transfer of any Principal Domestic Property with a lease for a period, including renewals, of not more than 36 months.

SECTION 1009. Statement by Officer as to Compliance; Notice of Certain Events.

The Company will deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending after the date hereof, a brief certificate, signed by the principal executive officer, the principal financial officer or the principal accounting officer of the Company, as to the signer's knowledge of the Company's compliance with all conditions and covenants under this Indenture. For purposes of this Section 1009, such compliance shall be determined without regard to any period of grace or requirement of notice provided under any of the provisions of this Indenture. The Company's fiscal year ends on December 31 of each year. The Company will notify the Trustee in the event

that such fiscal year changes. The Company will deliver to the Trustee, within 20 days after the occurrence thereof, notice of each acceleration which, with giving of notice by the Trustee or Holders and the lapse of time, would be an Event of Default within the meaning of Section 501(4).

SECTION 1010. Waiver of Certain Covenants.

The Company may omit in any particular instance to comply with any covenant or condition set forth in Sections 1004 to 1008, inclusive, or 1011 with respect to the Securities of any series, if before or after the time for such compliance the Holders of at least a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect.

SECTION 1011. Additional Amounts.

If specified as contemplated by Section 301, the Securities of a series may provide for the payment of additional amounts, and in such case, the Company will pay to the Holder of any Security of such series or any coupon appertaining thereto additional amounts as provided therein. Whenever in this Indenture there is mentioned, in any context, the payment of the principal of or any interest on, or in respect of, any Security of any series or payment of any related coupon, such mention shall be deemed to include mention of the payment of additional amounts provided for in this Section to the extent that, in such context, additional amounts are, were or would be payable in respect thereof pursuant to the provisions of this Section, and express mention of the payment of additional amounts (if applicable) in any provisions hereof shall not be construed as excluding additional amounts in those provisions hereof where such express mention is not made.

If the Securities of a series provide for the payment of additional amounts, at least 10 days prior to the first Interest Payment Date with respect to that series of Securities (or if the Securities of that series will not bear interest prior to Maturity, the first day on which a payment of principal is made), and at least 10 days prior to each date of payment of principal and any interest if there

has been any change with respect to the matters set forth in the below-mentioned Officers' Certificate, the Company will furnish the Trustee and the Company's Paying Agent or Paying Agents, if other than the Trustee, with an Officers' Certificate instructing the Trustee and such Paying Agent or Paying Agents whether such payment of principal of and any interest on the Securities of that series shall be made to Holders of Securities of that series or any related coupons who are United States Aliens without withholding for or on account of any tax, assessment or other governmental charge described in the Securities of that series. If any such withholding shall be required, then such Officers' Certificate shall specify by country the amount, if any, required to be withheld on such payments to such Holders of Securities or coupons, and the Company will pay to the Trustee or such Paying Agent the additional amounts required by the Securities of such series and this Section. The Company covenants to indemnify the Trustee and any Paying Agent for, and to hold them harmless against, any loss, liability or expense reasonably incurred, without negligence or bad faith on their part, arising out of or in connection with actions taken or omitted by any of them in reliance on any Officers' Certificate furnished pursuant to this Section.

ARTICLE ELEVEN

REDEMPTION OF SECURITIES

SECTION 1101. Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 301 for Securities of any series) in accordance with this Article.

SECTION 1102. Election to Redeem; Notice to Trustee.

In the event that the Company elects to redeem less than all the Securities of any series, the Company shall, at least 60 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of the Securities to be redeemed and of any other information necessary to identify the Securities of such series to be redeemed.

SECTION 1103. Selection by Trustee of Securities to be Redeemed.

Unless otherwise specified as contemplated by Section 301 with respect to any series of Securities, if less than all the Securities of any series with the same issue date, interest rate and Stated Maturity are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate, which method may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple thereof) of the principal amount of Registered Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

SECTION 1104. Notice of Redemption.

Unless otherwise specified as contemplated by Section 301 with respect to any series of Securities, notice of redemption shall be given in the manner provided in Section 106 to the Holders of Securities to be redeemed not less than 30 nor more than 60 days prior to the Redemption Date.

All notices of redemption shall identify the Securities to be redeemed (including, if applicable, the CUSIP number thereof) and shall state:

- (1) the Redemption Date;
- (2) the Redemption Price;
- (3) if fewer than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption, the principal amounts) of the particular Securities to be redeemed;
- (4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security (or portion thereof) to be

redeemed and, if applicable, that interest thereon will cease to accrue on and after said date;

(5) the place or places where such Securities, together, in the case of Bearer Securities, with all coupons, if any, appertaining thereto maturing after the Redemption Date, are to be surrendered for payment of the Redemption Price; and

(6) that the redemption is for a sinking fund, if such is the case.

A notice of redemption published as contemplated by Section 106 need not identify particular Registered Securities to be redeemed.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company.

SECTION 1105. Deposit of Redemption Price.

On or prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, segregate and hold in trust as provided in Section 1003) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

SECTION 1106. Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest and the coupons for such interest appertaining to any Bearer Securities so to be redeemed, except to the extent provided below, shall be void. Upon surrender of any such Security for redemption in accordance with said notice, together with all coupons, if any, appertaining thereto maturing after the Redemption Date, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date; provided, however, that instalments of interest on Bearer Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable only at an office or agency located outside the United States (except as otherwise provided in Section 1002) and, unless

otherwise specified as contemplated by Section 301, only upon presentation and surrender of coupons for such interest; and provided, further, that, unless otherwise specified as contemplated by Section 301, instalments of interest on Registered Securities whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Regular Record Dates according to their terms and the provisions of Sections 305 and 307.

If any Bearer Security surrendered for redemption shall not be accompanied by all appurtenant coupons maturing after the Redemption Date, such Security may be paid after deducting from the Redemption Price an amount equal to the face amount of all such missing coupons, or the surrender of such missing coupon or coupons may be waived by the Company and the Trustee if there be furnished to them such security or indemnity as they may require to save each of them and any Paying Agent harmless. If thereafter the Holder of such Security shall surrender to the Trustee or any Paying Agent any such missing coupon in respect of which a deduction shall have been made from the Redemption Price, such Holder shall be entitled to receive the amount so deducted; provided, however, that interest represented by coupons shall be payable only at an office or agency located outside the United States (except as otherwise provided in Section 1002) and, unless otherwise specified as contemplated by Section 301, only upon presentation and surrender of those coupons.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

SECTION 1107. Securities Redeemed in Part.

Any Registered Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Registered Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in

exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE TWELVE

SINKING FUNDS

SECTION 1201. Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series, except as otherwise specified as contemplated by Section 301 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment," and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment." If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 1202. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

SECTION 1202. Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Outstanding Securities of a series with the same issue date, interest rate and Stated Maturity (other than any previously called for redemption), together, in the case of any Bearer Securities of such series with the same issue date, interest rate and Stated Maturity, with all unmatured coupons appertaining thereto, and (2) may apply as a credit Securities of a series with the same issue date, interest rate and Stated Maturity which have been redeemed, either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any mandatory sinking fund payment with respect to the Securities of such series with the same issue date, interest rate and Stated Maturity; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in

such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

SECTION 1203. Redemption of Securities for Sinking Fund.

Not less than 60 days (or such shorter period as shall be acceptable to the Trustee) prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 1202, and will also deliver to the Trustee any Securities to be so delivered. Not less than 30 days before each such sinking fund payment date, the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 1103 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 1104. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 1106 and 1107.

ARTICLE THIRTEEN

MEETINGS OF HOLDERS OF SECURITIES

SECTION 1301. Purposes for Which Meetings May Be Called.

A meeting of Holders of Securities of any series may be called at any time and from time to time pursuant to this Article to make, give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be made, given or taken by Holders of Securities of such series.

SECTION 1302. Call, Notice and Place of Meetings.

(a) The Trustee may at any time call a meeting of Holders of Securities of any series for any purpose specified in Section 1301, to be held at such time and at such place in the Borough of Manhattan, The City of New York, or in London, as the Trustee shall determine or, with the approval of the Company, at any other place. Notice of every meeting of Holders of Securities of any

series, setting forth the time and the place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given, in the manner provided in Section 106, not less than 21 nor more than 180 days prior to the date fixed for the meeting.

(b) In case at any time the Company or the Holders of at least 10% in principal amount of the Outstanding Securities of any series shall have requested the Trustee to call a meeting of the Holders of Securities of such series for any purpose specified in Section 1301, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have made the first publication of the notice of such meeting within 21 days after receipt of such request or shall not thereafter proceed to cause the meeting to be held as provided herein, then the Company or the Holders of Securities of such series in the amount above specified, as the case may be, may determine the time and the place in the Borough of Manhattan, The City of New York, or in London, or in such other place as shall be determined and approved by the Company, for such meeting and may call such meeting for such purposes by giving notice thereof as provided in Subsection (a) of this Section.

SECTION 1303. Persons Entitled to Vote at Meetings.

To be entitled to vote at any meeting of Holders of Securities of any series, a Person shall be (1) a Holder of one or more Outstanding Securities of such series or (2) a Person appointed by an instrument in writing as proxy for a Holder or Holders of one or more Outstanding Securities of such series by such Holder or Holders. The only Persons who shall be entitled to be present or to speak at any meeting of Holders of Securities of any series shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Trustee and its counsel and any representatives of the Company and its counsel.

SECTION 1304. Quorum; Action.

The Persons entitled to vote a majority in principal amount of the Outstanding Securities of a series shall constitute a quorum for a meeting of Holders of Securities of such series; provided, however, that if any action is to be taken at such meeting with respect to a consent or waiver which this Indenture expressly provides may be given by the Holders of not less than a majority in principal amount of the Outstanding Securities of a series, the

Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series shall constitute a quorum. In the absence of a quorum within 30 minutes of the time appointed for any such meeting, the meeting shall, if convened at the request of Holders of Securities of such series, be dissolved. In any other case, the meeting may be adjourned for a period determined by the chairman of the meeting prior to the adjournment of such meeting. In the absence of a quorum at any such adjourned meeting, such adjourned meeting may be further adjourned for a period determined by the chairman of the meeting prior to the adjournment of such adjourned meeting. Notice of the reconvening of any adjourned meeting shall be given as provided in Section 1302(a), except that such notice need be given only once not less than five days prior to the date on which the meeting is scheduled to be reconvened. Notice of the reconvening of an adjourned meeting shall state expressly the percentage, as provided above, of the principal amount of the Outstanding Securities of such series which shall constitute a quorum.

Except as limited by the proviso to Section 902, any resolution presented to a meeting or adjourned meeting duly reconvened at which a quorum is present, as aforesaid, may be adopted by the affirmative vote of the Holders of a majority in principal amount of the Outstanding Securities of that series; provided, however, that, except as limited by the proviso to Section 902, any resolution with respect to any request, demand, authorization, direction, notice, consent, waiver or other action which this Indenture expressly provides may be made, given or taken by the Holders of a specified percentage, which is less than a majority, in principal amount of the Outstanding Securities of a series may be adopted at a meeting or an adjourned meeting duly reconvened and at which a quorum is present, as aforesaid, by the affirmative vote of the Holders of such specified percentage in principal amount of the Outstanding Securities of that series.

Any resolution passed or decision taken at any meeting of Holders of Securities of any series duly held in accordance with this Section shall be binding on all the Holders of Securities of such series and the related coupons, whether or not present or represented at the meeting.

SECTION 1305. Determination of Voting Rights; Conduct and Adjournment of Meetings.

(a) Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any

meeting of Holders of Securities of a series in regard to proof of the holding of Securities of such series and of the appointment of proxies and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem appropriate. Except as otherwise permitted or required by any such regulations, the holding of Securities shall be proved in the manner specified in Section 104 and the appointment of any proxy shall be proved in the manner specified in Section 104 or by having the signature of the person executing the proxy witnessed or guaranteed by any trust company, bank or banker authorized by Section 104 to certify to the holding of Bearer Securities. Such regulations may provide that written instruments appointing proxies, regular on their face, may be presumed valid and genuine without the proof specified in Section 104 or other proof.

(b) The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Holders of Securities as provided in Section 1302(b), in which case the Company or the Holders of Securities of the series calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting.

(c) At any meeting each Holder of a Security of such series or proxy shall be entitled to one vote for each \$1,000 principal amount of the Outstanding Securities of such series held or represented by him; provided, however, that no vote shall be cast or counted at any meeting in respect to any Security challenged as not Outstanding and ruled by the chairman of the meeting to be not Outstanding. The chairman of the meeting shall have no right to vote, except as a Holder of a Security of such series or proxy.

(d) Any meeting of Holders of Securities of any series duly called pursuant to Section 1302 at which a quorum is present may be adjourned from time to time by Persons entitled to vote a majority in principal amount of the Outstanding Securities of such series represented at the meeting; and the meeting may be held as so adjourned without further notice.

SECTION 1306. Counting Votes and Recording Action of Meetings.

The vote upon any resolution submitted to any meeting of Holders of Securities of any series shall be by written ballots on which shall be subscribed signatures of the Holders of Securities of such series or of their representatives by proxy and the principal amounts and serial numbers of the Outstanding Securities of such series held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes, who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified written reports in duplicate of all votes cast at the meeting. A record, at least in duplicate, of the proceedings of each meeting of Holders of Securities of any series shall be prepared by the secretary of the meeting, and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavits, signed by one or more persons having knowledge of the facts, setting forth a copy of the notice of the meeting and showing that said notice was given as provided in Section 1302 and, if applicable, Section 1304. Each copy shall be signed and verified by the affidavits of the permanent chairman and secretary of the meeting and one such copy shall be delivered to the Company and another to the Trustee, to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture to be duly executed, and their respective corporate seals to be hereunto affixed and attested, all as of the day and year first above written.

Ladies and Gentlemen:

I am an Associate General Counsel of Occidental Petroleum Corporation, a Delaware corporation ("Occidental"), and am rendering this opinion in connection with the preparation of the above-referenced Registration Statement on Form S-3 (the "Registration Statement"), which is to be filed by Occidental on May 17, 1995, with the Securities and Exchange Commission (the "Commission"). The Registration Statement relates to the registration under the Securities Act of 1933, as amended (the "Securities Act"), of \$750,000,000 aggregate public offering price of senior debt securities (the "Debt Securities") of Occidental. The Debt Securities are being registered for offering and sale from time to time pursuant to Rule 415 under the Securities Act.
